UTSA TO HOST ACTORS FROM THE LONDON STAGE
Renowned Shakespearian Company to perform "Hamlet"

(San Antonio) - The UTSA Department of English, Classics, and Philosophy and the Friends of Shakespeare are hosting a return of Actors From the London Stage. The touring ensemble of five British actors will perform **Shakespeare's *Hamlet*** on Wednesday, Oct. 4, Friday, Oct. 6 and Saturday, Oct. 7 at 7:30 p.m. in the 1604 Campus Arts Building Recital Hall. This is the company's 20th visit to UTSA and San Antonio.

The actors, from such prestigious companies as the Royal Shakespeare Company, the Royal National Theater of Great Britain and Shakespeare's Globe Theater are Geoffrey Beevers, Robert Mountford, Anna Northam, Richard Stacy and Terence Wilton. In order to place emphasis on the richness of Shakespeare's language, the performers play multiple roles in a production that utilizes simple costumes and minimal scenery.

Tickets for performances are \$18 for general admission, \$10 for students (with a student ID) and are available for advance purchase at the 1604 Campus University Center Information Desk. Tickets will also be available at the door. For more information or Student Group Bookings, please call 210-458-5358.

Actors From the London Stage is an international touring theater organization based at the University of Notre Dame. It combines the superb talents of professional actors on stage with rare opportunities for students to work with them in the classroom.

Actors From the London Stage visit selected American universities each year to perform and to conduct classes and workshops. The residency is supported by The UTSA Friends of Shakespeare and a grant from the Russell Hill Rogers Fund for the Arts.

[About The University of Texas at San Antonio](#)

The University of Texas at San Antonio is one of the premier institutions of higher education in South Texas and one of the fastest growing universities in the state. One of nine academic universities and six health institutions that comprise the UT System, UTSA is the second largest institution in the system.
