## **Ann Irwin Leadership Scholarship for Undergraduates**

Part of the WTS goal of fostering the development of women in the transportation field can be realized by encouraging bright new professionals to undertake careers in the area of transportation. The Ann Irwin Leadership Scholarship is awarded to women pursuing undergraduate studies in transportation or a related field that demonstrate leadership skills, ability, and interest.

The purpose of the Ann Irwin Leadership Scholarship is to motivate and reward women who demonstrate leadership in the transportation industry. The leadership, skills and perspective of women are essential to assure that the transportation systems of the future respond to the needs of all. Leadership does not just happen. Leaders personally invest and risk much. They must take on struggles that many would avoid and persevere to reach successful outcomes. These qualities should receive special attention in the selection of the award winner.

The Ann Irwin Leadership Scholarship is in the amount of \$1,000. The minimum criteria for selection are as follows:

- a. Open to women
- b. GPA of 3.0 or higher
- c. Currently enrolled in an undergraduate degree program in a transportation-related field, such as transportation engineering, planning, finance or logistics
- d. Plans to pursue a career in a transportation-related field
- e. Applicants for the Ann Irwin Leadership Scholarship are asked to specifically address the issue of leadership on their personal statement.

Applications must be submitted through local WTS chapters. The scholarships are competitive and based on the applicant's specific transportation goals, academic record and transportation-related activities or job skills. Minority candidates are encouraged to apply. National awards will be presented on May 20, 2010 and attendance at awards dinner is strongly recommended.
