REGISTRATION PROCEDURES

Registration for Classes

Before registration, new freshmen and transfer students with fewer than 30 semester credit hours of college coursework are required to obtain advisement at the Tomás Rivera Center for Student Success. Students who attend classes at UTSA must be officially registered or approved as auditors. Registration instructions are included in the Schedule of Classes issued each semester. Questions regarding registration should be directed to the Office of Admissions and Registrar.

UTSA does not guarantee the availability of particular courses or sections, and admission to classes is permitted only until the maximum number of students allowable in any section has been reached. UTSA reserves the right to cancel any course or section in which the number of registrants does not warrant its continuation.

Texas Academic Skills Program (TASP) Examination

The TASP is designed to determine whether students possess the basic skills in reading, writing, and mathematics necessary for university courses. In accordance with Texas Education Code, Section 51.306, all students in the following categories who enter public institutions of higher education and have not earned at least 3 college-level semester credit hours before Fall 1989 must take the TASP prior to enrollment, unless exempt: all full-time and part-time freshmen enrolled in a degree program; and any other student, including transfers from private or out-of-state institutions. The TASP fee is paid by the student. The law exempts the following categories of students:

- those who have earned at least 3 college-level semester credit hours or the equivalent before Fall 1989
- those who have a composite score on the TAAS, ACT, or SAT at or above the level set by the Texas Higher Education Coordinating Board:

- visually-impaired and hearing-impaired students who have earned at least 3 college-level credits before September 1995
- students who enroll on a temporary basis and are also enrolled in a private or independent institution of higher education or an out-of-state institution of higher education when the appropriate documentation is submitted
- those who have earned a bachelor’s or higher degree and enroll on a temporary basis
- students age 55 years or more who are not seeking a degree and request an exemption
- students with documented cases of dyslexia or other related disorders or a specific learning disability in mathematics who have completed the requirements as mandated by the Texas Higher Education Coordinating Board.

Students with 3 or more semester credit hours or the equivalent awarded before the Fall 1989 semester are exempt from the Texas Academic Skills Program regardless of any election pursuant to the Academic Fresh Start statute, Section 51.931, Texas Education Code.

A student whose performance on the TASP is below the standard set by the Texas Higher Education Coordinating Board for a tested skill area must participate in an advising and developmental education program and, unless exempted pursuant to law or regulation, may not enroll in upper-division courses, completion of which would give the student 60 or more semester credit hours, until the student meets or exceeds the minimum standards set in all test sections.

All sections of the TASP must be passed before completion of and award of a degree. Any student seeking a teaching certificate must pass the TASP. For further information on requirements for teachers, students should contact the Office of Teacher Advising, Certification, and Placement.

Freshmen and transfer students who have not sent TASP results to the Office of Admissions and Registrar before the application deadline have a registration hold that prevents them from registering until they have taken the TASP. It is essential that students respond early to this requirement in order to obtain the best possible schedule.

*For exemption purposes, a TAAS score is valid for three years and a SAT or ACT score is valid for five years. Tests may be retaken, but the exempted scores must be achieved in a single administration of the ACT or SAT or the first attempt of the TAAS.

UTSA 1999–2000 Undergraduate Catalog
Additional TASP information, including the rules adopted by the Texas Higher Education Coordinating Board, and information about special provisions relating to certain disabilities are available in the Tomás Rivera Center for Student Success. Information on TASP examination dates is available from the Testing Center and the Tomás Rivera Center for Student Success.

Late Registration

Late registration permits students who have been admitted to UTSA to register for classes during an allotted time indicated in the Schedule of Classes, which is issued each semester. Instructions for late registration are available at the Office of Admissions and Registrar. Students are not permitted to register after the close of the late registration period.

Students who register late are charged an additional $5 the first day of late registration and an additional $2.50 a day thereafter, to a maximum of $15 for any one term. This fee is nonrefundable.

Students who register late are responsible for completing work missed while the courses were in session before they registered. In addition, since many courses will have been closed at capacity, late registrants may need to select their courses from a reduced schedule.

Adding Courses

Students who are registered for courses may add courses to their schedules for a limited time at the beginning of the semester. In Fall or Spring Semesters, courses may be added during the first week of classes. In summer terms, classes may be added during the first two days of the term. Adding a course after the add period requires the approval of the course instructor and the Director of the division offering the course.

After the Census Date in any semester, students may not add courses except in extremely rare and extenuating circumstances as approved by the Dean. The Census Date for Fall or Spring Semesters is the 12th class day; for summer terms, the fourth class day. The University Calendar in the Schedule of Classes, issued each semester, indicates the deadline dates for adding courses.

There is a processing fee for adding courses. The fee is only charged from the first through the 12th class days in Fall or Spring Semesters and from the first through the fourth class days in summer terms. See the Schedule of Classes for information on the fee amount and the procedure for adding courses.

Undergraduates seeking to register for or to add a graduate course in any of these time periods must obtain the special approvals specified in the section Enrollment in Graduate Courses in chapter 6 (Bachelor's Degree Regulations) of this catalog.

Dropping Courses

Students may drop courses from their schedules for a limited time each semester. The University Calendar in the Schedule of Classes, issued each semester, indicates the deadlines for students to drop courses each term.
Courses officially dropped before the Census Date do not appear on a student’s transcript. The Census Date for Fall or Spring Semesters is the 12th class day; for summer terms, the fourth class day. There is a processing fee for dropping courses from the first day of classes through the Census Date.

Students who drop courses between the Census Date and the Automatic “W” Date have a record of the courses on their transcripts with an automatic grade of “W.” The Automatic “W” Date is the last day of the ninth week of the Fall or Spring Semesters, or of the third week of a five-week summer term, or of the sixth week of a 10-week summer term. The change becomes official after it is processed by the Office of Admissions and Registrar. Students dropping courses after the Census Date are not charged the processing fee. Students may not elect to drop an individual course after the Automatic “W” Date. Students withdrawing from the University should refer to Withdrawal from the University in this chapter.

Administrative Drops

Administrative drops are not student options. Instructors may drop a student for nonattendance during the regular drop period (through the first nine weeks of Fall or Spring Semesters, the first three weeks of a five-week summer term, or the first six weeks of a 10-week summer term). The student will receive a grade of “W.”

After the official drop period, an instructor may recommend to the Dean that a student be dropped from class when the instructor can show that unusual circumstances exist to warrant such action. If the Dean grants the drop, the student receives a grade of “W” (if passing at the time of the drop) or a grade of “F” (if failing at the time of the drop).

Auditing Courses

UTSA students and nonstudents who wish to audit a course may do so with the approval of the instructor and the Director of the division in which the course is offered, provided there is a space in the classroom after all registered students have been accommodated. A course must achieve its minimum size without auditors.

Auditing entitles a student to listen and observe. Participation of an auditor in class is at the discretion of the instructor. No UTSA credit is granted for courses that are audited; no official record is made of enrollment in classes on an audit basis. Due to the format of studio/laboratory use, auditors are not approved for art courses. Students not enrolled in courses at the University are not allowed to audit courses that require the use of the University computing system.

All auditors must submit a Request to Audit form to the Enrollment Services Center. A UTSA student pays an auditing fee of $25 a course; auditors who are not registered UTSA students must pay an auditing fee of $50 a course. People over 65 years of age are permitted to audit without paying an auditing fee if space is available.

Permission to audit must be obtained and fees paid beginning the first day of class through the Census Date. Students who register for a course and later want to change the course to an audit must officially drop that course before submitting a Request to Audit form.
Nonstudent auditors who want library privileges may receive them by filling out a Friends of the UTSA Library application at the circulation desk in the UTSA Library and paying a nonrefundable fee. There are limits on the services offered to the Friends of the UTSA Library cardholders; further details are available from the circulation desk. Nonstudent auditors who want UTSA parking privileges should go to the University Police Traffic Office with their validated Request to Audit form.

Cancellation of Enrollment

Students who fail to fulfill admission, registration, or financial requirements or who otherwise fail to adhere to academic regulations may have their enrollment for the term canceled. Students may apply for readmission to a subsequent term provided they have resolved the cause of cancellation.

Withdrawal from the University

Students who find it necessary to withdraw from UTSA (drop all courses for which they are enrolled during a specific term) must complete a Withdrawal form in the Office of Admissions and Registrar.

Students may not withdraw from UTSA later than the first day of the week preceding final examinations. Students who officially withdraw from UTSA during the regular drop period (through the first nine weeks of Fall or Spring Semesters, the first three weeks of a five-week summer term, or the first six weeks of a 10-week summer term) receive a grade of “W” in all classes. Students who officially withdraw after the regular drop period receive a grade of “W” for each class they are passing at the time of withdrawal and a grade of “F” for each class they are not passing.

Students who withdraw from all classes are subject to UTSA’s academic probation and dismissal regulations. Students withdrawing should refer to the regulations on refunds of tuition and fees, readmission policies, and requirements for maintaining registration. Students withdrawing from the University, regardless of the date, are not charged the add/drop processing fee.

UTSA 1999–2000 Undergraduate Catalog
Definition of Full-Time Undergraduate

A full-time undergraduate student is one enrolled in 12 or more semester credit hours during a Fall or Spring Semester, or an entire Summer Semester.

Verification of Enrollment

Currently enrolled students with outstanding student loans should have a verification of enrollment sent to their lending agencies each semester. Currently enrolled students who are receiving grants or scholarships should check to see if their providers require a verification of enrollment each semester.

Students should make requests for verification in writing to the Enrollment Services Center. All verifications are prepared and mailed after the Census Date (the 12th class day of Fall or Spring Semesters and the fourth class day of a summer term).

Transcripts

Official transcripts of all coursework taken at UTSA are available in the Office of Admissions and Registrar. Requests for transcripts must be made in writing and bear the signature of the student whose record is requested. A fee is charged for each copy of the transcript and must be paid in advance.

Transcripts from other institutions submitted to UTSA become the property of the University and are not reproduced or mailed to other institutions, agencies, or individuals as an official transcript.

Documents submitted by students whose last attendance at UTSA was before Summer 1993 are no longer available for duplication.

Official transcripts are not issued for students who have a financial obligation or other commitment outstanding to the University until the obligation is cleared.

Release of Academic Records

All official certifications with regard to the academic performance or status of a student or former student of UTSA are made by the Office of Admissions and Registrar.

UTSA transcripts and other information from a student’s academic records are released by the Office of Admissions and Registrar only upon written request from the student or other person authorized by law under the Family Educational Rights and Privacy Act of 1974 and when payment of the appropriate fee is made. Exceptions may be made in response to a subpoena or court order, under other circumstances as allowed under the Family Educational Rights and Privacy Act of 1974, or as provided in the policy on releasing directory information set forth in chapter 2 (About UTSA) of this catalog.

Change of Major, Degree, or Classification

Students who wish to change their majors, degree objectives, or classifications must obtain the required forms at the Office of Admissions and Registrar. The change is
not official until the form has been completed and filed with the Enrollment Services Center and the student is admitted to the new degree program, certification program, or classification. Classification changes ("special undergraduate" to "degree-seeking") requested during any semester, if approved, will be effective immediately up to the automatic grade of "W" withdrawal date.

The College of Business has specific requirements for admission. Students seeking to enter the College of Business should consult the College of Business Undergraduate Advising Office.

**Change of Name**

A student's name on official records at UTSA is the name under which the student applied for admission, unless a Change of Name form has been processed through the Office of Admissions and Registrar. The official University transcript will carry the current name and the most immediate previous name, if any. Change of Name forms should be supported by appropriate legal documentation, except that upon marriage the student may declare the newly taken name.

**Change of Address**

Currently enrolled students who have changed their addresses must notify the Enrollment Services Center on the appropriate form. Official notification of change of address is necessary for proper identification of students' records and for accurate mailing of correspondence, grade reports, transcripts, registration instructions, and information pertaining to graduation requirements. Students who have a degree application on file in the Office of Admissions and Registrar should specify if the address change also affects the address to which the diploma is to be mailed.

**COURSES**

**Course Numbering System**

All courses are designated by four-digit numbers following a two- or three-letter abbreviation of the subject the course is in. The first digit indicates the level of the course. Courses beginning with "0" are developmental education courses and may not be counted toward a degree. Courses beginning with "1" or "2" are lower-division (freshman and sophomore level). Courses beginning with "3" or "4" are upper-division (junior and senior level). Courses beginning with a "5" or higher are graduate-level courses.

The second and third digits in the course numbers are used within the colleges by each division to distinguish individual courses. The fourth digit indicates the semester-credit-hour value of each course.

The number of lecture and laboratory contact hours per week are provided in parentheses in the course description sections immediately following the course number and title. For example, (3-0) indicates three hours of lecture and zero hours of laboratory per week.
Common Course Numbering

UTSA is a participant in the Texas Common Course Numbering (TCCN) System. This system aids in the transfer of lower-division academic courses among colleges and universities in Texas. Common courses are identified by a common TCCN designation composed of a discipline identifier and a course number. Equivalent TCCN designations are listed with all relevant UTSA courses in the course description sections of this catalog.

Developmental Education Courses

Students who have not been exempted from the Texas Academic Skills Program (TASP) test and who have not passed all parts of the test must be enrolled in at least one developmental education course (or an approved alternate developmental activity) each semester or summer term of enrollment until they pass all parts of the test. Developmental education courses cannot be used as degree credit. All developmental education courses are graded on a credit/no-credit basis and will not be included in the student's grade-point average. Students may not drop a developmental education course. Class attendance in these courses is mandatory.

Prerequisites

Prerequisites are stated for many courses listed in this catalog. Prerequisites advise students of the background expected of all students in the course. It is the student's responsibility to be sure that all prerequisites are met before enrolling in any course. When a student has not met the specific prerequisites listed, he or she may, under special conditions, obtain permission from the instructor of the course to register.

Extended Education Courses

The Office of Extended Education develops and presents seminars, short courses, conferences, and programs for the general public, professionals, governmental agencies, and businesses. It also provides specialized training to businesses, government agencies, and nonprofit organizations needing customized programs for their employees. These courses are not offered for academic credit. For information, contact the Office of the Vice President for Extended Education.

Correspondence Courses

UTSA does not offer correspondence courses at this time. For UTSA policies on transfer and credit limitations on such courses, see the Transfer of Credit and Minimum UTSA Residence Requirements sections in chapter 6 (Bachelor’s Degree Regulations) of this catalog.

GRADERS

Explanation of Credit, Grading System, and Symbols

Hours Attempted. The number of hours attempted is the total number of semester credit hours for which a student has enrolled and received grades of "A," "B," "C," "D," or "F," except as provided for repeated courses.
**Hours Earned.** The hours earned by a student are the number of semester credit hours in which grades of "A," "B," "C," "D," or "CR" have been received.

**Grade-Point Average.** The UTSA grade-point average (GPA) is determined by dividing the number of grade points earned at UTSA by the number of semester credit hours attempted at UTSA. Credits and grades for work completed at other institutions or credits earned by examination are not included in the UTSA grade-point average.

The following table explains UTSA grade symbols.

UTSA 1999–2000 Undergraduate Catalog
Incomplete. The grade “IN” is given by an instructor to indicate that some part of the work of a student in a course has, for good reason, not been completed, while the rest of the student’s work in the course was satisfactorily completed. The Incomplete allows a student to complete the course without repeating it. Incomplete may not be assigned when a definite grade can be given for the work done. The student must have been in attendance at least three-fourths of the term.

Whenever a grade of Incomplete is assigned, the instructor is required to file a Requirements for Removal of Incomplete report with the Office of Admissions and Registrar.

Incomplete work must be made up no later than the end of the final examination period one year from the semester the Incomplete was received and before the student’s graduation. If the work is not completed within this time, the “IN” is automatically changed to a grade of “F” or “NC.”

**IN NO CIRCUMSTANCES WILL GRADES BE CHANGED AFTER ONE CALENDAR YEAR.**

**Repeating Courses**

The policy for repeating courses, as stated below, only applies to courses completed and repeated at UTSA.

Certain courses in the catalog state in their course description that they “may be repeated for credit.” These are the only courses where repeating is not a duplication. All semester credit hours and grade points from every instance of taking these courses count in the student’s record.

To improve their grade, students may only repeat a course in which they received a grade of “D” or “F.” However, credit can be counted for only one of the courses. The highest grade earned is used in calculating the student’s overall grade-point average. Receipt of a higher grade in a subsequent semester does not alter the student’s academic standing in the semester when the original grades were earned. Students may repeat any course in which they received a grade of “NC” in order to improve their grade; however, this does not alter the student’s overall grade-point average.

If a student reenrolls in a course in which a “D” was received and earns a higher grade, the semester credit hours from the original “D” are excluded from the student’s grade-point average. However, if the student earns another “D” or a lower grade, then the repeated course grade is not used in computing the grade-point average, and the course is marked as “Duplication” on the student’s official record.

If a student reenrolls in a course in which an “F” has been received and earns a higher grade, the semester credit hours from the original “F” are excluded from the student’s grade-point average. However, if the student earns another “F,” the repeated course grade is not used in computing the grade-point average, and the course is marked as “Duplication” on the student’s official record.

**Credit by Examination**

A student at UTSA may, through satisfactory performance on an examination, show a knowledge of the content of an undergraduate course and be awarded credit by
examination for that course. Credit by examination may be used to satisfy Core
Curriculum and specific degree requirements.

Credit earned in this way does not satisfy minimum UTSA residence requirements
(except for credits earned by challenging UTSA courses; see section on challenging
courses). Credit by examination is not included in the calculation of the student's
UTSA grade-point average. The symbol “CR” (Credit) is awarded for all credit earned
by examination. Unsuccessful attempts to earn credit by examination do not become
part of the student’s official academic record.

Credit by examination cannot duplicate or repeat credit already earned for college or
university courses. Students may not receive credit for a course for which credit by
examination has already been awarded. It is not necessary to be a UTSA student to
take credit by examination; however, credit is not awarded until the individual is
registered at UTSA.

A brochure on credit by examination at UTSA is available from the Testing Center. It
describes the various tests that may be accepted for credit at the University, the types
of tests available, when and where they are given, their costs, procedures for having
test scores submitted for consideration for credit, the amount of credit that may be
earned, and how to obtain additional information on each test.

**Challenging a UTSA Course**

Students enrolled at UTSA may “challenge,” or request an examination in, any UTSA
undergraduate course for which they have not already received credit. Not all courses,
however, consist of materials in which comprehension can be evaluated by means of
examination. The option of whether or not to grant the request rests with the instructor
of the course and may be further limited by policies set by the college.

Credits earned by challenging UTSA undergraduate courses by examination apply to
degree requirements as though the courses had been completed in the normal manner,
except that since a grade of “CR” is awarded such courses are not included in the
UTSA grade-point average. These credits are also counted toward the minimum UTSA
residence requirements. Students may challenge the same UTSA course only once.

To challenge a UTSA undergraduate course, the student must enroll in the course
and request the challenge examination from the instructor. A Request for Challenge
Examination form must be filed with the Office of Admissions and Registrar and the
test must be administered within the first three weeks of a Fall or Spring Semester or
the first week of a summer term. A charge of $20 is made for each course challenged.

If the student’s performance on the examination is at the grade level of “C” or higher,
a grade of “CR” (Credit) is submitted at the end of the term by the instructor on the
grade report for the course along with a credit by examination notation. Unsuccessful
attempts to earn credit by challenge examination do not become part of the student’s
official academic record.

Students who fail the challenge examination must either drop the course or complete
the course on a regular basis following the evaluation of the examination for the
course challenged. Requesting credit by examination puts the class on a credit/no-
credit grading option for the student. Therefore, if a student elects to complete the
Students admitted under the Provisional Admission Program may request to challenge courses by examination in those disciplines to which their enrollment is restricted. However, credit earned by examination does not fulfill the minimum of 12 college-level semester credit hours that must be successfully completed under the Provisional Admission Program.

Credit/No-Credit Option

The credit/no-credit grading option is provided to encourage undergraduate students to expand their knowledge of fields outside their major areas of interest. The following guidelines apply:

1. A maximum of four courses may be attempted on a credit/no-credit basis.
2. Credit/no-credit courses appear on the permanent record as a grade of “CR” if the student’s grade is an “A,” “B,” or “C,” or as a grade of “NC” if the student’s grade is “D” or “F.” Neither grade will affect the student’s grade-point average at UTSA. The credit/no-credit grade cannot be changed to a regular grade once the credit has been awarded.
3. Students must choose to take the course on a credit/no-credit basis at registration and must complete a Credit/No-Credit Option Request form. After the time limits for adding courses have passed, students will not be allowed to request the credit/no-credit option or remove the option and take the course on a regular basis.
4. Only free electives may be taken on a credit/no-credit basis. Courses to be applied to the Core Curriculum or to major or support work must be taken on a regular basis.
5. Transfer students who transfer to UTSA for their last 30 semester credit hours may not count credit/no-credit courses toward their 30-hour minimum UTSA residency requirement.
6. The Office of Admissions and Registrar requires students to affirm by signature that they understand the credit/no-credit policies and agree to abide by them.

Note: Some graduate schools place students who have taken courses on a credit/no-credit basis at a disadvantage in computing grade-point averages for admission.

Mandatory Credit/No-Credit Courses. Some academic divisions will require certain courses to be graded on a mandatory credit/no-credit basis. Enrollment in any of these courses does not count toward a student’s credit/no-credit limit of four free electives. Courses offered on a mandatory credit/no-credit basis are so designated in this catalog.

Administrative Procedures

Reporting of Grades by Faculty

Grades are reported by course instructors every term and are due in the Office of Admissions and Registrar 48 hours after the final examination. Final grades cannot be withheld nor can reporting of them be deferred. Absence from a final examination should be reported as “EP” if a postponed examination has been authorized in accordance with Postponement of Final Examination Procedures set forth in this catalog.
Grade Reports

The Office of Admissions and Registrar mails final grades as soon as they are compiled after the close of each semester and each summer term. The grade report reflects the grade that appears on the instructor’s final grade sheet; subsequent changes are not included. Grades are mailed to the address on file in the Office of Admissions and Registrar. Only one grade report is mailed; additional copies are not available. Grade reports may be withheld from any student who owes tuition and fees to the University.

Change of Grades

Grade changes from “IN” (Incomplete) to a letter grade must be made no later than the end of the final exam period, one year from the semester the Incomplete was received, and before the student’s graduation. The instructor must complete a Removal of Incomplete form and file it with the Office of Admissions and Registrar within that time.

Grade changes from “EP” (Postponement of Final Examination) to a letter grade should be made within 30 days after the student has taken the authorized postponed final examination. The instructor may change the “EP” to a letter grade by completing a Change of Grade form and filing it with the Office of Admissions and Registrar. If a postponed final examination is not taken before the end of the next long semester (fall or spring) following the one for which it was approved, the grade in the course will be changed to an “F.”

Any other change of grade must be initiated by the instructor on the required form available in the Office of Admissions and Registrar and the Offices of the Deans. All requests for a change of grade should be accompanied by a statement explaining the requested change. It is the policy to change a grade (other than Incomplete) only in the case of error. Additional work performed by a student may not be used to raise a grade that has been reported to the Office of Admissions and Registrar. Requests for change of grade require the approval of the Dean and Director of the Division in which the course is offered before the Registrar will make the change in the student’s record.

IN NO CIRCUMSTANCES WILL GRADES BE CHANGED AFTER ONE CALENDAR YEAR.

Class Participation Policy

Students are expected to regularly attend and participate in all meetings of courses for which they are registered. The instructor is responsible for communicating the participation requirements for each course to students. Subject to UTSA policies on class absences related to observance of the religious holy days, the instructor determines classroom participation requirements and policies on making up work missed during an absence.

Students who expect to be absent from class for observance of a holy day must notify the instructor of the course(s) no later than the 15th day of classes. The notification must be in writing and must be delivered by the student either personally to the instructor of each class, or by certified mail, return receipt requested, addressed to the instructor of each class. A religious holy day is a day observed by a religion whose places of worship are exempt from property taxation under §§ 11, 20, Tax
Code. Instructors shall allow a student who is absent from classes for the observance of a religious holy day to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence.

When, in the judgment of the instructor, a student has been absent excessively, the instructor should report the absences to the Dean of the college in which the course is offered and recommend dropping the student from the course with a grade of "W" or "F." If the Dean approves the recommendation, it is reported to the Office of Admissions and Registrar, which advises the instructor and student of the action taken.

Students who enroll for a course and do not attend are considered absent from class until they officially drop the course and will receive a grade of "F."

Grade Grievance Procedure

In resolving any student grievance regarding grades or evaluations, the student must first make a serious effort to resolve the matter with the faculty member with whom the grievance originated. Individual faculty members retain primary responsibility for assigning grades and evaluations. The faculty member's judgment is final unless compelling evidence shows discrimination, differential treatment, or factual mistake. If evidence warrants appeal, the normal academic channels are: Division Director, Associate Dean, Dean, and Provost and Vice President for Academic Affairs.

Grade appeals to the Division Director must be submitted in writing on the Student Academic Grievance for Appeal of a Grade form, available in the offices of Division Directors.

IN NO CIRCUMSTANCES WILL GRADES BE CHANGED AFTER ONE CALENDAR YEAR.

Postponement of Final Examination Procedures

Students who are compelled to be absent from a final examination because of illness or other imperative reason should petition their academic Dean for permission to postpone the examination. This request requires prior approval by the instructor and should be made to the Dean as soon as it is known the student will be compelled to be absent.

The instructor records the symbol "EP" on the final grade report for a student who has been permitted to postpone an examination.

The examination should be given as soon as possible, preferably during the same examination period, but not later than 30 days after the original examination period. If for good reason the student cannot take the examination within the 30-day period, the examination may be scheduled at any time convenient to the instructor, except that in no case will it be given later than the Fall or Spring Semester following the one for which the postponement was approved. If a postponed examination is not taken before the end of the next Fall or Spring Semester, the grade in the course is changed to "F."
Honor Roll and Dean’s List

**Full-Time Student Honor Roll.** Undergraduate students who achieve scholastic distinction in a semester, as evidenced by a grade-point average of 3.5 or higher in at least 12 semester credit hours, excluding grades of “CR,” and who receive no grades of “D,” “F,” “EP,” “IN,” or “NC.”

**Part-Time Student Honor Roll.** Undergraduate students who enroll in 6 to 11 semester credit hours and maintain a grade-point average of 3.5 or higher, excluding grades of “CR,” and who receive no grades of “D,” “F,” “EP,” “IN,” or “NC.”

**Full-Time Student Dean’s List.** Undergraduate students who complete at least 12 semester credit hours and who achieve a grade-point average of 3.75 or higher for a semester.

**Part-Time Student Dean’s List.** Undergraduate students who complete 6 to 11 semester credit hours and who achieve a grade-point average of 3.75 or higher for a semester.

Neither the Honor Roll nor the Dean’s List is prepared for summer terms. To determine eligibility for graduation with honors, see Graduation with Honors in chapter 6 (Bachelor’s Degree Regulations) of this catalog.

**ACADEMIC STANDING**

**Minimum Grade Requirements**

Students are expected to maintain a level of scholastic achievement that would allow them to meet the grade requirements for graduation. Students who fail to maintain the minimum required grade-point average of 2.0 in all work attempted at UTSA will be placed on academic probation or on academic dismissal as appropriate.

**Academic Probation**

Students whose overall UTSA grade-point average falls below 2.0 are placed on academic probation. Academic probation will be cleared when a student achieves a 2.0 overall grade-point average.

Students placed on academic probation must make a term grade-point average of 2.0 or above in each semester of probation in order to remain enrolled. Students on academic probation whose term grade-point average is below 2.0 will be placed on academic dismissal.

Students cannot graduate while on academic probation.

**Academic Dismissal**

Students on academic probation who earn a grade-point average below 2.0 at the end of any term will be placed on academic dismissal. Students placed on academic dismissal must petition for reinstatement or readmission for future enrollment.
Petition for Reinstatement

All students who have been reinstated from an academic dismissal are reinstated on academic probation and must meet academic probation grade-point requirements.

First Academic Dismissal. Students placed on academic dismissal for the first time may be reinstated after not attending UTSA for one regular semester (fall or spring). Students seeking reinstatement must file an application for admission by the appropriate deadline. Students on academic dismissal from UTSA may not attend other institutions for the purpose of raising their UTSA grade-point averages.

However, a student who is dismissed for the first time at the end of a Spring Semester may attend the UTSA first five-week summer term in an attempt to raise his or her grade-point average to a level that would permit reinstatement in the Fall Semester. Before summer term reinstatement can occur, the student must complete the Registration Request for Dismissed Students form in the Tomás Rivera Center for Student Success before the beginning of summer classes.

Subsequent Academic Dismissals. Students placed on academic dismissal for a second or subsequent time may be reinstated after not attending UTSA for one calendar year. After this year, students may petition for reinstatement to the Dean of the college in which they are majoring or intend to major. Undeclared majors petition the University Committee on Probation and Reinstatement. Petition forms may be obtained in the Deans' offices or the Enrollment Services Center.

Petition Procedures. Petition for Reinstatement forms must be filed by the following deadlines:

- October 15: Spring Semester
- March 15: Summer Semester
- June 15: Fall Semester

If the petition for reinstatement is disapproved, a student may not file another petition until the following semester. Appeal of a denial for reinstatement may be made to the Office of the Provost and Vice President for Academic Affairs within two weeks after notice of the denial is mailed by the Office of Admissions and Registrar. The decision of the Office of the Provost and Vice President for Academic Affairs is final.

**SCHOLASTIC DISHONESTY**

The integrity of a university degree depends on the integrity of the work done for that degree by each student. The University expects a student to maintain a high standard of individual honor in all scholastic work (Rules and Regulations of the Board of Regents, Chapter VI, 3.17).

"Scholastic dishonesty" includes, but is not limited to

- cheating on a test or other class work
- plagiarism (the appropriation of another’s work and the unauthorized incorporation of that work in one’s own written work offered for credit)
- collusion (the unauthorized collaboration with another person in preparing college work offered for credit).

If a student is accused of academic dishonesty, the faculty member may initiate disciplinary proceedings through the Division Director, the Dean of the college, and the Student Judicial Affairs Coordinator.
