Committee Updates:
- Health and Wellness
  - The committee is working on increasing health-related communication through the Rowdy New U program, particularly through the use of “wellness champions” in various areas at the university. Registration for “Health for the Holidays” is closing soon. Initial marketing for the corporate cup has been sent out to Rowdy New U members. Staff Council members were reminded about the HOP policy allowing three 30-minute wellness breaks per week for staff, as approved by their supervisor. Staff can also get a physical once per year and receive 8 hours of comp time.
- Service and Social
  - The Staff Council lunch trivia/social has a new date of February 15th. More information about the event will be provided soon.
Staff Appreciation and Scholarships

Major Events and Fundraising
- Cindy will be sending out the draft promotional letter to assist staff in gathering items for the Strikes for Scholarships silent auction (May 7th). Planning for the Great Staff Appreciation event is underway and the committee is looking at hosting an earlier event with brunch items, to take advantage of cooler weather earlier in the day.

Questions, Issues and Concerns
- The committee is working on a “how to contact us” section on the Staff Council webpage to make it more user-friendly. Ideally, it would link from other university websites like the President’s webpage, HR’s webpage, etc.
- There was an announcement regarding the Sustainability office. The office is looking for ideas from the university on how to best utilize its funds. Please submit any sustainability ideas to Andrea by February 4th. There is still an ongoing discussion about how to best utilize the shower space in the BSE.

Communications
- Digital signage has now moved under the Provost’s office communications team. Any requests for digital signage can be submitted there. If you have ideas for promotional videos, please contact James.

Elections
- The committee will be looking at new/restructured VP areas that need to be incorporated on Staff Council.

Addressing Staff Council Goals:
- Elisa presented 6 goals of Staff Council for members to discuss and focus the council’s efforts in a more succinct way.
  1. Addressing issues of concern that are unique to staff
  2. Fostering expanded opportunities for staff involvement in campus governance
  3. Building a sense of community by encouraging the exchange of ideas and concerns
  4. Providing advice on university policy and procedures impacting staff
  5. Advising the university on staff nominations to university standing committees as equal members
  6. Promoting the growth and welfare of staff, contributing to the success of UTSA
