COLLEGE OF SOCIAL AND BEHAVIORAL SCIENCES

DIVISION OF BEHAVIORAL AND CULTURAL SCIENCES

The Division of Behavioral and Cultural Sciences offers bachelor of arts degrees in American Studies (offered jointly with the Division of English, Classics, and Philosophy), Anthropology, History, and Psychology. American Studies is an interdisciplinary examination of the interrelationships among the diverse elements of American culture. Anthropology is the study of man's cultural behavior. History is the study of the past of human society. Psychology is the study of animal and human behavior and of cognitive processes and thought. Each major combines a specialization in one of these sciences with support work in a related area. The support work area involves a specific number of hours outside the major discipline which forms a cohesive whole and is approved by the student's advisor.

INTERNSHIP STUDY

Internship entails supervised experience within selected organizations in the San Antonio area. Placement is arranged with the Internship Coordinator of the College of Social and Behavioral Sciences. Supervision and grading of the internship experience is normally done by Division faculty members. The various degree plans within the Behavioral and Cultural Sciences place different restrictions on whether an internship must be taken on a credit-no credit basis and on whether an internship may be counted toward major requirements. Up to 6 semester hours may be counted toward baccalaureate requirements. Students from majors other than the social sciences are welcome to participate but should consult with their faculty advisors regarding the role of the internship within their own degree programs. Further information can be obtained from the Internship Coordinator.

DIVISIONAL HONORS

The Division of Behavioral and Cultural Sciences designates certain of its outstanding students as Honors students and provides the opportunity for advanced study under close faculty supervision. Selection of students for admission to the Division Honors Program is based on: 1) the student's academic performance, and 2) recommendation by the faculty of the student's major discipline. To be eligible for the program students must have a minimum grade-point average of 3.00 overall at UTSA and a minimum grade-point average of 3.50 in their major at UTSA. The minimum grade-point averages must be maintained for students to receive the approval of the Division Honors Committee and the discipline faculty. Students admitted to the Honors program are expected to enroll in the appropriate Honors Thesis course during the final two semesters in residence. The completed thesis must be approved by the supervising faculty sponsor and another Divisional faculty member. Students interested in this program should contact their faculty advisors for additional information.

BACHELOR OF ARTS DEGREE IN AMERICAN STUDIES

American Studies is an interdisciplinary program which examines society and culture in the United States. This approach provides a broad view of the nation's life by examining not only politics and economics but also customs, art, literature, and thought and by using materials and methodologies from several disciplines. The major in this field allows the students latitude of study to develop, in close consultation with the
American Studies advisor, a course of study adapted to their own interests and postgraduate needs and is especially appropriate for students choosing careers in law, urban studies, the military, public relations, historic conservation, museum and archival management, and community organizations.

The minimum number of semester hours required for this degree, including the 42 hours of General Education Requirements, is 120.\(^{10}\)

All candidates for the degree must complete:

A. 36 semester hours in courses approved by the American Studies advisor, 21 of which must be at the upper-division level.

1. 18 semester hours of required courses are:
   a. AMS 2013 Basic Issues in American Culture
   b. AMS 3013 Early American Culture
   c. AMS 3023 Modern American Culture
   d. 3 semester hours from
      AMS 3033 Topics in Regional American Cultures
      or
      AMS 3043 Topics in Ethnic American Cultures
   e. 6 semester hours of AMS 4823 Topics in American Culture

2. 18 semester hours of support work are:
   a. 12 semester hours of courses on American society and culture from at least two disciplines. Must have the approval of the American Studies Advisor and constitute a unified area of interest. 3 semester hours of AMS 4933-6 Internship in American Studies may be taken as partial fulfillment of this requirement.
   Areas of interest may include: Urban Studies, Mexican-American Studies, Women's Studies, The American Legal System, Nineteenth Century America, Modern America, and Contemporary America. Other areas or courses may be chosen with the consent of the American Studies Advisor.
   b. 6 semester hours in a second support area taken with the consent of the American Studies Advisor.

B. 42 semester hours of electives.

DIVISION OF BICULTURAL-BILINGUAL STUDIES

The Division of Bicultural-Bilingual Studies offers courses which may be used to fulfill the General Education Requirements (GER), or which may be taken as support courses for programs within The University or as electives. This coursework may be treated as the Area of Specialization for the Provisional Elementary Certificate or as a Second Teaching Field for the Provisional Secondary Certificate. Courses in Bicultural-Bilingual Studies offer the opportunity for students to prepare for bilingual and/or second language teaching and give insights into bilingual and multicultural functions in society.

The Division offers courses in teaching English as a Second Language designed to offer students the opportunity to learn appropriate methods and strategies for teaching at the elementary, secondary, and adult levels, and to complete requirements for the English as a Second Language Endorsement. Courses are designed for students who plan to teach second languages, but they also offer the opportunity for those who intend to teach in other areas or to enter fields that rely heavily on an understanding of language learning and bilingualism.

Students seeking degrees in these areas may pursue teacher certification, or may follow similar but individualized programs to prepare them for professional service in institutions and agencies concerned with the welfare of children and youth.

The Division of Education also provides the professional education courses for all students seeking secondary and/or all-level teacher certification. Students seeking secondary and/or all-level teaching certificates pursue a degree in an approved academic area and complete the appropriate certificate requirements outlined in the Undergraduate Certification Programs in Education brochure available through the Office of Teacher Certification and Placement.

DIVISIONAL HONORS

The Division of Education designates certain of its outstanding students as Honors students and provides the opportunity for advanced study under close faculty supervision.

Selection of students for admission to the Division Honors Program is based on: 1) the student's academic performance, and 2) recommendation by the faculty of the student's major discipline. To be eligible for the program students must have a minimum grade-point average of 3.00 overall at UTSA and a minimum grade-point average of 3.50 in their major at UTSA. The minimum grade-point averages must be maintained for students to receive the approval of the Division Honors Committee and the discipline faculty. Students admitted to the Honors program are expected to enroll in the appropriate Honors Thesis course during the final two semesters in residence. The completed thesis must be approved by the supervising faculty sponsor and another Divisional faculty member. Students interested in this program should contact their faculty advisors for additional information.

CERTIFICATE PROGRAMS

The University of Texas at San Antonio is approved by the Texas Education Agency to recommend students for teaching certificates in various baccalaureate degree areas. Requirements for all certificate programs offered through The University of Texas at San Antonio are listed in the Undergraduate Certification Programs in Education brochure available through the Office of Teacher Certification and Placement. Students seeking teacher certification should contact the Office of Teacher Certification and Placement and obtain a copy of this brochure at the earliest opportunity. Some academic requirements for the teaching certificate are in addition to those outlined for the degree.

Admission to Teacher Certificate Programs

All students seeking teacher certification must apply for formal admission to a certificate program through the Office of Teacher Certification and Placement. Applications for admission to a certificate program should be submitted when a student has completed at least three courses at The UTSA, and has attained junior standing (60 semester hours), an overall grade point average of 2.5 on all college work attempted, and passing scores on the Pre-Professional Skills Test (PPST). The PPST should be taken after completion of the general education requirements in English and mathematics, preferably during the second semester of the sophomore year. No more than six semester hours of work in professional education (EDP 3003 and EDU 3003) may be taken by a student...
Bachelor of Arts Degree in Early Childhood and Elementary Education

until the Pre-Professional Skills Test (PPST) has been passed and the student has been formally admitted to the UTSA Teacher Certification Program. For more information on the Pre-Professional Skills Test (PPST), including current passing scores, contact the Office of Teacher Certification and Placement at The UTSA.

Education Professional Semester and Student Teaching

Admission to The Education Professional Semester and Student Teaching must be obtained during the semester prior to enrollment. Admission is contingent upon completion of the following requirements:

A. Admission to The UTSA Teacher Certification Program, including submission of passing scores on the Pre-Professional Skill Test (PPST);
B. A 2.5 overall GPA on all college work attempted;
C. At least 90 semester credit hours; students should consult the Director of Student Teaching for specific credit requirements;
D. Completion of C&I 3003 or ECE 4003, EDP 3003, EDU 3003 and 3013;
E. For students seeking a Kindergarten or English as a Second Language Endorsement, at least 6 semester hours of approved coursework in the Endorsement area;
F. The recommendations of three UTSA professors, at least two of whom must be from the Division of Education; one of the three recommendations must be obtained from the student's assigned faculty advisor;
G. Presentation of a negative tuberculosis report from a licensed physician valid at the time of registration for the Professional Semester; and
H. Approval of the Director of Student Teaching.

EXIT TESTING

Effective May 1, 1986, all individuals seeking to be recommended for a Provisional Certificate will be required to achieve a satisfactory level of performance on one or more examinations prescribed by the State Board of Education. Content to be tested and the criteria for mastery will be prescribed for each area by the State Board of Education after recommendations have been made by the Commission on Standards for the Teaching Profession through the Commissioner of Education. For more information, contact the Office of Teacher Certification and Placement at The UTSA.

BACHELOR OF ARTS DEGREE IN EARLY CHILDHOOD AND ELEMENTARY EDUCATION

DIVISION OF SOCIAL AND POLICY SCIENCES

The Division of Social and Policy Sciences offers bachelor of arts degrees in Criminal Justice, Geography, Political Science, and Sociology.

At least 30 credit hours of course work are required to fulfill a social and policy sciences major. The 30 hour total is considered a minimum, and students are encouraged to deepen and broaden their control of their field through careful allocation of some of their elective credit hours.

All social and policy sciences majors require the student to complete at least six semester hours of support work. These courses, which require the advisor's advance approval, should serve to introduce the student to aspects of the social sciences in addition to those entailed in the course work within the student's major discipline.

INTERNERSHIP STUDY

Majors in the Division of Social and Policy Sciences may apply 3 or 6 semester hours of internship study to their baccalaureate program. Internship entails supervised experience usually within selected organizations in the San Antonio area. Placement is arranged by the Internship Coordinator of the Division of Social and Policy Sciences. Supervision and grading of the internship experience is normally done by Division faculty members. Students from majors other than the social sciences are welcome to participate but should consult with their faculty advisors regarding the role of the internship within their own degree programs. Further information can be obtained from the Internship Coordinator.

DIVISIONAL HONORS

The Division of Social and Policy Sciences designates certain of its outstanding students as Honors students and provides the opportunity for advanced study under close faculty supervision.

Selection of students for admission to the Division Honors Program is based on: 1) the student's academic performance, and 2) recommendation by the faculty of the student's major discipline. To be eligible for the program students must have a minimum grade-point average of 3.00 overall at UTSA and a minimum grade-point average of 3.50 in their major at UTSA. The minimum grade-point averages must be maintained for students to receive the approval of the Division Honors Committee and the discipline faculty. Students admitted to the Honors program are expected to enroll in the appropriate Honors Thesis course during the final two semesters in residence. The completed thesis must be approved by the supervising faculty sponsor and another Divisional faculty member. Students interested in this program should contact their faculty advisors for additional information.

BACHELOR OF ARTS DEGREE IN CRIMINAL JUSTICE

RESERVE OFFICER TRAINING CORPS PROGRAM

Air Force R.O.T.C. The University of Texas at San Antonio students may enroll in Aerospace Studies courses that are required for an officer commission in the U.S. Air Force. The Air Force Reserve Officer Training Corps (R.O.T.C.) is open to all qualified students (male and female) on a voluntary basis. The program is available under cooperative arrangements with Southwest Texas State University in San Marcos. All courses for The UTSA students enrolled in the program are held on The University of Texas at San Antonio campus.

Army R.O.T.C. A student enrolling at The University of Texas at San Antonio may pursue courses in Military Science designed to provide the opportunity to develop the knowledge and skills required for a commission as an officer in the U.S. Army. The Reserve Officer Training Corps (R.O.T.C.) is open to all qualified students (male and female) on a voluntary basis at both The University of Texas at San Antonio and The University of Texas Health Science Center. All courses for those enrolled in the program are held on The University of Texas at San Antonio campus.

AIR FORCE RESERVE OFFICER TRAINING CORPS PROGRAM

To obtain a commission as an officer in the U.S. Air Force, a baccalaureate degree in one of the disciplines offered by The University of Texas at San Antonio and completion of either the Four-Year Program or the Two-Year Program in Aerospace Studies is required. Credit for aerospace studies courses may be applied toward a baccalaureate degree only as free electives. With respect to the free electives specified in the degree requirements for each major, there is a maximum number of hours of aerospace studies that may be applied to the free electives allowed.
Credit for aerospace studies courses, when awarded by another accredited college or university, is accepted by The University of Texas at San Antonio as free elective credit within the same limitations as aerospace studies credit earned at The University.

Two routes to an Air Force Commission are available in Air Force ROTC at The University of Texas at San Antonio. Entering students may enroll in the Four-Year Program, and students with at least two academic years remaining in college may apply for the Two-Year Program.

For the Four-Year Program, a formal application is not required for entering students. Registration is accomplished at the same time and the same manner as for other college courses. During the freshman and sophomore years, students enroll in the General Military Course (GMC). They then may compete for entry into the Professional Officer Course (POC), which is outlined below and normally taken during the last two years of college. Membership in the GMC does not confer any military status or commitment upon the cadet. GMC contract cadets must successfully complete a course in English composition.

The Two-Year Program consists of the Professional Officer Course (POC), the last two years of the Four-Year Program. It is designed to provide greater flexibility to meet the needs of students desiring Air Force opportunities. The basic requirement is that students have two academic years remaining at either the undergraduate or graduate level or a combination of both. Since the processing procedure for admission into the Two-Year Program must be completed well in advance of intended enrollment, students interested in the program should apply in the Fall Semester preceding the academic year in which they intend to enter the program. Application should be made in writing or by a personal visit to the Professor of Aerospace Studies. Upon completion of the six-weeks paid summer field training course, students entering the Two-Year Program may petition for credit in Aerospace Studies 1011, 1021, 2011, and 2021.

When applicants are enrolled in the Professional Officer Course, they enlist in the Air Force Reserve which enables them to receive a subsistence allowance.

Participation in a leadership laboratory is required in conjunction with all courses. The laboratory provides the opportunity to acquire leadership skills and experiences that will enhance a cadet's ability to perform as an Air Force Officer.

COURSE DESCRIPTIONS
AEROSPACE STUDIES
(ASC)

1011 General Military Course I
(1-1) 1 hour credit.
This course examines the development and growth of air power from a historical perspective starting before the first powered flights, continuing through World War I, the inter-war years, and World War II. It traces development of the various concepts for employment of air power and focuses upon factors which have prompted research and technological change.

1021 General Military Course II
(1-1) 1 hour credit.
A continuation of 1011, beginning with the development of air power from World War II to the present. Various events and trends in the history of air power are examined, especially where these provide significant examples of the impact of air power on strategic thought. Contemporary defense strategy, concepts, and doctrine are emphasized.

2011 General Military Course III
(1-1) 1 hour credit.
A study of the doctrine, mission and organization of the United States Air Force; United States strategic offensive and defensive forces; their missions and functions; employment of nuclear weapons.
2021 **General Military Course IV**  
(1-1) 1 hour credit.  
Aerospace defense; missile defense; United States general purpose forces, and Aerospace support forces; the mission, resources, and operations of the tactical air forces with special attention to limited war; review of Army, Navy, and Marine general purpose forces.

3013 **The Professional Officer Course I**  
(3-1) 3 hours credit.  
A seminar course which examines management principles, functions, tools and problem solving. Throughout the course, students will learn and practice communication skills necessary as future junior officers in the United States Air Force.

3023 **The Professional Officer Course II**  
(3-1) 3 hours credit.  
A seminar course pertaining to professionalism and leadership as applicable to the junior officer. Includes the meaning of professionalism and professional responsibilities. Includes study and practice in the use of Air Force communicative skills.

4013 **The Professional Officer Course III**  
(3-1) 3 hours credit.  
A study of the military justice system and the role and function of the professional military officer in a democratic society. Includes examination of American defense policy formulation and implementation. Students are provided the opportunity to learn and practice communication skills necessary as future junior officers in the U.S. Air Force.

4023 **The Professional Officer Course IV**  
(3-1) 3 hours credit.  
Continuation of 4013, with an extensive analysis of various dynamics involved in defense policymaking. Examination of various institutional agencies in light of their specific interests in defense policy. Case studies involving weapons acquisition programs, technological innovation, doctrinal imperatives, and political factors.

**ARMY RESERVE OFFICER TRAINING CORPS PROGRAM**

To obtain a commission as an officer in the U.S. Army, students must complete either the **Four-Year Program** or the **Two-Year Program** in Military Science and be a full-time student pursuing a baccalaureate degree in one of the disciplines offered by The University of Texas at San Antonio. Students who complete their Military Science program prior to receiving their baccalaureate degree receive their commissions under the **Early Commissioning Program** and remain in the Army Reserve while completing their degree requirements.

Credit for military science courses may be applied toward a baccalaureate degree only as free electives. With respect to the free electives specified in the degree requirements for each major, there is a maximum number of hours of military science that may be applied to the free electives allowed. Credit for military science courses, when awarded by another accredited college or university, is accepted by The University of Texas at San Antonio as free elective credit within the same limitations as military science credit earned at The University.

The **Four-Year Program** consists of 18 semester hours of military science courses and is offered in two parts: a **Basic Course** and an **Advanced Course**. A formal application is not required for students entering the Four-Year Program. Registration is accomplished at the same time and the same manner as for other university courses. The Basic Course, consisting of 6 semester hours of course work, is normally taken during the freshman and sophomore years. Enrollment in the Basic Course does not confer any military status or commitment upon the student. Students who successfully complete the Basic Course are eligible for entry into the Advanced Course.

The Basic Course requirements may be compressed into one academic year. The Basic Course may be waived without credit for students with prior military service and/or junior ROTC.
Students who desire enrollment in the Advanced Course but have not completed the Basic Course may enroll in MSC 2034 or attend a six-week paid summer camp. The Advanced Course, outlined below in the Two-Year Program, consists of 12 semester hours of course work and is normally taken during the junior and senior years at The University.

The Two-Year Program consists of the Advanced Course, the last two years of the Four-Year Program. Students must have two academic years remaining at either the undergraduate or graduate level (or a combination of both) and satisfy the Basic Course requirements through any of the options listed above in the discussion of the Four-Year Program.

Upon entering the Advanced Course, a student is required to sign a contract which obligates him or her to complete the ROTC program and serve a tour of duty as a commissioned officer in the United States Army or Army Reserve. Students enrolled in the Advanced Course receive a subsistence allowance and are eligible to receive additional pay as an "officer trainee" with a local Reserve or National Guard as a participant in the Simultaneous Membership Program.

Students in the Advanced Course attend a paid six-week summer camp between their junior and senior years.

The Army ROTC program offers competitive scholarships for up to three years to selected students. These scholarships provide for tuition, fees, and a subsistence allowance.

Participation in a leadership laboratory is required in conjunction with all courses. The laboratory provides the opportunity to acquire leadership skills and experiences that will enhance a student's ability to perform as an Army Officer.

Individuals enrolled in all ROTC classes will be required to participate in physical fitness training and to take the Army Physical Readiness Test each semester.

Students enrolled in Army ROTC courses are furnished, free of charge, complete uniforms, texts, and necessary equipment.

The program requirements for the Basic and Advanced Courses are as follows:
