What is an Ally? An ally is a person who supports and advocates for GLBTQ persons and issues.

Course Description: The UTSA Allies Program seeks to empower administrators, faculty, staff and students to create and maintain a welcoming and inclusive environment for all gay, lesbian, bisexual, transgender and questioning members of our campus community. By providing support, resources, and educational programs, Allies will help GLBTQ students find their place and remain a vital part of the UTSA community.

Course Objectives: Upon completion of the session each Ally will be able to raise awareness and be more knowledgeable about issues facing the GLBTQ community; be a trained member of the UTSA community that will be a support and a resource for GLBTQ students; and be a part of a visible network of support comprised of administrators, faculty, staff and students.
