How can I campaign during the elections that are held on campus?
Electioneering means to advocate or campaign in any way for the support or defeat of a particular candidate for political office, or of a proposition or other issue on a ballot in an election. This includes the distribution or posting of campaign poster, literature and/or flyers.

The UTSA campus is a limited public forum and all those who engage in electioneering activities on behalf of a candidate or ballot proposition are expected to abide by the following guidelines:

- Electioneering activities may only occur during the times a polling place is open and only in the designated area on the East Convocation Center Lawn adjacent to the HEB University Center. No person is allowed to electioneer within the 100ft exclusion zone prescribed by law. No person is allowed to electioneer inside or directly in front of the entrance to a campus building.
- Threats to passersby, intimidation, impeding or blocking the flow of pedestrian or vehicular traffic, committing acts leading to unsafe and/or unhealthy conditions, and posting or affixing signs or materials on walls, windows, grounds, planters, doors, trees, sidewalks, benches, poles, fixtures, or any other equipment or surface, except where specifically authorized, or violations of time, place, and manner restrictions are strictly prohibited and will result in cessation of electioneering activities by appropriate UTSA authorities.
- Electioneering should be conducted in a manner that complements UTSA’s educational mission and does not interfere with normal operations. Any activities that incite or induce illegal conduct, cause destruction of UTSA property or personal property of others, and/or disrupt UTSA operations are prohibited at all times.

Can I post/distribute campaign materials on campus?
Campaign posters and flyers may be distributed or posted on campus by an individual UTSA student, faculty, or staff person or UTSA registered organizations in accordance with the time, place and manner restrictions above as well as the University’s Solicitation Policy as stated in HOP 9.10 [http://utsa.edu/hop/chapter9/9-10.html](http://utsa.edu/hop/chapter9/9-10.html). However in accordance with HOP 4.02, no staff, faculty, or student employee may engage in
electioneering during paid time working for UTSA, nor may any UTSA resources, equipment, supplies or services be used for electioneering. Additionally, no registered student, faculty, or staff organization that receives State funds from any source may engage in electioneering.

**Where can I post signs?**
Signs may be posted and remain in the East Convocation Center Lawn adjacent to the HEB University Center from February 16, 2016 through February 26, 2016. If a posting will be made inside a building and that building has additional guidelines, then those guidelines must also be abided. In accordance with HOP 9.37 (http://utsa.edu/hop/chapter9/9-37.html):
- Signs may not interfere with traffic, restrict access to University facilities, damage property, or create safety concerns.
- No sign may be posted on top of another properly posted sign.
- Signs in poor condition may be removed by UTSA staff.
- UTSA staff may also remove any sign that violates any of the rules or laws of the state of Texas.

No signs may be staked in the ground, except for in the designated area in the East Convocation Center Lawn. Signs that are staked in the ground may not be higher than 3 feet from the ground and may not exceed 14 inches in depth.
