Vacation Crime Prevention Tips

by pix11.com

Don't let thieves spoil your summer vacation! While you're away, your homes, apartments and vehicles may be vulnerable to burglary, theft or vandalism. Take steps to protect your home and vehicle before you leave! The UTSA PD Crime Prevention Unit wants to remind you of some tips to keep yourself, your family, your home and your valuables safe.

At Home:

- 1- Always lock your doors and windows especially at night and when you're away.
- 2- Close your garage and pet doors.
- 3- Secure ladders and tools so they can't be used to gain entry into your home.
- 4- Be wary of anyone who approaches your front door and don't let them take up too much of your time. Criminals work together; one will come to your door and distract you while the other sneaks into your home.

- 5- Always ask for an ID (picture and company name)
- 6- Be a good neighbor, lookout for one another.
- 7- Excessive dog barking could be a sign of an intruder and may warrant a call to the police (911 or 458-4911 on campus).
- 8- Lock up your home, activate your alarm.
- 9- Don't broadcast your plans or post photos of yourself on the beach on social media.
- 10- Hold the delivery of your mail and newspaper or ask a trusted friend to pick them up for you.
- 11- Buy a timer for your lights and set them in a random pattern.

Car safety:

- 1- Never leave your car running unattended, even to dash into a store.
- 2- Always roll up your windows and lock your car even in hot weather.
- 3- Never leave valuables in plain sight.

August in National Immunization Month

Immunization helps prevent dangerous and sometimes deadly diseases. To stay protected against serious illnesses like the flu, measles, and pneumonia, adults need to get their shots – just like kids do.

National Immunization Awareness Month is a great time to promote vaccines and remind family, friends, and coworkers to stay up to date on their shots.

Here are just a few ideas:

- Talk to friends and family members about how vaccines aren't just for kids. People of all ages can get shots to protect them from serious diseases.
- Encourage people in your community to get the flu vaccine every year. Invite a doctor or nurse to speak to parents about why it's important for all kids to get vaccinated.

Lost And Found

All found property that is turned in to the University Police Lost & Found section is stored at the University Police Lost & Found for 60 days. After 60 days, the found property is transferred to the Surplus Property Department for public auctions or further disposition. To report lost property items or to make inquiries regarding lost property call **210.458.4242** (24 hours a day). To claim found property items, individuals must present a valid Texas Driver's license, UTSA photo ID card or a valid photo ID card from another source; military ID or another state photo ID card. Individuals must be able to accurately describe the property that was lost in order to claim property from the lost & found section. The below listed items are currently being held by UTSAPD. If not claimed in 30 days, they will be disposed of in accordance with policy.
