TUITION AND FEE CHANGE

All tuition and fee amounts are subject to change by legislative action or by action of the Board of Regents of The University of Texas System. Changes will be effective upon the date of enactment and will be reflected in fees charged.

METHODS OF PAYMENT

Students are entitled to enter class or laboratory only after payment of their tuition and fees has been arranged using one of the alternatives discussed in this section. Once a payment option has been selected by the student at registration, no change in the payment plan will be allowed during the semester.

Full Payment

Under this option, the student makes full payment of all tuition and fees in advance of the beginning of the semester.

Installment Program

Under the installment option, the student pays one-half of the tuition and eligible fees in advance of the beginning of the semester and one-fourth before the start of the sixth and 11th class weeks. There is a service charge of $16 for this payment option.

A late fee of $10 will be added to the student’s bill if an installment payment is not made by the due date. A student who fails to make full payment before the end of the semester may not receive credit for the work done that semester and will not be allowed to register for future semesters until the delinquent amount is paid.

Not all fees are eligible for payment in installments. The fees for parking, installment, orientation, I.D. card, add/drop, and the property deposit are not eligible for the installment payment program and must be paid in full on the initial billing.

Installment payments may be chosen only during Fall and Spring Semesters. If the student chooses to use the installment option, a promissory note must be completed and on file in the Fiscal Services Office before the registration process can be considered complete.

All financial aid will be applied to total tuition and fees before calculation of the payment plan. Partial installment payments will not be accepted. However, prepayment in full of an installment or of total installments will be accepted any time after registration.

Refunds from the add/drop process will be prorated for remaining installments. Additional fees incurred from the add/drop process will be added to the balance due from registration, and the installment payments will be recalculated.
Accepted Forms of Payment

Payment may be made by credit card or personal check for the exact amount due, provided the bank transit number is encoded on the check in compliance with revised Federal Reserve Bank regulations. Students may not obtain cash by writing a check for a larger amount.

A bad check, whether written by mistake or otherwise, unless it is the admitted error of the bank concerned, is likely to delay actual payment and thus result in a penalty (see Returned Check Fee). If a check used for payment of advance registration is returned and is not cleared before the start of the semester, a late registration fee of $15 will be charged to the student.

Personal checks up to $5 may be cashed in the University Bookstore. Many local merchants will not cash out-of-town checks. It is recommended that students establish checking accounts in local banks before enrolling so that they can easily cash checks in the city.

PAYMENT AND REFUND POLICIES

All policies regarding the payment or refunding of tuition, fees, and charges are approved by the Board of Regents of The University of Texas System and comply with applicable state statutes. If a person desires clarification of any matter relating to payment or refund of such charges, he or she should contact the office or administrative unit from which the charge or refund originated.

Residence Regulations

Students’ status as residents or nonresidents will be made in accordance with Title 3 of the Texas Education Code. Questions regarding residence regulations or residence status should be directed to the Office of Admissions and Registrar.

A student entering or reentering UTSA may be required to file a residence questionnaire. Once residence is established, no change can be made in residence classification without the express authorization of the Registrar.

Refund Policy for Withdrawal or Dropped Courses

Withdrawing from UTSA

*Withdrawing* is the formal discontinuance of a student’s enrollment at UTSA and involves the student’s dropping *all* classes. Depending on the time of withdrawal, a student may be entitled to a refund of some part of the tuition and certain fees. The forms and exit survey needed for withdrawing from UTSA may be obtained in the Office of Admissions and Registrar.

The following table presents the descending scale of refund amounts for students withdrawing from UTSA. Students who wish to withdraw from a Summer Session must withdraw from all courses for which they are registered in both terms of the session.
UTSA will refund tuition and fees paid by a sponsor, donor, or scholarship to the source rather than directly to the student who has withdrawn if the funds were made available through the institution.

**Dropping Courses**

*Dropping* refers to the removal of one or more individual courses from a student's schedule while that student remains enrolled in at least one course. Refunds of applicable tuition and fees will be made for courses which a student drops on or before the Census Date, provided the student remains enrolled for that semester or term. No refund will be given for individual classes dropped after the Census Date.

Refunds for courses dropped by a student who withdraws from UTSA later in the semester or term will be calculated according to the percentage schedules in the refund policy above. Refund of tuition for dropped courses will be made only if the original payment exceeds the established minimum amount.

UTSA 1998–99 Undergraduate Catalog
Summer terms are considered as one session for refund and drop purposes. If courses are to be dropped in either summer term, please refer to Census Dates for refund purposes.

No refunds are made until 15 days have elapsed from the Census Date. Refund checks are mailed to the address indicated when the student withdraws from the University. Students entitled to refunds should allow 10 working days after the 15-day clearing period for receipt of the refund.

Concurrent Tuition

Students who register concurrently at more than one public institution of higher education in Texas may receive the benefits of a lower tuition rate. If, at the time of registration, a student can produce evidence of having already paid his or her tuition at another public institution of higher education in Texas, the student should present such evidence at the Fee Assessment Station during registration.

Exemption from Tuition and Fees

The statutes of the state of Texas prescribe certain cases in which students can be exempted from tuition and/or certain fees. The various types of exemptions and the fees to which such exemptions apply are described below; however, in each case it is the student's responsibility to initiate the action of applying for an exemption through the Registrar's Office and providing satisfactory evidence that all conditions required for the exemption have been met. Until such time as the exemption is granted, a student will be required to pay all tuition and fees from his or her own funds.

Students who might be eligible for an exemption should apply for the exemption at the Registrar's Office at least one month before registration for the term in which they plan to utilize the exemption provision. (Applications for the Good Neighbor Scholarship are accepted in the Office of Student Financial Aid in January and February before the academic year in which students plan to attend UTSA.)

**Title IV Program Refund**

As an institution participating in programs under Title IV of the Higher Education Act of 1965 as amended, The University of Texas at San Antonio is required to refund unearned tuition, fees, room and board, and other charges to certain students attending the institution for the first time who have received a grant, loan, or work assistance under Title IV of the act or whose parents have received a loan on their behalf under 20 U.S.C. § 1087-2. The refund is required if the student does not register for, withdraws from, or otherwise fails to complete the period of enrollment for which the financial assistance was intended. No refund is required if the student withdraws after a point in time that is 60 percent of the period of enrollment for which the charges were assessed. A student who withdraws before that time is entitled to a refund of tuition, fees, room and board, and other charges that is the larger of the amount provided for in § 54.006, Texas Education Code, or a pro rata refund calculated pursuant to § 484B of the act, reduced by the amount of any unpaid charges and a reasonable administrative fee not to exceed $25. UTSA will use the pro rata method for determining refunds of tuition and fees, as in the following example:

Nonpayment of Debts

Students who fail to pay full tuition and fees, including late fees, on the due date are subject to one or more of the following actions at the University's option:

1. denial of readmission, including further registration
2. withholding of official transcripts
3. withholding a degree to which the student would otherwise be entitled
4. withholding of grades
5. all penalties and actions authorized by law.

When a student has any of the above actions against his or her record, it is the student’s responsibility to clear any obligations with UTSA and see that the Registrar’s Office is notified. No further services of the University will be provided until all obligations are cleared.

A student who pays tuition and fees with a check that is not subsequently honored by a bank and the fault is not that of the bank, and who does not make payment within 15 days, will be withdrawn from the University by the Registrar for nonpayment of tuition and fees.

PROCEDURAL FEES

Add/Drop Fee

A $5 fee will be charged for each add or drop transaction processed during the add/drop period (beginning the first class day and ending on the Census Date). The fee will not be charged during the priority registration period and the alternate registration period or for transactions initiated by UTSA. This fee is nonrefundable.

Application Fee

UTSA charges a nonrefundable application fee of $25 for all students applying for admission or readmission to the University. The fee is also charged upon reapplication for admission following academic dismissal.

Auditing Fee

All auditors of courses must submit for approval a Request for Audit form to the Registrar. Students registered at UTSA may, with the approval of the instructor and Dean of the college in which the course is offered, audit courses by paying an auditing fee of $25 per course. The audit fee is not refundable.

Upon approval of a Request for Audit form, a nonstudent auditor must pay an auditing fee of $50 per course. The fee is nonrefundable. Nonstudents over 65 are permitted to audit without paying a fee, provided space is available and a Request for Audit form is approved. Nonstudent auditors who wish to have library privileges may receive them by filling out a Friends of the UTSA Library application at the circulation desk in the UTSA Library, John Peace Library Building, second floor, and by paying a
nonrefundable fee. There are limits on the services offered to Friends of the UTSA Library cardholders; further details are available from the circulation desk.

Permission to audit may be obtained and fees paid beginning the first day of class through the Census Date.

All auditors of courses must register their vehicles and obtain parking permits from the University Police Traffic Office.

Credit by Examination Fee

A fee of $20 per examination is required of students who challenge UTSA undergraduate courses. Procedures for challenging courses by examination are in chapter 5 (General Academic Regulations) of this catalog.

Degree Application Fee

A $30 application fee is required of candidates for a degree. Application for a degree must be made at the Office of Admissions and Registrar and the fee paid according to the specific dates listed in chapter 6 (Bachelor’s Degree Regulations). This fee is nonrefundable and must be paid each time an application for degree is filed. The degree application fee does not cover cap and gown rental or purchase.

Duplicate Diploma Fee

A $15 fee will be charged for each request for a duplicate diploma.

International Student Application Fee

An initial nonrefundable international student application fee of $100 is required of all prospective international students applying for admission to the University. If no additional evaluation of international coursework is required, international students applying for readmission are required to pay only the $25 nonrefundable application fee.

Late Registration Fee

A late registration fee of $5 is charged for the first day of late registration, and an additional $2.50 per day is assessed thereafter. The maximum late registration fee for any one term is $15. This fee may be waived only in extenuating circumstances by the President or his delegate. The late registration fee is not refundable.

SEMESTER FEES

Mandatory Semester Fees

First Semester Only

Students are assessed the following onetime charges in their first semester at UTSA.
**General Property Deposit.** Every student must make a general property deposit of $10 at the time of initial registration to protect the University from losses such as property loss, damage, or breakage; violation of rules in any University library or laboratory; failure to return keys furnished by the University; or damage to or loss of any other University property.

The deposit is refunded upon request, less outstanding charges, only when the student officially withdraws from school or graduates. When the property deposit refund is requested, the student has the option to elect that the property deposit be used to pay his or her first year's dues in the UTSA Alumni Association. The form for requesting a refund or that the deposit to be used for association dues is available at the Bursar's Office.

A general property deposit that remains without call for refund for a period of four years from the date of last attendance at UTSA shall be forfeited, and the deposit shall become operative to the permanent use and purpose of student scholarships.

**International Student Program Fee.** A $45 fee is assessed new international students for programs in the Office of Minority Affairs.

**Orientation Fee.** An orientation fee of $55 is assessed all new freshmen and transfer students when they are admitted to UTSA. Orientation programs provide information about UTSA's academic requirements, campus services, and student activities. Almost all of the programs also include academic advising and registration. Students must preregister for these programs. Further information is available from the Office of New Student Programs.

**Every Semester**

Certain services and benefits are provided every semester by UTSA to all students. These are supported by tuition and the following fees: student services, University Center, automated services and computer access, library resources, Recreation Center, university publication, international education, and medical services. All students are assessed these fees each semester. Refer to the Tuition and Mandatory Fees tables on pp. 67-68 for semester totals.

**Tuition.** Pursuant to Subchapter B, Chapter 54, Texas Education Code, each student who registers at UTSA is required to pay tuition according to the number of semester credit hours for which registration is completed and according to his or her residence classification (see Tuition and Mandatory Fees).

**Student Services Fee.** A compulsory student services fee is charged to all students enrolled at UTSA. This fee provides services and activities that are separate and apart from the regularly scheduled academic functions of the University and directly involve or benefit students. These services and activities include recreational activities, intramural and intercollegiate athletics, artists and lecture series, cultural entertainment series, student government, and any other student activities and services specifically authorized and approved by the Board of Regents. Students are assessed this fee based on the number of semester credit hours they register for (see Tuition and Mandatory Fees).

PENALTY FEES

Late Payment Fee

A late fee of $10 is added to a student’s bill when an installment payment is not paid by the due date.

Library Fines for Overdue Materials and Lost or Damaged Items

Fines are charged for overdue library materials and library items that are lost or damaged. UTSA Library regulations on borrowing and fines are available at the circulation desk.

Parking Fines

Unpaid parking fines place a financial hold on student records and will interfere in the registration or transcript release processes.

Property Damage Charges

Property damage charges are assessed to students for property loss, damage, or breakage; violation of rules in any University library or laboratory; failure to return keys issued by the University; or damage to or loss of any other UTSA property. Charges are billed directly to the student or are collected by the department upon reissue of supplies or property. Failure to pay the charges promptly results in denial of the student’s readmission or reenrollment and in the University’s refusal to issue the student’s transcript.

Returned Check Fee

A charge of $15 is assessed for each returned check to offset the cost of handling. The University will not accept a check from a student who wittingly or unwittingly has previously written two bad checks.
