Commemoration of Dr. Patricia Graham for her 43 years of Service

The Student Government Association of the University of Texas at San Antonio would like to commemorate Dr. Patricia Graham for her 43 years of service to UTSA. Dr. Graham has served as the assistant vice president for Student Services, Associate vice president for Student Affairs, assistant to the vice president for student affairs for Planning and Special Programs, advisor of the UTSA Ambassador program and the Executive Director of the Special Events Center.

Dr. Graham has played an integral role to many roadrunners from the start of their college careers to walking the stage by overseeing events such as Convocation and Commencement. Her smile of joy and comforting presence was always inspiring to many which was especially true for the more than 1,200 students who have gone through the ambassador program.

Dr. Graham has also accomplished a great deal beyond UTSA, she has served as National President of Alpha Lambda Delta National Honor Society for First-Year Students while having established a chapter at UTSA, she has also served as a member of the National Council of Alpha Chi National College Honor Society, a 2010 recipient of the council for Advancement and Support of Education, ASAP Outstanding Advisor Award with the UTSA Ambassadors, and UTSA Order of the Roadrunner Award.

Dr. Graham’s motto has always been “Rough diamonds can become beautiful gems; our job is to buff.” She has exemplified what it means to be roadrunner though her leadership, kindness, and ability to inspire. Thank you, Dr. Patricia Graham for your 43 years of service and all that you have done for UTSA making what it is today.

This commemoration was passed unanimously by 41st General Assembly of the Student Government Association of the University of Texas at San Antonio.

Marcus Thomas
President of Student Government Association
