

Student Affairs Staff Development Team

invites you to

Dimensions of Success Workshop

-- an opportunity for all staff members within Student
Affairs to grow professionally.

We want to invite you to our brief and yet "intensive"

round table discussions on

Friday, December 2nd

9:00 am to noon, Denman Room.

This year we have planned some very cool topics, such

as "Protecting Your Identity", "Facebook, Twitter,

YouTube, oh my...",

"Generational Differences" and more.

You will be able to select 4 different topics and share

your experiences in these areas.
