Tailgate Party

Campus Activities Board

Tailgate: If groups/departments are planning to tailgate and would like to reserve a space close to the festivities, please contact the Campus Activities Board at 210.458.4727 by 5:00pm on February 20. This will also get you a sand trap to dump your coals into after you are finished. Space is limited so get your reservations in early. And remember, you cannot have propane tanks on campus.
