Come take a walk with us on April 10!

What is One Day Without Shoes?

The day we raise awareness of the impact a pair of shoes can have on a child’s life by taking off our own.

Why shoes?

In developing countries, millions of children grow up without shoes and at risk of injury and disease. Many children are denied access to school without shoes. Shoes are a critical first step toward health and access to education.

Meet at the Student Leadership Center

(UC 1.002 under the Roost) at 11am.

Walk to the JPL to raise awareness together.

Can’t spend the day barefoot? Donate your shoes and other clothing items. The SLC will be taking donations for Dress for Success and the Battered Women’s Shelter.
