Members of the Curriculum Committee were asked to consider several proposals from two departments:

Department of Information Systems and Management Technology

Proposal 1.   Minor in Digital Forensics

Minor in Digital Forensics

The Minor in Digital Forensics is open to all majors in the University. A student majoring in Information Systems will be required to take 18 semester credit hours of coursework. Other majors may be required to take additional hours depending on their academic background.

A. The following courses are required:

IS   3433   Introduction to Digital Forensics
IS   3513   Information Assurance and Security
IS   3523   Intrusion Detection and Incident Response
IS   4483   Digital Forensic Analysis I
IS   4523   Digital Forensic Analysis II
IS   3533   Cyber Law

Proposal 2.   Minor in Network and Data Center Management

Minor in Network and Data Center Management

The Minor in Network and Data Center Management is open to all majors in the University. A student majoring in Information Systems or Infrastructure Assurance will be required to take 21 semester credit hours of coursework. Other majors may be required to take additional hours depending on their academic background.

A. The following courses are required:

IS   3453 Networking Fundamentals
IS   3513 Information Assurance and Security
IS   3523 Intrusion Detection and Incident Response
IS   4033 Network Operations
IS   4213 Power and Air Conditioning
IS   4223 Emerging Network Technologies
MOT 4143 Introduction to Project Management

To declare a Minor in Network and Data Center Management, obtain advice or seek approval of course substitutions for course requirements, students must consult with the College of Business Undergraduate Advising Center.

The Committee reviewed the proposals provided by the Department and the Office of Undergraduate Studies Memorandum (Appendix A).

There are seventeen members on the Curriculum Committee. The majority of the FS Curriculum Committee members voted to approve both minors. The vote tally: 15 voted to approve the minors and 2 abstained.

Be it resolved that the Minor in Digital Forensics be approved.
Be it resolved that the Minor in Network and Data Center Management be approved.

Department of Finance

Proposal 1. Minor in Real Estate

Minor in Real Estate

The Minor in Real Estate is available to students pursuing a B.B.A. degree. All students pursuing the Minor in Real Estate must complete 19 semester credit hours of coursework.

A. 7 semester credit hours of required courses:

   FIN   3014   Principles of Business Finance
   RFD   3433   Principles of Real Estate

B. 12 additional semester credit hours of real estate courses
To declare a Minor in Real Estate, obtain advice, students should obtain advice from the College of Business Undergraduate Advising Center

Proposal 2. Name Change of a Minor

The Department requested that the name of a current minor be changed from Minor in Facility Management to Minor in Facility and Property Management since the program addresses both facility and property management.

Proposal 3. Change Prefix on Courses

The Department requested that the prefix on real estate finance and development courses be changed from FIN to REFD.

The Committee reviewed the proposals provided by the Department and the Office of Undergraduate Studies Memorandum (Appendix B).

There are seventeen members on the Curriculum Committee. The majority of the FS Curriculum Committee members voted to approve the minor and the name change and prefix changes. The vote tally: 14 voted to approve the minor and changes and 3 abstained.

Be it resolved that the Minor in Real Estate be approved.

Be it resolved that the change in name of the Minor in Facility Management be changed to Minor in Facility and Property Management be approved.

Be it resolved that the change in prefix from FIN to REFD be approved.
