Memorandum of Condolences to the Texas A&M University - Kingsville Student Government Association

It is with profound sadness and heavy hearts that we extend our sincere condolences to the Student Government Association of Texas A&M University – Kingsville for the loss of Oscar Fuentes and Ebenezer Oloba. These two Javelinas dedicated their college career to serving the students they represented. The A&M-Kingsville SGA President David Barrera stated, “They were so driven and so passionate and they really wanted to take care of their community.” These words encapsulate what it means to serve in Student Government and there is no doubt that they both served their students with excellence.

The mission statement of Texas A&M University – Kingsville states that the University develops well-rounded leaders who solve problems in an increasingly complex, dynamic and global society. Our world is at a loss that two Javelinas who embodied these skills and ideals are no longer with us. No doubt, our global society is better having had the influences of Oscar and Ebenezer. To those who knew them personally, their memories will live on forever. And to those of us who only knew of them, we seek to stand with the Texas A&M - Kingsville community through this difficult time. We would also like to extend our deepest condolences to Oscar and Ebenezer’s families.

The students of The Student Government Association of The University of Texas at San Antonio on the 2nd day of March, 2017 observed a moment of silence to remember Oscar Fuentes and Ebenezer Oloba and to support the students of Texas A&M - Kingsville.

Andrew Hubbard
President of The Student Government Association
The University of Texas at San Antonio
