Title IX Jurisdiction

Actual Knowledge and Responsible Employees

“The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the recipient.” § 106.30

Concept of “responsible employees” is gone. They are permitted, but not required, and serve no purpose re institutional obligations

Title IX Jurisdiction

Sexual Harassment means: conduct on the basis of sex that satisfies one or more of the following –

- an employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct;
- unwelcome conduct determined by a reasonable person to be so severe, pervasive, *and* objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or
- "sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 1229(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30)

"Education program or activity" is:

All operations of the institution, including . . .

- "[L]ocations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by a postsecondary institution."
- ***Applies to employees***, including employee on employee conduct

[3] inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and

Response Obligations

Actual Knowledge -- Emergency Removals

We may remove respondent on an emergency basis only if we:

- Conduct an individualized safety and risk analysis,
- Determine that respondent poses an immediate [imminent] threat to the *physical* health or safety of *anyone* justifying removal,
- The threat arises from the allegations of sexual harassment, and
- Provide opportunity for respondent to challenge removal immediately thereafter.

Response Obligations

Formal Complaints

A school must follow procedures prescribed in the final regulations in response to a formal complaint

- **Formal Complaint**: *a document signed by the complainant or by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the recipient investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the recipient with which the formal complaint is filed.*

Response Obligations and Title IX Jurisdiction

If the conduct alleged by the complainant . . .

- would not constitute sexual harassment even if proved,
- did not occur against a person in the United States, or
- did not occur within the recipient's program or activity, or
- the complainant was not participating, or attempting to participate in the P&A *at the time of the complaint*

we must terminate the grievance process with regard to that conduct for the purposes of sexual harassment under Title IX.

However, such a dismissal does not preclude action under another provision of the recipient's code of conduct. § 106.45(b)(3)

Response Obligations and Title IX Jurisdiction

We “may dismiss” if:

- Complainant requests to withdraw their complaint
- Respondent is no longer enrolled or employed
- When specific circumstances prevent gathering evidence sufficient to reach a determination

Hearings

Live Hearings Required at Post-Secondary Institutions

- For postsecondary institutions, the recipient's grievance process must provide for a live hearing. § 106.45(b)(6)(i)
- *but see* recipients that are not postsecondary institutions may, but need not, provide for a hearing. § 106.45(b)(6)(ii)
 - *With or without a hearing, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.*

ARNSTEIN
& LEHR^{LLP}

Hearings

Live Hearings Required – Evidence

- A recipient “must make all [inculpatory and exculpatory evidence] . . . available at any hearing to give each party equal opportunity to refer to such evidence during the hearing . . .” giving each party at least ten days to submit a written response.
- § 106.45(b)(5)(vi)

& LEHR^{LLP}

Hearings

Live Hearings Required – Advisors (Applies throughout investigation process)

- Parties have the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney,
- May not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding;
- We may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.

ARNSTEIN
& LEHR^{LLP}

Hearings

Live Hearings Required – Cross Examination

- At the live hearing, the decision-maker(s) must permit each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility.
- Cross-examination at the live hearing must be conducted directly, orally, and in real time by the party's advisor of choice.
 - *If a party does not have an advisor present at the live hearing, the recipient must provide an advisor of the recipient's choice to conduct cross-examination on behalf of that party.*

ARNSTEIN
& LEHR^{LLP}

Hearings

Live Hearings Required – Cross Examination – What?

- Where one party appears at the hearing and ***the other party does not***, the non-appearing party’s advisor may appear and conduct cross-examination even when the party whom they are advising does not appear.
 - Where one party does not appear and that party’s advisor of choice does not appear, ***a recipient-provided advisor must still cross-examine the other, appearing party “on behalf of” the non-appearing party***, resulting in consideration of the appearing party’s statements but not the non-appearing party’s statements (without any inference being drawn based on the non-appearance).

& LEHR^{LLP}

Hearings

Live Hearings Required – Hearsay

- If a party or witness does not submit to cross-examination at the live hearing, the decision-maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility.
 - The decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions

SAUL EWING

& LEHR^{LLP}

Hearings

Live Hearings Required – Relevance

- Before a complainant, respondent, or witness answers a cross-examination or other question, the decision-maker(s) must first determine whether the question is relevant and explain any decision to exclude a question as not relevant.
 - Only exceptions to relevance standard:
 - *Rape shield protection;*
 - *Legally-recognized privilege; and*
 - *Hearsay*

Hearings

Live Hearings Required – Virtual and Remote

- At the request of either party, the recipient must provide for the live hearing to occur with the parties located in separate rooms with technology.
 - Live hearings may be conducted with all parties physically present in the same geographic location or, *at the recipient's discretion*, any or all parties, witnesses, and other participants may appear at the live hearing virtually, with technology enabling participants simultaneously to *see and hear* each other.

Process Generally

Training – Meta Slide

All materials used to train Title IX personnel must be publicly available on the school's website.

Standards of Evidence and Appeals

Burden of Proof

- Permitted to use either clear and convincing evidence standard or preponderance of the evidence standard

Standards of Evidence and Appeals

Appeal Standards

- Must offer both parties an appeal from a determination regarding responsibility, and from a recipient's dismissal of a formal complaint. Required bases:
 - Procedural irregularity that affected the outcome of the matter;
 - New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
 - The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
- A recipient may offer an appeal equally to both parties on additional bases.

Sexual Harassment Definitions

Title IX

- “Sexual harassment” is conduct on the basis of sex that satisfies one or more of the following:
 - (1) an employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual’s participation in unwelcome sexual conduct (quid pro quo);
 - (2) unwelcome conduct determined by a reasonable person to be so severe, pervasive, **and** objectively offensive that it effectively denies a person equal access to the recipient’s education program or activity...

Texas Laws

- “Sexual harassment” means unwelcome, sex-based verbal or physical conduct that:
 - A) **in the employment context**, unreasonably interferes with a person’s work performance or creates an intimidating, hostile, or offensive work environment;
 - (B) **in the education context**, is sufficiently severe, persistent, or pervasive that the conduct interferes with a student’s ability to participate in or benefit from educational programs or activities at a postsecondary educational institution.

What are Supportive Measures?

- Non-disciplinary, non-punitive individualized services,
- offered as appropriate, as reasonably available, and without fee or charge,
- to the complainant or the respondent,
- including as designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the recipient's educational environment, or deter sexual harassment.

Process & Oversight

- Flexibility to determine *how* to process requests for supportive measures

- Title IX Coordinator must remain responsible for coordinating effective implementation . . .

Process & Oversight

- Title IX Coordinator may:
 - Rely on other campus offices/administrators to *actually provide* supportive measures

 - “Section 106.44 *obligates* a recipient to offer supportive measures to every complainant” 85 FR 30266
 - If you do not provide supportive measures to the Complainant, you must document why that response was not clearly unreasonable in light of the known circumstances (e.g. because complainant did not wish to receive supportive measures or refused to discuss measures with the Title IX Coordinator”) 85 FR 30266

- *Permitted* before or after a formal complaint is filed. 85 FR 30185

Designed to Restore/Preserve Equal Access

“Designed to” ≠ “Do”

- Measures should be intended to help a party retain equal access to education
- Protection against unfair imposition of liability (e.g. where “underlying trauma from a sexual harassment incident still results in a party's inability to participate in an education program or activity”)

85 FR 30182

© Copyright 2020 Saul Ewing Arnstein & Lehr LLP

SAUL EWING
ARNSTEIN
& LEHR^{LLP}

Goals / Purpose

- Restore or preserve equal access to the recipient’s education program or activity:
 - E.g., help to stay in school, stay on track academically (85 FR 30088)
 - Protect the safety of all parties or the recipient’s educational environment
 - Deter sexual harassment

SAUL EWING
ARNSTEIN
& LEHR^{LLP}

© Copyright 2020 Saul Ewing Arnstein & Lehr LLP

No “unreasonable burden”

- Protect each party from a request from the other for “measures that would unreasonably interfere with either party’s educational pursuits” 85 FR 30180
- “Does not bar all measures that place *any* burden on a respondent” 85 FR 30267; 85 FR 30180 (or complainant)

SAUL EWING
ARNSTEIN
& LEHR^{LLP}

© Copyright 2020 Saul Ewing Arnstein & Lehr LLP

No “unreasonable burden”

- **Does not mean** “proportional to the harm alleged”
- **Does not mean** “least burdensome measures” possible
- **May be** (un)reasonable to make housing/schedule adjustments or to remove a party from an extracurricular/athletic pursuit (85 FR 30182)
 - Fact-specific determination
 - Take into account the nature of the educational programs, activities, opportunities, and benefits in which a party is participating . . . not limited to academic pursuits

Document the reasons why a particular supportive measure was not appropriate, even though requested. . . including by documenting the assessment of burden

SAUL EWING
ARNSTEIN
& LEHR^{LLP}

© Copyright 2020 Saul Ewing Arnstein & Lehr LLP

Punitive + Unreasonably Burdensome

- The possible sanctions described/listed in a grievance procedure constitute actions the institution considers “disciplinary”
- Those sanctions thus cannot be supportive measures

Supportive Measures ≠ Sanctions

- Certain actions are inherently disciplinary/punitive/unreasonably burdensome even if not listed as sanctions in grievance procedure:

Suspension, Expulsion, Termination ≠ Supportive Measures

85 FR 30182 (*but see* emergency removal & administrative leave)

Examples

Possible supportive measures include (but are not limited to):

- counseling;
- extensions of deadlines or other course-related adjustments;
- modifications of work or class schedules;
- campus escort services;
- mutual contact restrictions;
- changes in work or housing locations;
- leaves of absence; and
- increased security and monitoring of certain areas of campus.

& LEHR^{LLP}

One-Way No Contact Orders

- Require a fact-specific inquiry
- Must be carefully crafted
- For example:
 - Help enforce a restraining order, preliminary injunction, or other order of protection issued by a court
 - Doesn't unreasonably burden the other party

SAUL EWING
ARNSTEIN
& LEHR^{LLP}

© Copyright 2020 Saul Ewing Arnstein & Lehr LLP

Mutual No Contact Orders

- Limit interactions, communications, contact between the parties
- No communication:
 - Likely would not unreasonably burden either party
 - May avoid more restrictive orders (or measures)
- No physical proximity:
 - Requires a fact-specific analysis to assess, among other things, the burden
 - Consider alternatives to a no contact order

SAUL EWING
ARNSTEIN
& LEHR^{LLP}

Confidentiality

Must be kept confidential unless confidentiality would impair provision

- Complainant thus may obtain supportive measures while keeping identity confidential from respondent (and others)
 - Unless disclosure is necessary to provide the measures (e.g. where a no-contract order is appropriate)

Regardless of whether Formal Complaint is Filed . . .

- Even **before** a Formal Complaint is filed, Complainants and Respondents may seek (and the Title IX Coordinator must discuss with the complainants the opportunity to seek) **supportive measures**:
 - Measures designed to **restore or preserve equal access** to the recipient’s education program or activity **without unreasonably burdening** the other party, including measures designed to protect the safety of all parties or the recipient’s educational environment, or deter sexual harassment
 - A complainant who requests Supportive Measures retains the right to file a Formal Complaint. § 106.30(a)

Impartial and Unbiased Investigations

The following is not defined as bias in the preamble:

1. Outcomes of the grievance procedure

The Department cautions parties and recipients from concluding bias based **solely on the outcome of the grievance procedure.**

The following is not defined as bias in the preamble:

2. Title IX Coordinator Signs Formal Complaint

When a Title IX Coordinator signs a formal complaint, it does not render the Coordinator biased or pose a conflict of interest.

The Department has clarified that this **does not place the Title IX Coordinator in a position adverse to the respondent** because the decision is made on behalf of the recipient and not in support of the complainant or in opposition of the respondent. 85 FR 30372.

Impartial and Unbiased Investigations

To avoid the prejudice of the facts at issue ...

- Any and all stereotypes about gender norms must be set aside.
 - Leave behind any prior experiences, whether that be from past Title IX proceedings or personal experiences.
- Approach the allegations (of both parties) with neutrality at the outset
- Treat both parties equally and provide an equal opportunity to present evidence, witnesses, and their versions of the story.

Impartial and Unbiased Investigations

- The Department **permits institutions to apply trauma-informed practices**, so long as it does not violate the requirement to serve impartiality and without bias
- The preamble acknowledges that applying trauma-informed practices, such as taking certain steps when interviewing a Complainant, is possible to be done in an impartial, non-biased manner “albeit challenging.” 85 FR 30323
- Apply any trauma-informed techniques must be applied equally to all genders

Bottom Line: The fact that an individual is “male”, “female”, or “non-binary” should not, and cannot, have any bearing on the credibility of the party or witness or how Title IX personnel approach the situation.

Informal Resolution

Informal Resolution Under 34 C.F.R. § 106.45(b)(9)

- Section § 106.45(b)(9), entitled “Informal resolution,” provides:

“A recipient may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, a recipient may not require the parties to participate in an informal resolution process under this section and may not offer an informal resolution process **unless a formal complaint is filed**. However, at **any time prior to reaching a determination regarding responsibility**, the recipient may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the recipient—

- (i) Provides to the parties a **written notice** disclosing: The allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
- (ii) Obtains the parties’ **voluntary, written consent** to the informal resolution process; and
- (iii) Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.”

The Permissive Nature Of Informal Resolution

- When complainants do decide to initiate a grievance process, or participate in a grievance process, recipients also may choose to offer informal resolution processes as alternatives to a full investigation and adjudication of the formal complaint, with the **voluntary consent of both the complainant and respondent**, which may encourage some complainants to file a formal complaint where they may have been reluctant to do so if a full investigation and adjudication was the only option.” 85 F.R. 30083.

The Purpose Of Informal Resolution

- “The Department believes that informal resolution may empower complainants and respondents to address alleged sexual misconduct incidents through a process that is most appropriate for them... Informal resolution also enhances recipient and party autonomy and flexibility to address unique situations.” 85 F.R. 30400.
- “However, the Department also believes that the more formal grievance process under § 106.45 may be an appropriate mechanism to address sexual misconduct under Title IX in many circumstances because these provisions establish procedural safeguards providing a fair process for all parties, where disputed factual allegations must be resolved.” 85 F.R. 30400.

Methods Of Informal Resolution

- “The Department believes an explicit definition of ‘informal resolution’ in the final regulations is unnecessary. Informal resolution may encompass a broad range of conflict resolution strategies, including, but not limited to, **arbitration**, **mediation**, or **restorative justice**. Defining this concept may have the unintended effect of limiting parties’ freedom to choose the resolution option that is best for them, and recipient flexibility to craft resolution processes that serve the unique educational needs of their communities.” 85 F.R. 30401.
- “[I]nformal resolutions . . . may result in disciplinary measures designed to punish the respondent” 85 F.R. 30401.

Required Training For Persons Who Facilitate Informal Resolutions

- “It is not the intent of the Department in referring to resolution processes under § 106.45(b)(9) as ‘informal’ to suggest that personnel who facilitate such processes need not have **robust training and independence**, or that recipients should take allegations of sexual harassment less seriously when reaching a resolution through such processes. Indeed, the Department acknowledges the concerns raised by some commenters regarding the training and independence of individuals who facilitate informal resolutions. In response to these well-taken comments, **we have extended the anti-conflict of interest, anti-bias, and training requirements of § 106.45(b)(1)(iii) to these personnel in the final regulations.**” 85 F.R. 30401.

Restrictions On Institutions' Ability To Offer Informal Resolution

- “A recipient may not require **as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right**, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section.” 34 C.F.R. § 106.45(b)(9).

Restrictions On Institutions' Ability To Offer Informal Resolution

- “Similarly, a recipient may not require the parties to participate in an informal resolution process under this section and may not offer an informal resolution process **unless a formal complaint is filed.**” 34 C.F.R. § 106.45(b)(9).
- “This ensures that the parties understand the allegations at issue and the right to have the allegations resolved through the formal grievance process and the right to voluntarily consent to participate in informal resolution.” 85 F.R. 30406.

Institutions Must Issue **Written Notice** To The Complainant and Respondent

- “[A]t any time prior to reaching a determination regarding **responsibility** the recipient may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the recipient—

(i) Provides to the parties **a written notice** disclosing: The allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that, at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared”

34 C.F.R. § 106.45(b)(9)(i).

Confidentiality Associated With Informal Resolution

- “[T]he recipient . . . [must] . . . [p]rovide[] to the parties a written notice disclosing . . . any consequences resulting from participating in the informal resolution process, **including the records that will be maintained or could be shared**” 34 C.F.R. § 106.45(b)(9)(i).
- “Section 106.45(b)(9)(i) provides that the written notice given to both parties before entering an informal resolution process must indicate what records would be maintained or could be shared in that process. Importantly, records that could potentially be kept confidential could include the written notice itself, which would not become a public record. The Department leaves it to the discretion of recipients to make these determinations. The Department believes this requirement effectively puts both parties on notice as to the confidentiality and privacy implications of participating in informal resolution. Recipients remain free to exercise their judgment in determining the confidentiality parameters of the informal resolution process they offer to parties.” 85 F.R. 30402.

Withdrawing From The Informal Resolution Process

- “[T]he final regulations explicitly permits either party to withdraw from an informal resolution **at any time before agreeing to a resolution**, and resume the [formal] grievance process under § 106.45. The Department expects informal resolution agreements to be treated as contracts; the parties remain free to negotiate the terms of the agreement and, once entered into, it may become binding according to its terms. The Department believes the cumulative effect of these provisions will help to ensure that informal resolutions such as mediation are conducted in good faith and that these processes may reach reasonable outcomes satisfactory to both parties.” 85 F.R. 30405.

Informal Resolution When A Party Is An Employee Of The Institution

- “[T]he recipient may facilitate an informal resolution process . . . provided that the recipient . . . (iii) Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.” 34 C.F.R. § 106.45(b)(9)(iii).
- “[A] recipient may offer an informal resolution process to resolve sexual harassment allegations as between two employees under § 106.45(b)(9). A recipient, however, cannot offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student because . . . **the power dynamic and differential between an employee and a student may cause the student to feel coerced into resolving the allegations.**” 85 F.R. 30446.

Legal Liability Arising Out Of Informal Resolutions

- “With respect to recipients’ potential legal liability **where the respondent acknowledges commission of Title IX sexual harassment (or other violation of recipient’s policy)** during an informal resolution process, yet the agreement reached allows the respondent to remain on campus and the respondent commits Title IX sexual harassment (or violates the recipient’s policy) again, **the Department believes that recipients should have the flexibility and discretion to determine under what circumstances respondents should be suspended or expelled from campus as a disciplinary sanction, whether that follows from an informal resolution or after a determination of responsibility under the formal grievance process.** Recipients may take into account legal obligations unrelated to Title IX, and relevant Title IX case law under which Federal courts have considered a recipient’s duty not to be deliberately indifferent by exposing potential victims to repeat misconduct of a respondent, when considering what sanctions to impose against a particular respondent.” 85 F.R. 30407.

“Individualized Safety and Risk Analysis”

- “The ‘individualized safety or risk analysis’ requirement ensures that . . . there is **more than a generalized, hypothetical, or speculative belief** that the respondent may pose a risk to someone’s physical health or safety.” 85 F.R. 30233.
- Likewise, “the analysis cannot be based on general assumptions about sex, or research that purports to profile characteristics of sex offense perpetrators, or statistical data about the frequency or infrequency of false or unfounded sexual misconduct allegations.” 85 F.R. 30233.

 - that cannot be eliminated or reduced to below the level of a direct threat through reasonable accommodations

Carrying Out an Emergency Removal

- “§ 106.44(c) does not require a recipient to provide the respondent with any pre-deprivation notice or opportunity to be heard, so requiring post-deprivation due process protections ‘immediately’ after the deprivation ensures that a respondent’s interest in access to education is appropriately balanced against the recipient’s interest in quickly addressing an emergency situation” 85 F.R. 30229-30.

- “[T]hese final regulations do not dictate whether administrative leave during the pendency of an investigation under § 106.45 must be with pay (or benefits) or without pay (or benefits).” 85 F.R. 30236.

- “If a recipient places a party who is a student-employee on administrative leave with pay as a supportive measure, then such administrative leave must be **non-disciplinary, non-punitive, not unreasonably burdensome**, and otherwise satisfy the definition of supportive measures in § 106.30.” *Id.*

Investigation Reports

SAUL EWING

Basics

- In order to prepare an investigative report, a recipient must –
 - Step One: Obtain evidence from the parties and witnesses as well as other available sources;
 - Step Two: Provide both parties the opportunity to inspect and review all evidence obtained that is directly related to the allegations (send evidence to both parties and advisors for written responses); and
 - Step Three: Create an investigative report that **fairly summarizes relevant evidence** before sending the report to both parties and their advisors.

SAUL EWING

& LEHR^{LLP}

Step One: Obtaining Evidence

- When investigating a Formal Complaint, the Investigator must obtain evidence, ensuring that:
 - Both parties have an equal opportunity to present witnesses, including fact and expert witnesses, and
 - Both parties have an equal opportunity to present other inculpatory and exculpatory evidence.

§ 106.45(b)(5)(ii)

SAUL EWING

& LEHR^{LLP}

Step Two: Inspecting and Reviewing Evidence

After the Investigator has obtained evidence:

- Both parties must have an equal opportunity to **inspect and review** any evidence obtained as part of the investigation that is **directly related** to the allegations raised in a formal complaint, including evidence upon which the recipient does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence.

§ 106.45(b)(5)(vi)

Step Two: Inspecting and Reviewing Evidence

- Evidence subject to inspection and review includes all evidence obtained “that is **directly related** to the allegations raised in a formal complaint.”
- “‘Directly related’ may sometimes encompass a broader universe of evidence than evidence that is ‘relevant’”:
 - “For example, an investigator may discover during the investigation that evidence exists in the form of communications between a party and a third party . . . If the investigator decides that such evidence is irrelevant . . . , the other party should be entitled to know of the existence of that evidence so as to argue about whether it is relevant.”

& LEHR^{LLP}

Step Two: Inspecting and Reviewing Evidence

- Prior to completion of the investigative report, the recipient must **send to each party and the party's advisor**, if any, the **evidence subject to inspection and review** in an electronic format or a hard copy, and the parties must have at least 10 days to submit a **written response**, which the investigator will consider prior to completion of the investigative report.

§ 106.45(b)(5)(vi)

Step Two: Inspecting and Reviewing Evidence

- Investigator sends all evidence “**directly related**” to the allegations raised in a formal complaint” to both parties and advisors (**recall this is broader than just “relevant” evidence**)
- Parties may provide written responses focused on:
 - Clarifying ambiguities or correcting where the party believes the investigator did not understand
 - **Asserting which evidence is “relevant” and should therefore be included in the Investigative Report**

ARNSTEIN
& LEHR^{LLP}

Step Three: Creating Investigative Report

- After the parties have had the opportunity to inspect and review the evidence, the Investigator must –
 - Create an investigative report that **fairly summarizes relevant evidence** and, at least 10 days prior to a hearing, send to each party and the party's advisor, if any, the investigative report in an electronic formal or a hard copy, for their review and written responses.

SAUL EWING
ARNSTEIN
& LEHR^{LLP}

Step Three: Creating Investigative Report

- Creating an investigative report that “fairly summarizes relevant evidence” does not require making credibility determinations, proposing findings, or recommending an outcome.

Contents of Investigative Report

- “[T]hese final regulations do not prescribe the contents of the investigative report **other than specifying its core purpose of summarizing relevant evidence.**”

Purpose of Requirement to Summarize Relevant Evidence

- “The requirement for recipients to summarize and evaluate relevant evidence, . . . appropriately directs recipients to focus investigations and adjudications on evidence pertinent to proving whether facts material to the allegations under investigation are more or less likely to be true (i.e., on what is relevant).”

85 FR 30294

Relevant Evidence: Training Required

- Investigators must receive training on **issues of relevance** to create an investigative report that “fairly summarizes relevant evidence”

§ 106.45(b)(1)(iii)

What is Relevant Evidence?

- “The final regulations do not define relevance, and the **ordinary meaning** of the word should be understood and applied.”

What is Relevant Evidence?

rel·e·vant | \ 're-lə-vənt \ adj.

a: having significant and demonstrable bearing on the matter at hand

b: affording evidence tending to prove or disprove the matter at issue or under discussion

// *relevant* testimony

What is Relevant Evidence?

- “The Department does not believe that determinations about whether certain questions or evidence are relevant or directly related to the allegations at issue requires legal training and that such factual determinations reasonably can be made by layperson recipient officials impartially applying **logic and common sense.**”

What is Relevant Evidence?

What is Irrelevant Evidence?

- The Preamble and Final Rule provide some insight into what is deemed “irrelevant.”
- It may include:
 - Duplicative questions and evidence.

85 FR 30331

SAUL EWING
ARNSTEIN
& LEHR^{LLP}

What is Irrelevant Evidence?

- The following evidence is considered also per se not relevant for purposes of an investigation report:
 - Complainant’s sexual predisposition or prior sexual behavior (subject to two exceptions);
 - Any party’s medical, psychological, and similar treatment records without the party’s voluntary, written consent; and
 - Any information protected by any other legally recognized privilege without voluntary, written consent.

Rape Shield and Investigative Reports

- “[Q]uestions and evidence subject to the rape shield protections are ‘not relevant,’ and therefore the rape shield protections apply wherever the issue is whether evidence is relevant or not. [The regulation] requires review and inspection of the evidence ‘directly related to the allegations’ that universe of evidence is *not screened for relevance*, but rather is measured by whether it is ‘directly related to the allegations.’ However, the investigative report must summarize ‘relevant’ evidence, and thus **at that point the rape shield protections would apply to preclude inclusion in the investigative report of irrelevant evidence.**”

& LEHR^{LLP}

Prohibition on Excluding Relevant Evidence

- “[A] recipient may not adopt a rule excluding relevant evidence whose probative value is substantially outweighed by the danger of unfair prejudice; although such a rule is part of the Federal Rules of Evidence, the Federal Rules of Evidence constitute a complex, comprehensive set of evidentiary rules and exceptions designed to be applied by judges and lawyers, while Title IX grievance processes are not court trials and are expected to be overseen by layperson officials of a school, college, or university rather than by a judge or lawyer.”

85 FR 30294

Challenging Investigator's Relevancy Determinations

- “A party who believes the investigator reached the wrong conclusion about the relevance of the evidence may argue again to the decision-maker (i.e., as part of the party's response to the investigative report, and/or at a live hearing) about whether the evidence is actually relevant[.]”

Bias/Conflict of Interest

- A recipient's grievance process must –
- “Require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an informal resolution process, not have a conflict of interest or bias
 - [1] for or against complainants or respondents generally or
 - [2]an individual complainant or respondent.”

Bias/Conflict of Interest

- “A recipient must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on . . . how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.”

Bias

“Treating a party differently on the basis of the party’s sex or **stereotypes about how men or women behave** with respect to sexual violence constitutes impermissible bias.”

85 FR 30238-40

A “recipient that ignores, blames, or punishes a student **due to stereotypes** about the student violates the final regulations[.]”

85 FR 30496

“The Department’s conception of bias is broad **and includes bias against** an individual’s sex, race, ethnicity, sexual orientation, gender identity, disability or immigration status, financial ability, socioeconomic status, or other **characteristic**.”

What We'll Cover

- This presentation covers:
 - UT System Title IX policies that pertain to consent, coercion, and incapacitation
 - Takeaways and practical considerations for identifying and investigating these conditions
 - Impacts of the recent Title IX Regulations on these concepts

Know your policy!

- Title IX policies across the University of Texas System are similar, but not identical
- We will note a few differences, but be sure to reference your school's specific Title IX policy and definitions

Consent

- “A **voluntary, mutually understandable** agreement that **clearly indicates** a willingness to engage in **each** instance of sexual activity.
- Consent to **one act** does **not** imply consent to **another**. **Past** consent does **not** imply **future** consent.
- Consent to engage in sexual activity with **one person** does not imply consent to engage in sexual activity with **another**.
- Consent can be withdrawn at **any time**.
- **Any** expression of an unwillingness to engage in any instance of sexual activity establishes a **presumptive** lack of consent.”

(UT Austin policy)

Consent

- “An individual’s **manner of dress** or the **existence of a current or previous dating or sexual relationship** between two or more individuals does **not**, in and of itself, constitute consent to engage in a particular sexual activity.
- **Even in the context of a relationship**, there must be a voluntary, mutually understandable agreement that clearly indicates a willingness to engage in each instance of sexual activity.”

(UT Austin policy)

& LEHR^{LLP}

Consent

“Consent is **not** effective if it results from:

- (a) the use of physical force,
- (b) a threat of physical force,
- (c) intimidation,
- (d) coercion,
- (e) incapacitation, or
- (f) any other factor that would eliminate an individual’s ability to exercise **free will** to choose whether or not to engage in sexual activity.”

(UT Austin policy)

& LEHR^{LLP}

Incapacitation

- “A state of being that **prevents** an individual from **having the capacity** to give consent” (UT Austin)
- “Incapacitation is the inability, **temporarily or permanently**, to give consent” (UT Arlington, Dallas, El Paso)
- Clear examples: asleep, unconsciousness, certain disabilities

& LEHR^{LLP}

Incapacitation and Intoxication

- Intoxication can *lead* to incapacitation, but does *not necessarily* equate to incapacitation
- School policies ask whether respondent knew/reasonably should have known of complainant’s incapacitation:

Yes	No
Arlington, Dallas, El Paso, Rio Grande Valley, and San Antonio	Austin, Permian Basin, Tyler

& LEHR^{LLP}

Incapacitation and Intoxication

- Potential physical signs that intoxication has amounted to incapacitation:
 - slurred speech
 - stumbling or falling over
 - vomiting
 - disorientation
 - unusual or outrageous behavior
 - unresponsiveness
 (not an exhaustive list)

SAUL EWING
ARNSTEIN
& LEHR^{LLP}

Coercion

- Arlington, Dallas, El Paso, Rio Grande Valley, and San Antonio:
 - “The use of pressure to compel another individual to initiate or continue sexual activity against an individual's will. Coercion can include a wide range of behaviors, including **psychological or emotional pressure, physical or emotional threats, intimidation, manipulation, or blackmail that causes the person to engage in unwelcome sexual activity**”
- Not defined by Austin, Permian Basin, or Tyler

Relevant Considerations from the New Title IX Regulations

- **No** federal definition of consent (or coercion or incapacitation) (34 CFR § 106.30(a))
- But:
 - “[R]ecipients must clearly define consent and must **apply that definition consistently**, including as between men and women and as between the complainant and respondent in a particular Title IX grievance process because to do otherwise would indicate bias for or against complainants or respondents generally, or for or against an individual complainant or respondent” (85 CFR 30125)

& LEHR^{LLP}

Relevant Considerations from the New Title IX Regulations

- “When investigating a formal complaint and throughout the grievance process, a recipient must . . . Ensure that the **burden of proof** . . . rest[s] on the recipient and not on the parties” (34 CFR § 106.45(b)(5)(i))
- All UT System policies apply a **preponderance of the evidence standard**

& LEHR^{LLP}

Relevant Considerations from the New Title IX Regulations

- “When investigating a formal complaint and throughout the grievance process, a recipient must . . . Ensure that . . . the **burden of gathering evidence** sufficient to reach a determination regarding responsibility . . . **rest[s] on the recipient and not on the parties**” (34 CFR § 106.45(b)(5)(i))
- “Relevance” understood in its “**ordinary meaning**” (85 FR 30247 n.1018)
- Grievance process will “[r]equire an objective evaluation of all relevant evidence – **including both inculpatory and exculpatory evidence** – and provide that credibility determinations may not be based on a person’s status as a complainant, respondent, or witness.” (34 CFR § 106.45(b)(1)(ii))

Relevant Considerations from the New Title IX Regulations

- Exceptions to Relevance
 - Privileged Information (34 CFR § 106.45(b)(1)(x))
 - Medical, Psychological, Psychiatric or similar treatment records (34 CFR § 106.45(b)(5)(i))
 - Rape Shield (34 CFR § 106.45(b)(6)(i))

Relevant Considerations from the New Title IX Regulations

- During investigation, recipient must “[p]rovide both parties an **equal opportunity to inspect and review any evidence obtained as part of the investigation** that is directly related to the allegations raised in a formal complaint, **including the evidence upon which the recipient does not intend to rely** in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. **Prior to completion of the investigative report**, the recipient must send to each party and the party’s advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and **the parties must have at least 10 days to submit a written response**, which the investigator will consider prior to completion of the investigative report. The recipient must make all such evidence subject to the parties’ inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination.” (34 CFR § 106.45(b)(5)(vi))

 - Any party’s medical, psychological, and similar treatment records without the party’s voluntary, written consent;
 - Any information protected by a legally recognized privilege without waiver;
 - Complainant’s sexual predisposition or prior sexual behavior (subject to two exceptions); and

Rape Shield Provision

- Intended to protect **complainants** from harassing, irrelevant questions.
- Does not apply to respondents
 - Questions and evidence about a respondent's sexual predisposition or prior sexual behavior are not subject to any special consideration, but rather must be evaluated based on relevancy, like any other question or evidence.

Rape Shield Provision

- What is “**sexual predisposition**”?
 - No definition in regulations or preamble

Rape Shield Provision

- What is “sexual behavior”?
 - No definition in final regulations or preamble.
 - Advisory comments to Fed. R. Evid. 412 explains that sexual behavior “connotes all activities that involve actual physical conduct, i.e., sexual intercourse and sexual contact, or that imply sexual intercourse or sexual contact.”

Rape Shield Provision

- There are two exceptions where questions or evidence of past sexual behavior are allowed:
- **Exception 1:** Evidence of prior sexual behavior is permitted if offered to prove someone other than the respondent committed the alleged offense.

“When a respondent has evidence that someone else committed the alleged sexual harassment, a respondent must have opportunity to pursue that defense, or else a determination reached by the decision-maker may be an erroneous outcome, mistakenly identifying the nature of sexual harassment occurring in the recipient’s education program or activity.”

Rape Shield Provision

- **Exception 2:** Evidence of prior sexual behavior is permitted if it is specifically about the complainant and the respondent **and** is offered to prove consent. 34 CFR § 106.45(b)(6).
- Does not permit evidence of a complainant’s sexual behavior with anyone other than the respondent.

Rape Shield Provision

- No universal definition of “consent.”
- Each institution is permitted to adopt its own definition of “consent.”
- Thus, the scope of the second exception to the rape shield provision will turn, in part, on the definition of “consent” adopted by the institution.

Relevance: In Conclusion

- “The final regulations do not allow [institutions] to impose rules of evidence that result in exclusion of relevant evidence” 85 FR 30336-37
- “The decision-maker must consider relevant evidence and must not consider irrelevant evidence” 85 FR 30337

Relevance: In Conclusion

- The decision-maker may apply “[logic and common sense](#)” to reach any conclusions [but must explain their rationale](#)
- No “lengthy or complicated explanation” is necessary
 - For example, “the question is irrelevant because it calls for prior sexual behavior information without meeting on of the two exceptions”
 - For example, “the question asks about a detail that is not probative of any material fact concerning the allegations”

Challenging Relevancy Determinations

- Parties **must** be afforded the opportunity to [challenge relevance determinations](#). 85 FR 30249.
 - Erroneous relevancy determinations, if they affected the outcome of the hearing, may be [grounds for an appeal](#) as a “procedural irregularity”
- Institutions **may** (but are not required to) allow parties or advisors to discuss the relevance determination with the decision-maker [during the hearing](#). 85 FR 30343.

ARNSTEIN
& LEHR^{LLP}

“Hearsay”

- If a party or witness does not submit to cross-examination at the live hearing, then the **decision-maker cannot rely on any statement** of that party or witness in reaching a determination regarding responsibility.
- But, decision-maker cannot draw an inference as to responsibility based on a party’s or witness’s absence or refusal to answer.

106.45(b)(6)(i).

ARNSTEIN
& LEHR^{LLP}

“Statements”

- Not limited to statements made during the hearing
- Doesn’t apply to evidence that doesn’t contain statements
- “Statements” has its ordinary meaning
- “Statements” do not include evidence (such as videos) that do not constitute a person’s intent to make factual assertions
- Police reports, SANE reports, medical reports, other documents and records may not be relied upon to the extent they contain statements of a party who has not been cross-examined

85 FR 30349

SAUL EWING
ARNSTEIN
& LEHR^{LLP}

© Copyright 2020 Saul Ewing Arnstein & Lehr LLP

“Hearsay”

- Hearsay prohibition does not apply if the respondent’s statement, itself, constitutes the sexual harassment at issue.
 - The verbal conduct does not constitute the making of a factual assertion to prove or disprove the allegations of sexual harassment because the statement itself is the sexual harassment.

& LEHR^{LLP}

“Hearsay”

Exclusion of statements does not apply to a party’s or witness’s refusal to answer questions *posed by the decision-maker*.
85 FR 30349.

If a party or witness refuses to respond to a decision-maker’s questions, the decision-maker is not precluded from relying on that party or witness’s statements (may not rely only if the party or witness does *not submit to cross-examination* which is done by the advisors)

Retaliation

- A party cannot “wrongfully procure” another party’s absence
 - If institution has notice of that misconduct, it must remedy retaliation, which may include rescheduling the hearing with safety measures.

THE OUTCOME

ARNSTEIN
& LEHR^{LLP}

Outcome Determination

At the conclusion of the hearing, the Decision-maker must make a determination regarding responsibility

- Based on (at institution's discretion): Either the preponderance of the evidence or clear and convincing evidence standard. ***Your policy informs!***
 - Must apply the same standard to all Formal Complaints of sexual harassment – including those involving students, employees, faculty, and third parties. §106.45(b)(1)(vii), §106.45(b)(7)(i)

& LEHR^{LLP}

Assessing Evidence

- Decision-maker assigns weight & credibility to evidence
 - Ex. Where a cross-examination question is relevant, but concerns a party's character, the decision-maker *must consider* the evidence, but may proceed to *objectively evaluate* it by analyzing whether the evidence *warrants a high or low level of weight or credibility*
 - Evaluation must treat the parties equally by not, for instance, automatically assigning higher weight to exculpatory character evidence than to inculpatory character evidence

& LEHR^{LLP}

Outcome Determination

- **Important considerations:**
 - The Respondent must be **presumed not responsible** for the alleged conduct until the determination regarding responsibility is made. §106.45(b)(1)(iv).
 - Outcome must be based on an objective evaluation of all **relevant evidence**—including both inculpatory and exculpatory—and not taking into account the relative “skill” of the parties’ advisors. §106.45(b)(1)(ii); 85 FR 30332
 - **Credibility determinations** may not be based on a person’s status as a Complainant, Respondent, or witness. §106.45(b)(1)(ii).

& LEHR^{LLP}

Presumption of Non-Responsibility

- The respondent is **presumed not responsible** for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. §106.45(b)(1)(iv).
- The decision-maker cannot draw any inference about the responsibility or non-responsibility of the respondent solely based on a party’s failure to appear or answer cross-examination questions at a hearing. §106.45(b)(6)(i).

ARNSTEIN
& LEHR^{LLP}

Notice of Decision

- Decision-maker must issue a **written determination regarding responsibility** and provide the written determination to the parties *simultaneously*.
§106.45(b)(7)(ii)-(iii)
- The determination regarding responsibility becomes final either on the date that the recipient provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely. §106.45(b)(7)(iii)

& LEHR^{LLP}

Notice of Decision

- The notice of decision must include:
 - Identification of the **allegations** potentially constituting sexual harassment;
 - A description of the **procedural steps taken** from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
 - **Findings of fact** supporting the determination;
 - **Conclusions** regarding the application of the recipient's code of conduct to the facts;

Notice of Decision

[cont.]

- A statement of, and **rationale** for, the **result as to each allegation**, including a determination regarding responsibility, **any disciplinary sanctions** the recipient imposes on the respondent, and **whether remedies** designed to restore or preserve equal access to the recipient's education program or activity will be provided by the recipient to the complainant; and
- The institution's procedures and permissible bases for the complainant and respondent to **appeal**.

Mandatory & Equal Appeal Rights

- Institutions must offer both parties an appeal from a **determination regarding responsibility** and from an institution's **dismissal of a formal complaint** or any allegations therein (whether or not it is a mandatory or discretionary dismissal).

Decorum

Other Support Roles at Hearing

With respect to allowing parties to be accompanied by a confidential advisor or advocate in addition to a party's chosen or assigned advisor, the Department notes that § 106.71 states "The recipient must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute or regulations, 20 U.S.C. 1232g and 34 CFR part 99, or as required by law, or to carry out the purposes of [34 CFR part 106], including the conduct of any investigation, hearing, or judicial proceeding arising thereunder" and this restriction may limit a recipient's ability to authorize the parties to be accompanied at the hearing by persons other than advisors. For example, a person assisting a party with a disability, or a language interpreter, may accompany a party to the hearing without violating § 106.71(a) because such a person's presence at the hearing is required by law and/or necessary to conduct the hearing. The sensitivity and high stakes of a Title IX sexual harassment grievance process weigh in favor of protecting the confidentiality of the identity and parties to the extent feasible (unless otherwise required by law), and **the Department thus declines to authorize that parties may be accompanied to a live hearing by persons other than the parties' advisors, or other persons for reasons "required by law" as described above.**

Written Determination - Key Elements

1. **Identification of the allegations** alleged to constitute sexual harassment as defined in § 106.30;
2. **The procedural steps taken** from receipt of the formal complaint through the determination regarding responsibility;
3. **Findings of fact** supporting the determination;
4. **Conclusions** regarding the application of the **recipient's code of conduct** to the facts;
5. The decision-maker's **rationale for the result** of each allegation, including rationale for the determination regarding responsibility;
6. **Any disciplinary sanctions** the recipient imposes on the respondent, and whether the recipient will provide **remedies** to the complainant; and
7. Information regarding the **appeals process**. § 106.45(b)(7)(iii)

& LEHR^{LLP}

Essentials of Written Determinations

Identification of the Allegations

- The recipient must **provide written notice of the allegations with sufficient details** to permit parties to prepare for an initial interview, which the recipient must send to both parties “upon receipt of a formal complaint.” § 106.45(b)(2)
- Fundamental fairness and due process principles require that a respondent knows the details of the allegations made against the respondent, **to the extent the details are known**, to provide adequate opportunity for the respondent to respond. This includes the identity of the complainant. 85 CFR 30133

Essentials of Written Determinations

Description of Procedural Steps

- Explanations of the procedural steps taken in an investigation must be **sufficiently specific** to further the purpose of promoting **transparency and consistency**, and ensuring that **both parties** have a **thorough understanding** of how the complainant’s allegations were resolved.

§ 106.45(b)(7)(ii)(B), 85 FR 30390

Description of Procedural Steps

- Procedural steps may include those taken to address certain **threats to fair and equitable treatment** of parties in the grievance process.

Essentials of Written Determinations

Recipient's Code of Conduct

- The written determination should explain how the conduct under investigation “**matches up**” against particular portions of a recipient's code of conduct.

Essentials of Written Determinations

Simultaneous Delivery of the Written Determination

- The recipient must **provide the written determination to the parties simultaneously**.
- The determination regarding responsibility becomes final either on the date that the recipient provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

106.45(b)(7)(iii)

& LEHR^{LLP}

Essentials of Written Determinations

Procedure & Basis for Appeal

- Parties may appeal a written determination on the basis of
 - **Procedural irregularity,**
 - **Newly discovered evidence,**
 - **Or conflict of interest or bias on the part of Title IX personnel. § 106.45(b)(8)**
- The decision-maker on appeal cannot be the Title IX Coordinator or any investigator or decision-maker that reached the determination regarding responsibility. 106.45(b)(7)(ii)(F)

& LEHR^{LLP}

Objective Evaluation Of All Relevant Evidence

- The decision-maker is obligated to **objectively evaluate all relevant evidence**, including inculpatory and exculpatory evidence (and to avoid credibility inferences based on a person's status as a complainant, respondent, or witness), under § 106.45(b)(1)(ii).

ARNSTEIN
& LEHR^{LLP}

“Record” Evidence

- Remember: Before evidence is permitted at the live hearing, the decision-maker must determine whether it is **relevant**. 34 CFR § 106.45(b)(6)(i).

ARNSTEIN
& LEHR^{LLP}

Record Evidence

- Also recall that the following specific evidence is deemed **not relevant** at the live hearing:
 - Hearsay; and
 - Evidence protected by the rape shield provision. 34 CFR § 106.45(b)(6).

ARNSTEIN
& LEHR^{LLP}

Weight of Evidence

- The § 106.45 grievance process does not prescribe rules governing how admissible, relevant evidence must be evaluated for weight or credibility by a recipient's decision-maker, and recipients thus have discretion to adopt and apply rules in that regard, so long as such rules do not conflict with § 106.45 and apply equally to both parties. 85 FR 30294

ARNSTEIN
& LEHR^{LLP}

Standard of Evidence

- The decision-maker, who is not the same person as the Title IX Coordinator or the investigator, must reach a determination by applying the SOE described in §106.45 (b)(1)(vii). § 106.45(b)(7)(ii).
- Must state whether the SOE to determine responsibility is preponderance of the evidence or clear and convincing evidence standard.

ARNSTEIN
& LEHR^{LLP}

Standard of Evidence - Union Contracts and CBAs

- We acknowledge that many employee [collective bargaining agreements] CBAs mandate the **clear and convincing evidence standard**. The Department believes that giving recipients the choice between the preponderance of the evidence standard and the clear-and-convincing evidence standard, along with the requirement contained in § 106.45(b)(1)(vii) that the same standard of evidence apply to complaints against students as to complaints against employees and faculty, helps to ensure consistency in recipients' handling of Title IX proceedings. 85 F.R. 30074.
- [I]n the event of an actual conflict between a union contract or practice and the final regulations, then the final regulations would have preemptive effect. 85 F.R. 30298

& LEHR^{LLP}

Evidentiary Basis

- § 106.45(b)(7)(ii) requires that decision-maker(s) lay out the evidentiary basis for conclusions reached in the case, in a written determination regarding responsibility. 85 FR 30248

ARNSTEIN
& LEHR^{LLP}

Written Determination - Sanctions and Remedies

- The grievance process must treat complainants and respondents **equitably** by providing **remedies to a complainant** where a determination of responsibility for sexual harassment has been made; *and* by following a compliant grievance process before imposing any **disciplinary sanctions** or other actions that are not supportive measures as defined in § 106.30, **against a respondent**.
§106.45(b)(1)(i).

ARNSTEIN
& LEHR^{LLP}

Equitable treatment ≠ “Strictly equal treatment”

- “[W]ith respect to remedies and disciplinary sanctions, strictly equal treatment of the parties does not make sense . . .” 85 FR 30242.
- To treat the parties **equitably**, a complainant must be provided with remedies where the outcome shows the complainant was victimized by sexual harassment; and a respondent must be afforded a fair grievance process before disciplinary sanctioning. *Id.*

Remedies v. Sanctions

& LEHR^{LLP}

Remedies Defined

- Final regs. do not provide a definition of “remedies.”
- May include the same services described as “supportive measures.” *See* 34 CFR § 106.30.
 - Unlike supportive measures, though, remedies may in fact burden the respondent, or be punitive or disciplinary in nature. § 106.45(b)(1)(i); 85 FR 30244.

& LEHR^{LLP}

Types of Remedies

- Beyond pointing to the supportive measures described in §106.30, the Department believes recipients should have the flexibility to offer remedies as they deem appropriate to the individual facts and circumstances of each case. 85 FR 30391.

& LEHR^{LLP}

Types of Remedies

- Department declined to require prevention and community educational programming, as suggested by one commentator.

& LEHR^{LLP}

Sanctions and Remedies - Notice

- The grievance process must either
 - (1) *describe* the range of possible disciplinary sanctions and remedies *or*
 - (2) *list* the possible disciplinary sanctions and remedies that the recipient may implement following any determination of responsibility.

34 CFR § 106.45(b)(1)(vi).

Written Determination – Sanctions and Remedies

- The decision-maker(s) written determination **must** include *inter alia* a statement of, and rationale for, the result as to each allegation, including any **disciplinary sanctions imposed on the respondent**, and ***whether* remedies** will be provided by the recipient **to the complainant**. §106.45 (b)(7)(ii)(E).

Written Determination – Sanctions and Remedies

- But, acknowledging privacy concerns expressed by commentators regarding the inclusion of remedies in the written determination of responsibility, the Department noted that ***the nature of remedies*** provided will not appear in the written determination. 85 FR 30391-92; 85 FR 30394.

Implementing Remedies

- The Title IX Coordinator is responsible for the “effective implementation of remedies.” 85 FR 30276.

Formal Complaint: Mandatory Dismissal

- Dismissal is **mandatory** where the allegations, if true, would not meet the Title IX jurisdictional conditions (i.e., § 106.30 definition of sexual harassment, against a person in the United States, in the recipient's education program or activity), which reflects the same conditions that trigger an institution's response under section 106.44(a). § 106.45(b)(3)(i).
- Dismissal does not preclude an institution from taking action under another provision of its code of conduct. 85 CFR 30289.

Formal Complaint: Discretionary Dismissal

- An institution is **permitted, but not required, to dismiss** a formal complaint:
 - (1) where a complainant notifies the Title IX Coordinator, in writing, that the complainant would like to withdraw the formal complaint or any allegations therein;
 - (2) where the respondent is no longer enrolled or employed by the institution; or
 - (3) where specific circumstances prevent the institution from gathering evidence sufficient to reach a determination as to the allegations contained in the formal complaint (such as where a complainant refuses to participate in the grievance process but has not sent formal notice withdrawing the complaint, or where the respondent is not under the authority of the school).
