4. ADMISSION
Admission
Admission requirements for graduate study at UTSA are designed so that students admitted will have a high probability of success in graduate-level academic work. Graduate study is much more than a mere continuation of undergraduate work and should be considered only by those students with the capacity for independent thought and investigation. All graduate programs at UTSA use selective entrance requirements in their admission of students. In addition to the university-wide admission requirements presented below, each graduate degree program specifies additional admission requirements from among scores on the Graduate Record Examination aptitude test (GRE), the Graduate Management Admission Test (GMAT), other standardized examinations, a portfolio, an audition, or other indicators of preparation for graduate study. Information on the GRE and GMAT and applications for the tests may be obtained from the Educational Testing Service, Box 899, Princeton, New Jersey, 08540, or from the UTSA Testing Center, MS 4.03.60. The Institution code for UTSA is 6919-5 for the GRE and 6919 for the GMAT. Applicants should refer to individual degree descriptions for additional admission requirements.

Classifications and Requirements

All classifications of graduate admission require approval by the Provost and Vice President for Academic Affairs, who is the administrative officer responsible for graduate education. The criteria for the various classifications of admission to UTSA are set forth in the following paragraphs.

Graduate Degree-Seeking Students

A graduate degree-seeking student is one admitted to a graduate degree program. Admission as a graduate degree-seeking student may be unconditional, conditional, or conditional on academic probation.

Unconditional Admission

In order to be eligible for unconditional admission to UTSA as a graduate degree-seeking student, an applicant normally must

1. Hold a baccalaureate degree from a regionally accredited college or university in the United States or have proof of equivalent training at a foreign institution;
2. Have a grade-point average of at least 3.0 (on a 4.0 scale) in the last 60 semester hours of coursework for the baccalaureate degree, as well as in all graduate-level work previously taken;
3. Have completed at least 18 semester credit hours (12 of which must be at the upper-division level) in the area or areas in which the graduate degree is sought or in related areas as determined by the Committee on Graduate Studies for the proposed major;
4. Be in good standing at the last institution attended; and
5. Be recommended for admission by the Committee on Graduate Studies in the proposed major. The committee may examine a student on his or her previous preparation before a recommendation is made for the student to be admitted to the program.
Even though admission is based on the last 60 undergraduate hours attempted and all graduate coursework taken, students must list on the application for admission all colleges and universities attended and request that an official transcript from each institution be sent to the UTSA Office of Admissions and Registrar.

Conditional Admission

An applicant who has insufficient preparation in his/her intended graduate degree program, or who lacks certain supporting documentation required for unconditional admission, may be admitted conditionally to the graduate degree program upon recommendation of the Committee on Graduate Studies in the proposed major and approval by the Provost and Vice President for Academic Affairs. Conditions placed on admission may include

1. Submission of test scores or other indicators of preparation for graduate study that are unavoidably lacking at the time of admission;
2. Completion of additional coursework or other study to remove deficiencies, with such make-up work to be in addition to the regular degree requirements; and
3. Completion of a given number of semester hours and the achievement of a minimum grade-point average, in no case lower than that required for a student to remain in The University as a graduate degree-seeking or special graduate student, if the student’s grade-point average is less than that specified for unconditional admission. (See the section on Academic Standing in chapter 5, General Academic Regulations.)

Any conditions placed on the student’s admission are included in the notification of admission. If conditions placed on admission are not met within the time specified by the Committee on Graduate Studies and stated in the admission notice, the student may be barred from continuation in the graduate program.

Admission on Academic Probation

An applicant who fails to meet the requirements for unconditional admission and is admitted on a conditional basis may be admitted on academic probation, upon recommendation of the appropriate Committee on Graduate Studies and approval by the Provost and Vice President for Academic Affairs. Such admission requires that coursework taken during the first semester be completed with a grade-point average of “B” (3.0 on a 4.0 scale) or better. Failure to earn this average results in academic dismissal.

Denial of Admission as a Graduate Degree-Seeking Student

If an applicant is not eligible for either unconditional or conditional admission, the applicant is denied admission as a graduate degree-seeking student. In such cases, the appropriate Committee on Graduate Studies may recommend the applicant’s admission or denial of admission as a special graduate student. (See Admission as a Special Graduate Student in this chapter.)

Special Graduate Students

A special graduate student is one admitted to UTSA for the purpose of enrolling in master’s-level and/or undergraduate courses without entering a degree
program. An applicant who elects to enroll as a special graduate student normally must

1. Hold a baccalaureate degree from a regionally accredited college or university in the United States or have proof of an equivalent degree from a foreign institution;
2. Have a grade-point average of at least 3.0 (on a 4.0 scale) in the last 30 semester hours of coursework for the baccalaureate degree as well as in all graduate-level coursework previously taken;
3. Be in good standing at the last institution attended; and
4. Be recommended for admission as a special graduate student by the authorized representative of the discipline offering the graduate course or courses desired. The “authorized representative” of the discipline offering the course is the discipline Committee on Graduate Studies acting through its Chair or through its Graduate Advisor of Record, or the Director of the Division in which the discipline is located, if there is no Committee on Graduate Studies for the discipline.

Even though admission is based on the last 30 undergraduate hours attempted and on all graduate coursework taken, students must list on the application all colleges and universities attended. Students must request that an official transcript be sent to the UTSA Office of Admissions and Registrar only from institutions attended for the last 30 undergraduate hours and all of the graduate hours.

Special graduate students are eligible to take any master’s-level or undergraduate courses for which they have the necessary prerequisites, provided that space is available and that they have the approval of the course instructor in which the course is taught. Students who wish to take a graduate course in a discipline other than that for which they have been authorized upon admission must obtain the approval of the authorized representative (as defined above) of the discipline offering the course.

Special graduate students are advised that

1. A maximum of 12 semester hours of credit earned as a special graduate student may be applied toward a graduate degree, and then only when the student has been admitted as a graduate degree-seeking student and the credits earned for these courses have been evaluated and approved for this purpose by the appropriate Committee on Graduate Studies;
2. A student admitted as a transient graduate student and subsequently as a special graduate student may apply a maximum of 12 semester hours of approved credit toward a graduate degree;
3. When teacher certification is involved, approval of the Director of the Office of Teacher Advising, Certification, and Placement is required before the student enrolls to ensure that credit earned as a special graduate student can be applied to a graduate-level teacher certification program; and
4. To continue in The University as a special graduate student in a subsequent term, the student must meet the standards required to remain in UTSA as indicated in the section on Academic Standing.

Denial of Admission as a Special Graduate Student

An applicant who is denied admission as both a graduate degree-seeking student and a special graduate student may be eligible for admission as a special
undergraduate student, if admission requirements for that classification have been met. (See Special Students in the Admission chapter of the UTSA Undergraduate Catalog.)

Students holding bachelor's degrees who are admitted as special undergraduate students may enroll in undergraduate courses only. If they wish to take courses at the graduate level, they must obtain permission from the course instructor and the Division Director on the form provided for this purpose or apply and be admitted as special graduate students. Students may not be enrolled at both the graduate and undergraduate levels at the same time.

**Summer Transient Graduate Students**

An applicant who wishes to enroll for a Summer session only, without pursuing a degree at UTSA, should apply for admission as a Summer transient graduate student. In order to qualify as a Summer transient graduate student the applicant must

1. Hold at least a baccalaureate degree from a regionally accredited college or university;
2. Be in good standing at the last institution attended; and
3. Be recommended for admission as a Summer transient graduate student by the authorized representative of the discipline offering the graduate course or courses desired. The "authorized representative" of the discipline offering the graduate course is the discipline Committee on Graduate Studies, acting through its Chair or through its Graduate Advisor of Record, or the Director of the Division in which the discipline is located, if there is no Committee on Graduate Studies for the discipline.

Even though admission is based on good standing at the last institution attended, students must list on the application for admission all colleges and universities attended. Students must request that an official transcript be sent to the UTSA Office of Admissions and Registrar from the institution that awarded their highest degree and from any institution subsequent to the awarding of the degree.

Summer transient graduate students may register for any master's-level or undergraduate course for which they have the necessary prerequisites, provided that space is available and that they have the approval of the course instructor. Students who wish to take a graduate course in a discipline other than that for which they have been authorized upon admission must obtain the approval of the authorized representative (as defined above) of the discipline offering the course.

Summer transient graduate students are advised that

1. A maximum of 6 semester hours of credit earned as a Summer transient graduate student may be applied to a degree program, and then only when the student has been admitted as a graduate degree-seeking student and the credits earned for these courses have been evaluated and approved for this purpose by the appropriate Committee on Graduate Studies;
2. A student admitted as a Summer transient graduate student and subsequently as a special graduate student may apply a maximum of 12 semester hours of approved credit toward a graduate degree;
3. When teacher certification is involved, approval of the Director of the Office of Teacher Advising, Certification, and Placement is required before the
student enrolls to ensure that credit earned as a Summer transient graduate student can be applied to a graduate-level teacher certification program; and

4. A student admitted as a Summer transient graduate student cannot register for another term unless he or she has applied and been admitted as a graduate degree-seeking student or a special graduate student.

International Students

All applications from persons holding non-permanent visas will be processed as International. This includes both applications received from other countries and requests to transfer from a U.S. college or university. All applicants must

1. Meet the graduate admission requirements for graduate degree-seeking students. Applicants who will be on a student visa may not be admitted other than as graduate degree-seeking students. (An I-20 form is not issued to transient or special graduate students.)

2. Submit scores from the Test of English as a Foreign Language (TOEFL). Students needing to take this test should write to the Educational Testing Service, Box 899, Princeton, New Jersey, 08540, requesting information on taking the TOEFL. The code for UTSA is 6919. Test section scores are evaluated for students submitting scores between 500–600. Students scoring below a 55 in any of the three test sections (Listening Comprehension, Structure and Written Expression, and Vocabulary and Reading Comprehension) will be required to enroll in the appropriate courses in English for International Students to achieve a level of language proficiency appropriate for graduate studies. Some degree programs also require the TOEFL Test of Written English. TOEFL scores are not required for international students from countries where English is the primary language of instruction and the language spoken in the home by the indigenous population, nor are TOEFL scores required for non-citizens of the United States graduating from United States high schools, colleges, or universities with at least a high school diploma or a baccalaureate or higher degree.

3. Submit a statement guaranteeing the student’s ability to pay all expenses while a student at UTSA, if attendance under the F-1 (student) visa is anticipated. The statement may be sent from a parent or guardian when endorsed by a bank or other reliable institution, or from a United States citizen who will accept responsibility for the student’s financial needs.

4. Have an application, $20.00 nonrefundable application fee, and supporting credentials on file in the Office of Admissions and Registrar by the appropriate application deadline. The application deadlines for master’s-level applicants are as follows:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall semester</td>
<td>June 1</td>
</tr>
<tr>
<td>Spring semester</td>
<td>October 15</td>
</tr>
<tr>
<td>Summer semester</td>
<td>March 1</td>
</tr>
</tbody>
</table>

The deadline for doctoral applicants is January 1.

The above admission criteria serve as guidelines for admission for international students. The credentials of each applicant are examined on an individual basis by the Office of Admissions and Registrar and the appropriate Committee on Graduate...
Studies, with admission granted only to those who show promise of success in graduate study at UTSA.

**Academic Fresh Start**

An applicant who has earned a baccalaureate degree under the "academic fresh start" statute, *Texas Education Code* §51.929, will be evaluated on only the grade-point average of the coursework completed for that baccalaureate degree and the other criteria stated herein.

**Procedures for Teacher Certification or for Certificate Endorsements at the Graduate Level**

An applicant who desires to work on teacher certification requirements and holds a bachelor's degree should apply either as a graduate degree-seeking student or special graduate student (not special undergraduate student) to the Committee on Graduate Studies of the Division of Education for all certification and endorsement requirements other than endorsements in Bilingual Education and English as a Second Language. Applicants for these endorsements should apply for admission as either a graduate degree-seeking student or special graduate student to the Committee on Graduate Studies of the Division of Bicultural-Bilingual Studies. A student who is simultaneously seeking a master's degree in education should apply to the Division of Education.

When unconditional admission has been granted, the student should apply to the Office of Teacher Advising, Certification, and Placement for an analysis of his/her transcripts and for an official outline of a program that will ensure meeting the requirements to obtain a teacher’s certificate or a certificate endorsement. In some cases it may be possible to meet certification requirements within a degree program; in other cases the student may need to take additional work for the certificate beyond that required for the graduate degree. The completion of degree requirements does not guarantee completion of Texas certification requirements. The student’s Program Advisor and the Office of Teacher Advising, Certification, and Placement will assist the student in planning an appropriate program of study.

Recommendations for the teacher certification (to the Texas Education Agency) are made by the Office of Teacher Advising, Certification, and Placement only after all requirements have been met and the student has officially requested such recommendation.

A brochure summarizing Education Certificate and Endorsement Requirements is available from the Office of Teacher Advising, Certification, and Placement in the Division of Education.

**Declaration of Previous College Work Attempted**

Students are not at liberty to disregard previous college work attempted. All students transferring to UTSA must list all colleges attended on their UTSA application for admission. Failure to do so will result in the rejection of the application, withdrawal of any offer of acceptance, cancellation of enrollment, permanent dismissal from The University or other appropriate disciplinary action. Students should consult the several categories of admission detailed above to learn which transcripts they need to have sent to the UTSA Office of Admissions and Registrar.
Studies, with admission granted only to those who show promise of success in graduate study at UTSA.

**Academic Fresh Start**

An applicant who has earned a baccalaureate degree under the "academic fresh start" statute, *Texas Education Code §51.929*, will be evaluated on only the grade-point average of the coursework completed for that baccalaureate degree and the other criteria stated herein.

**Procedures for Teacher Certification or for Certificate Endorsements at the Graduate Level**

An applicant who desires to work on teacher certification requirements and holds a bachelor's degree should apply either as a graduate degree-seeking student or special graduate student (not special undergraduate student) to the Committee on Graduate Studies of the Division of Education for all certification and endorsement requirements other than endorsements in Bilingual Education and English as a Second Language. Applicants for these endorsements should apply for admission as either a graduate degree-seeking student or special graduate student to the Committee on Graduate Studies of the Division of Bicultural–Bilingual Studies. A student who is simultaneously seeking a master’s degree in education should apply to the Division of Education.

When unconditional admission has been granted, the student should apply to the Office of Teacher Advising, Certification, and Placement for an analysis of his/her transcripts and for an official outline of a program that will ensure meeting the requirements to obtain a teacher’s certificate or a certificate endorsement. **Declaration of Previous College Work Attempted**

Students are not at liberty to disregard previous college work attempted. All students transferring to UTSA must list all colleges attended on their UTSA application for admission. Failure to do so will result in the rejection of the application, withdrawal of any offer of acceptance, cancellation of enrollment, permanent dismissal from The University or other appropriate disciplinary action. Students should consult the several categories of admission detailed above to learn which transcripts they need to have sent to the UTSA Office of Admissions and Registrar.
Application Dates

Master’s Level

Students applying for admission as master’s degree-seeking, special, or transient students may apply for admission as early as nine months before the beginning of the term in which they wish to begin graduate study. Because of the time needed to prepare graduate summaries, students are encouraged to have their admission file complete at least one month prior to the application deadline. Application forms and instructions are available from the Office of Admissions and Registrar. The completed application form, $20.00 nonrefundable application fee, and all required supporting documents must be on file with the Office of Admissions and Registrar by the appropriate application deadline. The application deadlines for master’s-level applicants are

- Fall semester: July 1
- Spring semester: December 1
- Summer semester: May 1

Doctoral Level

The deadline for doctoral applicants is February 1. Students enrolling in cooperative or joint programs between UTSA and other institutions must satisfy admission dates (and procedures) of the other institutions as well as those of UTSA. Failure to meet these admission deadlines will defer admission until a subsequent term.

Admission Procedures

Each applicant for admission is responsible for ensuring that all required application materials (completed application form, $20.00 nonrefundable application fee, test results, required transcripts, etc.) are on file in the Office of Admissions and Registrar by the admission deadlines. Admission is not granted until the applicant’s file is complete. All documents submitted in support of an application become the property of UTSA and cannot be returned.

Students who apply for admission to UTSA for any term and do not register for courses must re-apply for admission if they wish to enroll at a later date. Any subsequent application for admission must be in accordance with current admission requirements. New transcripts, test scores, and other supporting documents are required, since files for admitted students who do not register for courses are not retained.

Readmission

Former UTSA graduate students who have not been in attendance for one full year must file an application for readmission, along with a $20.00 nonrefundable application fee, by the application deadline.

All former students returning to UTSA who have attended other institutions of higher education since they were last enrolled at UTSA must submit an official transcript from each institution. Eligibility for readmission of any former student depends on the student’s academic status at the conclusion of the last UTSA
semester of enrollment and performance on any subsequent college or university work attempted. Readmission must be recommended by the appropriate Committee on Graduate Studies.
