Traditional 2+2 Application Requirements

Min 3.0 Pre-Req GPA

All **bolded** Math/Science courses completed prior to application

By time of application, have completed 51 of 60 pre-requisite hours (this includes the math & science hours).

no more than 9 hours from non-math/science pre-requisites may be in-progress or planned at time of application.

Completion of TEAS Exam by application deadline.

Application Deadlines Fall entry: Feb 1

Spring entry: Aug 1

NOTE: The courses on this handout align specifically to UTHSA BSN program, however students are encouraged to consider applying to multiple nursing school programs. If you plan to apply to other BSN programs please know that some pre-requisites courses and application requirements referred to on this handout may change as each school determines their own pre-requisite courses and application requirements (including minimum GPA's; Entrance Exam required, etc.)

±effective Summer 2023 Microbiology BIO 1053 and BIO 1061 has new course prefix for MMI. Students who completed Microbiology under these prior course numbers still meet the UTHSA prerequisite.

^① *courses indicated will count toward the minimum 3.0 UTHSA BSN pre-requisite GPA required to apply.*

Majors Aligned to the Nursing Pre-requisite Courses*

- Medical Humanities Pre-Professional Concentration
- Nutrition and Health Allied health track
- Kinesiology Rehabilitation Sciences concentration
- Public Health Health Sciences concentration

Students interested in the Multidisciplinary Studies major, which provides an opportunity to earn both a BSN and a B.S. in Multidisciplinary Studies within four years, should visit the [Multidisciplinary Studies website](#) for more information.

**These majors will meet the Financial Aid Policy for Program of Study*
