THE U.T.S.A. STUDENT REPRESENTATIVE ASSEMBLY
MINUTES OF THE MEETING
OCTOBER 26, 1977

A regular meeting of the U.T.S.A. Student Representative Assembly convened on October 26, 1977 and took the following action:

CALL TO ORDER:
The meeting was called to order by President, Steve Linahan at 4:23 p.m.

FIRST:
The minutes of the previous meeting were read and were approved.

SECOND:
Announcements and letters: It was announced that the leadership conference will be this weekend the 28 through the 29 in Kerrville. It was also announced that a list would be passing around so that members may write the times in which they could be available to work at the election polls. It was also announced the Yale University Graduate School is looking for recruits and anyone interested should go to the placement center.

THIRD: COMMITTEE REPORTS
Internal Affairs Chairman, Carlos A'Latorre announced that this weeks films will be The Edgar Allen Poe Special and also Black Sabbath. He also stated that people who ran the projector last time will run on the same schedule unless they could change with one of the other members. The Chairman also announced that the film The Texas Chain Saw Massacre will be changed to December 1, because of scheduling difficulties. He also said that he will come out with a new schedule for the movies as soon as possible. Carlos also said that he might be able to get in touch with someone that could handle the lighting for the J.W. concert. It was also stated that admission to the concert would be 1.00 for all students, faculty or anyone else connected with the university; and 2.00 for people outside the university.

Parliamentarian, Gerald Flores stated that the committee had met and had revised a provision for the S.R.A. constitution and that the S.R.A. members would vote on it.

OLD BUSINESS:
Veronica Ibarra stated that the contract for the J.W. concert had been signed. It was also said that costs for the lighting that would go into the concert would be somewhere around 150 dollars. It was also stated that arrangements could be made at La Quinta Hotel for the accommodations for J.W. and his engineer for two nights. It was also stated that no alcohol or drinks will be served because there is no tarp to cover the gym floor.

The proposed amendment to the constitution proposes to change Internal Affairs and Election Committees to have more than five members but only S.R.A. members will be able to vote. The amendment failed because it did not receive a 2/3 majority.
Freshman Representative, Randy Galliher stated that he and John Hoefl had talked to Mr. Roberts about trying to set up the lunch card program. It was stated that Mr. Roberts was not in favor of setting up such a program because the quality of the food would go down and because of the way in which the cafeteria system is already set up and also it might slow down lines. It was also stated that the lunch card tickets could not be sold through the Busar's office cause of some legalities.

At this time the amendment to the constitution was brought up again because it was thought that a new vote from members who had just walked in might be able to pass the amendment. The amendment was restated, voted on and was passed by a 2/3 majority.

Parliamentarian, Gerald Flores stated that the debate in which the S.R.A. is co-sponsoring with the Pre-Law Association is Nov. 2 at 10:30 in the morning. It was also stated that the debate is between councilman Ortiz and councilman Hartman.

Treasurer, Veronica Ibarra moved that the money needed for the printing of the tickets, lodging for J.W. Everitt and engineer, lighting and security for the concert be approved by the Assembly. The motion was seconded by Gerald Flores and was passed.

NEW BUSINESS:
Treasurer, Veronica Ibarra moved that the S.R.A. send an official statement to the University Community, and especially the University Standing Committee on graduation informing them of our position towards the commencement ceremonies. Stating: With all the time and money spent toward the attainment of a college degree, it would seem a crime to rob the graduate and his or her family of that dramatic moment when h/she walks across the stage and receives their diploma or degree. Regardless of the number of students in the graduating class walking across the stage is a privilege that they have earned in their years spent in college. At this stage of U.T.S.A.'s growth the graduating classes are still small enough to permit this function. Looking forward toward this time when the University does grow large enough to warrant the abandonmen of this privilege, we can possible except the outcome. By no means is U.T.S.A. anywhere near this size at the present and we the assembly regard the abandonment of walking across the stage at the commencement ceremonlies as on a very ugly and vicious affront to the entire student body. The motion was seconded by Gerald Flores and was passed.

Parliamentarian, Gerald Flores moved that the S.R.A. send a letter to Mr. Davilos saying that we are in favor of his athletic motion. The motion was seconded by Veronica Ibarra and was passed.

Senior Representative Carlos A'Latorre moved that we adjourn the meeting. The motion was seconded and was passed.
