Archaeology Tools for Teaching
Math, Science, Art, Language Arts, and Social Studies

A Teacher Workshop for Elementary and Middle School Teachers
Tuesday, March 13, 2012, 9:00 a.m. to 2:00 p.m.
Five hours of continuing education credits
$35 (includes lunch)

Hieroglyphs! Cultural Universals! Measurement Conversions! Stratigraphy!
Iconography! Mapping! Artifact Sorting! Native American Legends! Geology!

Join archaeologists from the Center for Archaeological Research at UTSA for a day of fun activities that you can use in your classroom to teach math, science, art, language arts, and social studies. Each activity has been designed to meet specific TEKS requirements. You will be provided with curricula, handout materials, and lunch. Six hours of continuing education credit will be awarded. For more information, contact the Legacy outreach staff at 458-4462 or email carlegacy@utsa.edu. Class size is limited to 15 participants, so register today!

Registration Form – Deadline is March 1

A confirmation email will be sent to the first 15 registrants.
