

UTSA Faculty Senate Resolution

-Faculty Representation on Working Group to Review UTS 180

Send UTSA President Ricardo Romo and Provost John Frederick

The delayed implementation of UTS 180 provides an important opportunity to address employees' rights to privacy, potential negative effects on faculty recruitment and retention, and other issues regarding this rule. The Senate strongly encourages members of the UTSA administration to advocate for the inclusion of faculty representation on the working group being formed by the Chancellor to address concerns about UTS 180.

Resolution passed unanimously by the Faculty Senate of the University of Texas at San Antonio on May 2, 2013.
