A regular meeting of the UTSA Student Representative Assembly was held on June 1, 1977, and took the following action:

CALL TO ORDER:

The meeting was called to order by President Steve Linahan at 2:36 p.m.

First:

The minutes were read and amended.

Second:

Letters to the S.R.A.:

A letter written to Mike Tidwell, past S.R.A. president, from Bill Ceverha (Texas Representative from Richardson) was read by President Linahan.

A letter from Craig Youngblood concerning the past spring election was read by President Linahan. Mr. Youngblood, upon interrogation at the meeting, stated that a copy of the tapes was made at the request of Jim Fisher and that the originals were given to President Linahan. No transcripts were made.

A letter from Bruce García stating his resignation was read by President Linahan. The resignation was approved by acclamation.

Third:

Sam Banks brought up the suggestion that Dr. Davis be consulted about his position as S.R.A. adviser, and that the responsibilities of this position be made clear to him. President Linahan volunteered to speak to Dr. Davis.

Carlos A'Latorre asked for the treasurer's report. President Linahan approximated a $2,000 budget for the summer.

New Business:

Gerald Flores moved that the Student Representative Assembly close the matter of Mr. Jim Fisher and the controversy surrounding the election of 1977; that a resolution be written by the Corresponding Secretary and sent to the Dean of Students stating clearly that the Student Representative Assembly agrees with and fully supports the actions taken by the past S.R.A. and the elections committee; that the resolution should include that the actions taken by the previous S.R.A. regarding Mr. Fisher were within the duly constituted authority of the S.R.A. and the Elections Committee; that to have done less would have been a silent stamp of approval of Mr. Fisher's admitted actions. He further moved that a copy of the resolution be sent to President Flawn and both of the S.R.A. faculty advisors.
The motion was seconded by Sam Banks. Motion carried.

Sam Banks moved that a commission be established for the purpose of forming the backbone of a school newspaper. She further moved that this same commission be charged with the responsibility of all preliminary preparations and actions necessary for proper functioning of a school paper. The motion was seconded by Carlos A'Latorre and carried by members of the Assembly.

Gerald Flores moved that Celeste Scalise be made chairperson of the commission which has been established to found the Student Newspaper and that she be the first editor-in-chief of that newspaper. Motion seconded by Carlos A'Latorre and passed by the Assembly.

President Linahan moved for impeachment of John Maldonado on the basis of three consecutive absences. He stated that a letter will be sent to Mr. Maldonado requesting his resignation. (If there is no response within two meetings hence--by June 15--the matter will again be brought up before the Assembly.) The Corresponding Secretary was charged with sending said letter.
