

A Staff Development Team Event

Student Affairs Orientation

New to Student Affairs?

We invite you to a fun workshop to learn about your dynamic UTSA division! Representatives from all areas of Student Affairs will be on hand to provide information and answer your questions. You will have the chance to network with coworkers across the division, attend a fair where you'll learn about different departments and win prizes! Attendance to this event is mandatory. If you were hired since November 1, 2010, please coordinate your attendance with your supervisor. All attendees will be given credit for SD 414 through myTraining. Contact staffdevelopment@utsa.edu for more information.
