- www.utsa.edu/trcss/foar

GRIP – Feb 7

- Graduate enrolment down, see report
- Discussion of faculty role in GRIP

Chairs' Council Feb 12

- PeopleSoft training

- Discussion of HOP 8.14 to 8.18

- EARN
  - Good participation for first time out: 13K flags raised, only 2K for advising

- Catalog revision deadlines

EARN

- First survey occurred last week
  - About 19% of surveys submitted
  - Even if you do not have any flags (e.g., not enough grades yet, everyone ok) click submit to indicate that you reviewed
- NEW: Zoom In feature
  - Allows alerts on basis of performance overall or on individual grade book items
  - Some setup required, but very effective for larger classes
  - Training will be available

Automatic Grade Transfer Process

- Piloting with COLFA and COEHD

- Requires correct set-up of gradebook

- Training

  - https://utsaonlinelearning.acuityscheduling.com/schedule.php

    - In drop down menu at bottom, click on arrow and select the course location.

    - A calendar will appear with dates.

    - Click on dates to see available time(s).

    - Downtown sessions available.

- Still must go to ASAP for F grades

PeopleSoft

- Postponed go-live to May 1
- Training will be available
