

### **III. TUITION, FEES, CHARGES, PENALTIES AND DEPOSITS**

## 28 / TUITION, FEES, CHARGES, PENALTIES AND DEPOSITS

### PAYMENT

Students are entitled to enter class or laboratory only after their tuition, fees, and deposits have been paid.<sup>1</sup> Payment may be made by personal check for the exact amount due, provided the bank transit number is encoded thereon in compliance with revised Federal Reserve Bank regulations. Checks for larger amounts, if the difference is to be paid in cash to the students, cannot be accepted. In paying by check, students should exercise care. A bad check, whether given by mistake or otherwise, unless it is the admitted error of the bank concerned, is likely to delay actual payment and thus result in a penalty as outlined in the section on Bad Check Charges.

Personal checks may be cashed in the University Bookstore for an amount up to \$20.00. It is recommended that students establish checking accounts in local San Antonio banks before enrolling in order that they can easily cash checks in the city. Many local merchants will not cash out-of-town checks.

### **EXEMPTION FROM TUITION AND FEES**

The Statutes of the State of Texas prescribe certain cases in which students can be exempted from tuition and/or certain fees. The various types of exemptions are described below; however, in each case it is the student's responsibility to initiate the action of applying for an exemption through the Registrar's Office and providing satisfactory evidence that all conditions required for the exemption have been met. Until such time as the exemption is granted, a student is required to pay all tuition and fees from his or her own funds. Students who might be eligible for an exemption should apply for the exemption at the

Registrar's Office at least one month prior to registration for the term in which they plan to utilize the exemption.

*Exemption of Texas ex-service personnel.* Legal residents of Texas are exempted from tuition and all fees and charges except property deposit fees, student services fees and any fees or charges for lodging, board, or clothing when they meet *all* the following criteria prior to the end of the registration period for the term that the exemption is claimed:

1. They have resided in Texas for a period of not less than twelve (12) months prior to the date of registration.
2. They served in the armed forces or in certain auxiliary services in World War I, World War II, the Korean conflict, or the Cold War. If service was in the Cold War, they must have served on active military duty (other than for training) for more than 180 days.
3. They were *bona fide* legal residents of the state at the time of entering service.
4. They were honorably discharged from service (those who served in World War II and who were discharged because of being over the age of thirty-eight or because of a personal request are not eligible for this exemption).
5. They are not eligible for education benefits provided for veterans by the United States Government.

*Benefits for children of Texas veterans.* Exemption from payment of tuition and all fees and charges, except property deposit fees, student services fees and any fees or charges for lodging, board, or clothing is extended to children of members of the armed forces who were killed in action or died while in the service in World War II or the Korean conflict or in the Cold War, and to orphans of members of the Texas National Guard and the Texas Air National Guard killed since January 1, 1946 while on active duty.

*Exemption of children of certain disabled public employees.* Children of certain firemen, peace officers, employees of the Texas Department of Corrections, and game wardens who have suffered injury in death or disability sustained in the line of duty are exempt from payment of all tuition, fees, and charges except general property deposit or to fees or charges for lodging, board, or clothing.

*Exemption of certain deaf and blind students.* Blind or deaf persons who are Texas residents are, under certain conditions, exempt from payment of tuition and all fees and charges except any fees or charges for lodging, board, or clothing.

*Children of prisoners of war or persons missing in action.* A dependent child under 21 years of age, or a person under 25 years of age who receives the majority of support from his or her parent or parents, is exempted from the payment of tuition and all fees and charges, except property deposit fees and any fees or charges for lodging, board, or clothing if he or she is the dependent child of any person who is a domiciliary of Texas on active duty as a member of the armed forces of the United States and who at the time of registration is classified by the Department of Defense as a prisoner of war or as missing in action.

*General Fee.* When the payment of this required fee causes undue hardship, a student may receive an exemption from payment of the fee by making application through the Office of Student Financial Aid. Exemptions are limited to 5% of the total enrollment.

*Exemption of Certain High School Graduates.* The highest ranking graduate of an accredited Texas high school, as certified by the Texas Education Agency, is

exempt from the payment of tuition during both semesters of the first regular session immediately following graduation.

### **REFUND POLICY AND ADJUSTMENT OF FEES FOR STUDENTS WITHDRAWING, ADDING, OR DROPPING COURSES**

A student who officially withdraws from The University prior to the first class day will be refunded 100% of collected tuition and returnable fees, but will be assessed a \$15.00 matriculation fee. This fee will be deducted from the balance of tuition and refundable fees owed to the student.

In a Fall or Spring semester, upon surrender of the student identification card, a student withdrawing officially a) during the first five class days receives a refund of 80 percent of the applicable portion of the tuition and fees; b) during the second five class days, 70 percent; c) during the third five class days, 50 percent; d) during the fourth five class days, 25 percent; e) after the fourth five class days, no refund. In a summer term, a student withdrawing officially a) during the first three class days receives a refund of 80 percent of the applicable portion of the tuition and fees; b) on the fourth, fifth, or sixth day, 50 percent; c) the seventh day of classes and thereafter, no refund.<sup>12</sup>

A student who enrolls in The University for a given term and who is subsequently required to withdraw because of academic dismissal the previous term, receives a full refund of all tuition and fees and is not assessed the \$15.00 matriculation fee.

Refunds of tuition, applicable fees, general fees, and student service fees are made for courses dropped during the first twelve class days in the fall and spring or during the first four class days in a summer term if the student paid more than the minimum required and if the student has dropped below the total number of hours for which he or she originally registered. Tuition and applicable fees for added courses are billed to the student.

No refunds are made until 15 days have elapsed from the time fees were paid unless the fees were paid in cash or by money order. Refund checks are mailed to the address indicated when the student withdraws from The University. Students entitled to refunds should allow ten working days after the fifteen-day clearing period for receipt of the refund.

The University reserves the right to deduct from the refund any outstanding financial obligations owed The University.

### **DEBTS OWED THE UNIVERSITY**

In the event of non-payment of debts owed to The University (or failure to meet admission requirements), any of the following actions may be taken:

1. Denial of readmission of the student.
2. Denial of further registration.
3. Withholding of official transcripts.
4. Withholding a diploma to which the student would otherwise be entitled.

When a student has any of the above actions against his or her record, it is the student's responsibility to clear obligations with The University and see that the Registrar's Office is notified. No further services of The University will be provided until all obligations are cleared.

A student who pays tuition and fees with a check which is not subsequently honored by a bank and the fault is not that of the bank and who does not make payment within five days will be withdrawn from The University by the Registrar for non-payment of tuition and fees.

<sup>12</sup>These refund percentages are applicable to tuition, the supplementary fees, the general fee, laboratory fees, and the student service fee.
