Expectations during the General Assembly:

1. GA is an electronic free zone; any appointed or elected member who has an unauthorized electronic device is subject to disciplinary action by the Chair
   a. If you must use your phone, please notify the Chair; exceptions are available on a case-by-case or emergency basis
   b. If you want a paper copy of any pending business or the agenda, please notify an Officer (preferably the Vice President) or an Advisor

2. Please be respectful of the General Assembly by:—
   a. Being courteous to your fellow SGA members and our faculty/staff/community guests
   b. Keeping your comments professional and relevant to the business at hand
   c. Talking loud enough for all members to hear when recognized by the Chair
   d. Not being aggressive towards other members; please treat others in a respectful manner—treat them how you would like to be treated

Quick Tips:

1. If you think something is going wrong, you may raise a Point of Order (no second and no debate) which the Chair shall rule upon

2. If you as a Senator want to end a speech that is over time without the involvement of the Chair, you may raise a Point of Order (ruling of the Chair) or Call for the Orders of the Day (no second and no debate, 2/3 may overturn)

3. An objection to unanimous consent does not necessarily mean that an objecting Senator wishes the motion to fail, it may simply mean they want a vote for the motion

4. Members may Object to the Consideration of a Question if they feel a motion would take up too much time, would be irrelevant, or would be embarrassing
   a. If the consideration of the motion is objected to, the Chair will state: “The consideration of the motion is objected to, shall it be considered?” Whereupon, 2/3 of the Senators present must vote not content for the motion to not be considered
