Is Negativland a “band”? Media hoaxers? Activists? Musicians? Filmmakers? Culture jammers? An inspiration for the unwashed many? A nuisance for the corporate few? Decide for yourself in this presentation that uses films and stories to illustrate some of the creative projects, hoaxes, pranks and "culture jamming" that Negativland has been doing since 1980.

“Adventures In Illegal Art” is a 90-minute storytelling and film presentation by Mark Hosler, founding member of Negativland, with Q and A to follow. No lawyers were harmed in the making of this event.
