The VetSuccess on Campus program is a collaborative effort between The University of Texas at San Antonio (UTSA) and the Department of Veterans Affairs (VA) with the purpose of providing a supportive on-campus environment for student Veterans. Services provided will enable student Veterans to make a smooth transition to college life and successfully complete their educational programs.

The VA has placed two full-time, experienced Vocational Counselors on the UTSA campus. These counselors will serve as “one-stop liaisons” for Veterans, active duty military and their eligible family members who attend or plan to attend UTSA.
