VOLUME II OCTOBER 1974 NUMBER 10

Second-Class Postage Paid at San Antonio, Texas

Education is not just a luxury permitting some men an advantage over others. It has become a necessity without which a person is defenseless in this complex, industrial society. We have truly entered the century of the educated man.

LYNDON B. JOHNSON

En el perenne certamen que determina cuáles serán los *escogidos* en el número de los *llamados*, ya que no hay espacio para todos, prevalece la mayor adecuación o mayor fuerza: triunfa y se impone la superioridad; pero esto solo no da satisfacción a la justicia, pues aún falta contar aquellos que no son ni de los *escogidos* ni de los *llamados*: los que no pueden llegar a la arena del certamen, porque viven en tales condiciones que se ignoran a sí mismos o no les es lícito aplicarse a sacar el oro de su mina; y entre estos ¡ay! ¿quién sabe si alguna vez no están los primeros y mejores?
