UTSA Downtown Campus Pedestrian Safety Tips

- Cross only at mid-block crosswalks and intersections. Do not jaywalk.
- Look left, right and left again for traffic before stepping off the curb.
- Make eye contact with drivers when crossing busy streets and continue to watch out for traffic the entire time you are in the crosswalk.
- Never assume drivers will yield.
- Talking and or texting on cell phones while crossing a busy intersection can be dangerous.

BE STREET SMART!
