Be Smart...Be Safe: Summer Safety Tips

School's out, pools are open and people across the country are looking for fun ways to cool down as summer temperatures heat up. As you head to the beach, to the pool, or to the mountains for a camping vacation, the UTSA Police Department encourages you to keep safety in mind!

FUN IN THE SUN

The first, and best line of defense against the sun is covering up. Wear a hat, sunglasses and cotton clothing.

Stay in the shade whenever possible, and avoid sun exposure during the peak intensity hours.

Use a sunscreen with an SPF (sun protection factor) of 15 or greater.

Reapply sunscreen every two hours and after swimming or perspiring.

HEAT INJURIES

To prevent heat illness during a heat wave:

Wear lightweight, light-colored clothing when out in the sun.

Slow down. Avoid strenuous activity in the afternoon hours.

Drink plenty of water, even if you do not feel thirsty.

Eat smaller meals, more often.

WATER SAFETY

Always swim with a buddy; never swim alone.

Enroll in a swim course by contacting your local Red Cross chapter.

Obey all rules and posted signs.

Don't mix alcohol and swimming. Alcohol impairs your judgment, balance, and coordination.

Stop swimming at the first indication of bad weather.

Swim in depths and areas that are conducive to your swimming ability.
