2022 Higher Education Social Media Engagement Report

Full Higher Education Social Media Rankings

2022 Higher Education Social Media Engagement Report

Everything your school needs to rock on social 🎓

We've got the full rankings for every D1 college and university on Instagram, Facebook, Twitter, and new this year, TikTok, so you can see exactly how your school measures up.

Read on for the full rankings and a spotlight on what made the top 10 schools shine on social.

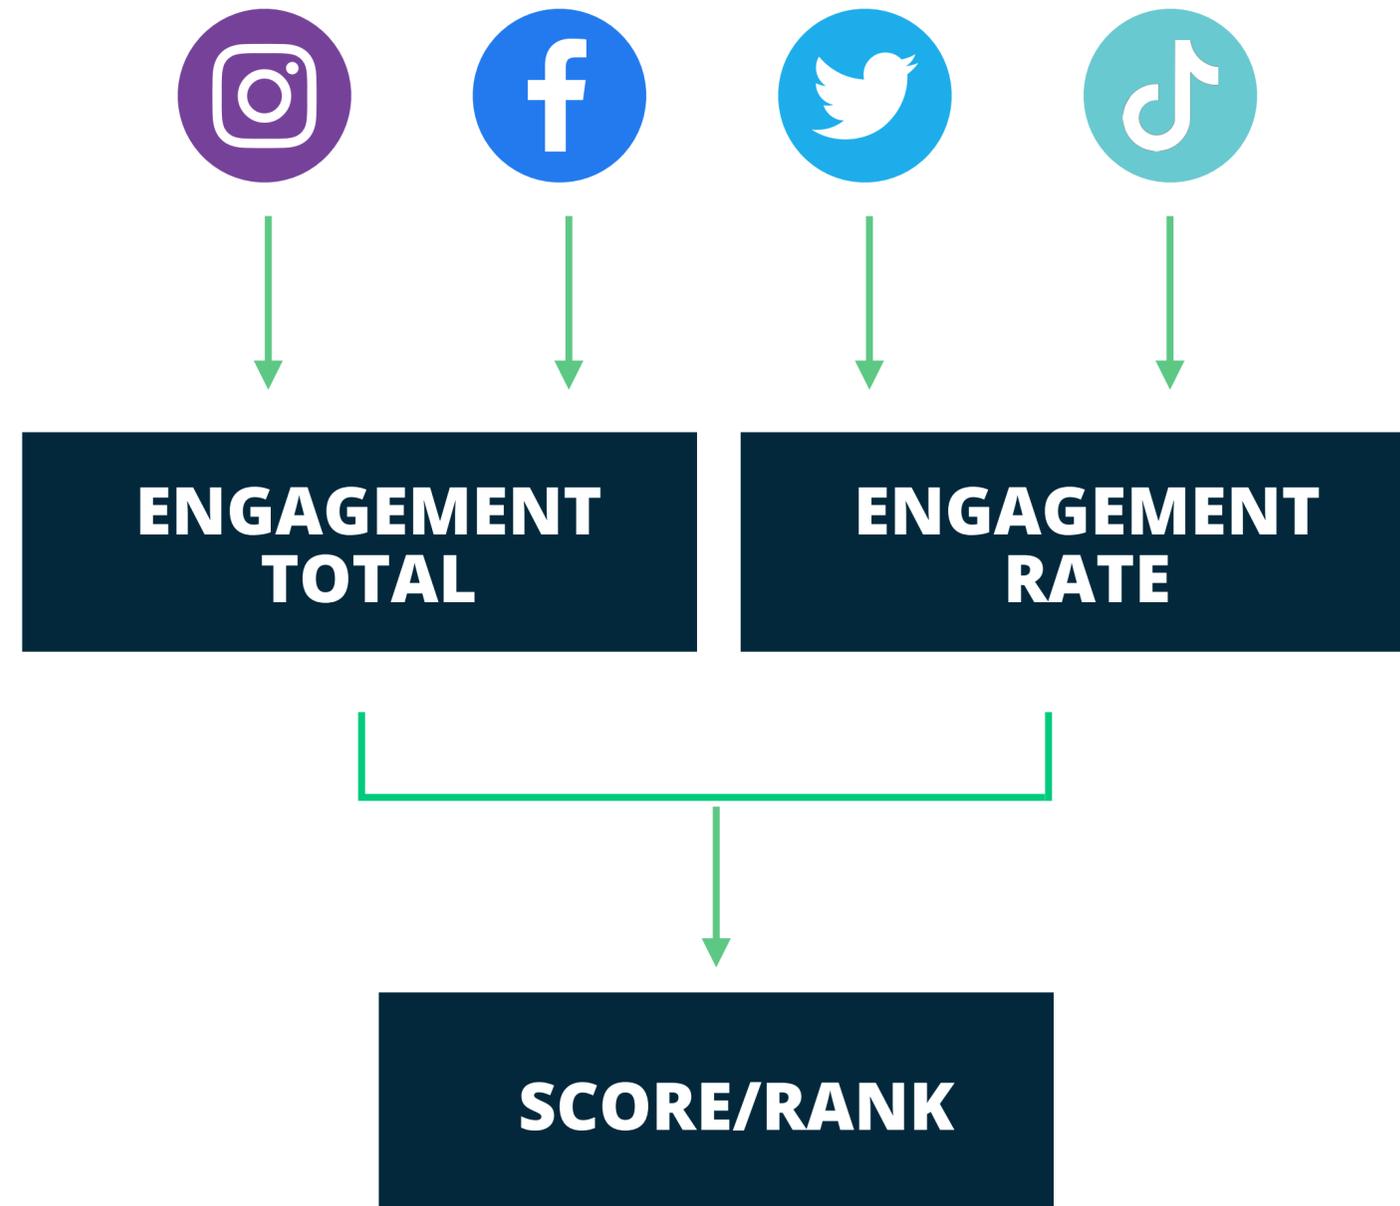

Rankings and Methodology

We surveyed 358 D1 colleges and universities between June 1, 2021 and May 31, 2022 on Instagram, Facebook, Twitter, and TikTok. Using this data and a weighted formula, we generated an overall engagement ranking for each school **that blends total engagement and engagement rates.**

The top-ranked colleges and universities on social media have high engagement rates with average or better audience size and posting volumes.

HIGHER EDUCATION SOCIAL MEDIA ENGAGEMENT REPORT | JUNE 1, 2021 TO MAY 31, 2022

#1

University of Iowa

Instagram #3

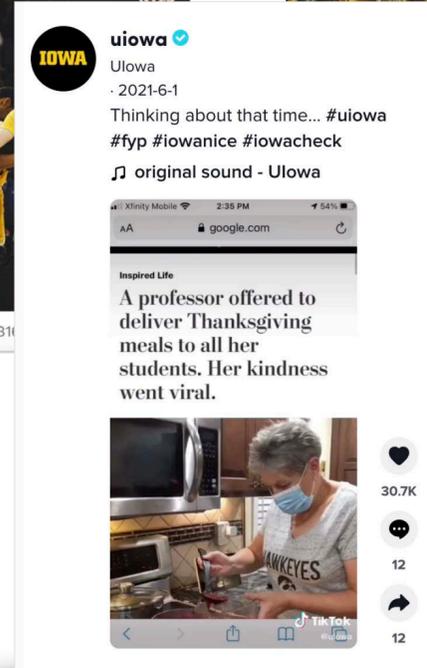

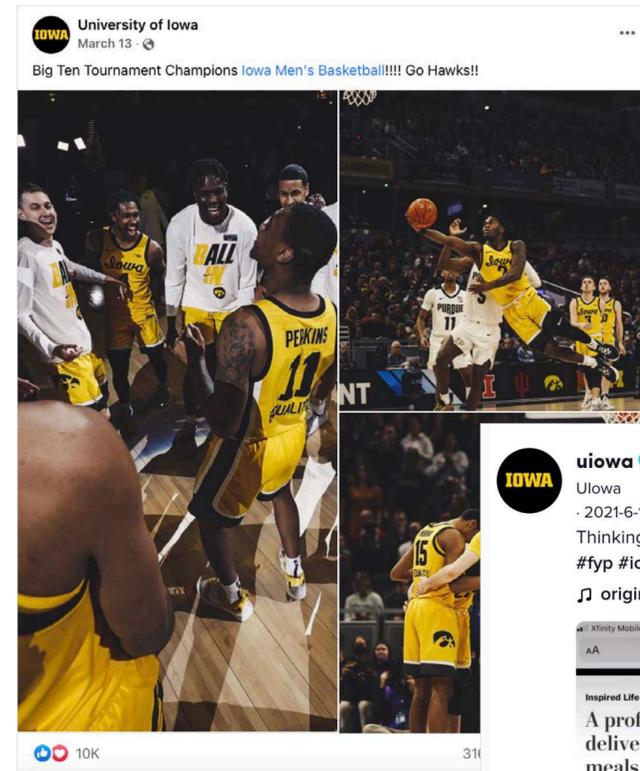

Facebook #1

Twitter #8

TikTok #41

Hawk-eyed (see what we did there?) readers of this report will note that the University of Iowa has grabbed the overall gold for the fourth year running thanks to truly stellar engagement across the board. Top ten finishes on three out of four channels helps too.

University of Iowa sees a lot of engagement with sports-related posts—especially when they can share a big win with their fans. Heartfelt posts featuring the school’s signature Hawkeye Wave or community members helping each other out were also top performers.

#2

James Madison University

Instagram #1

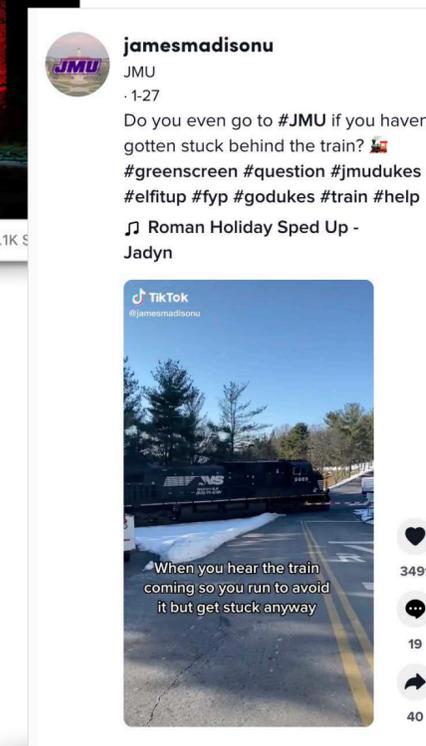

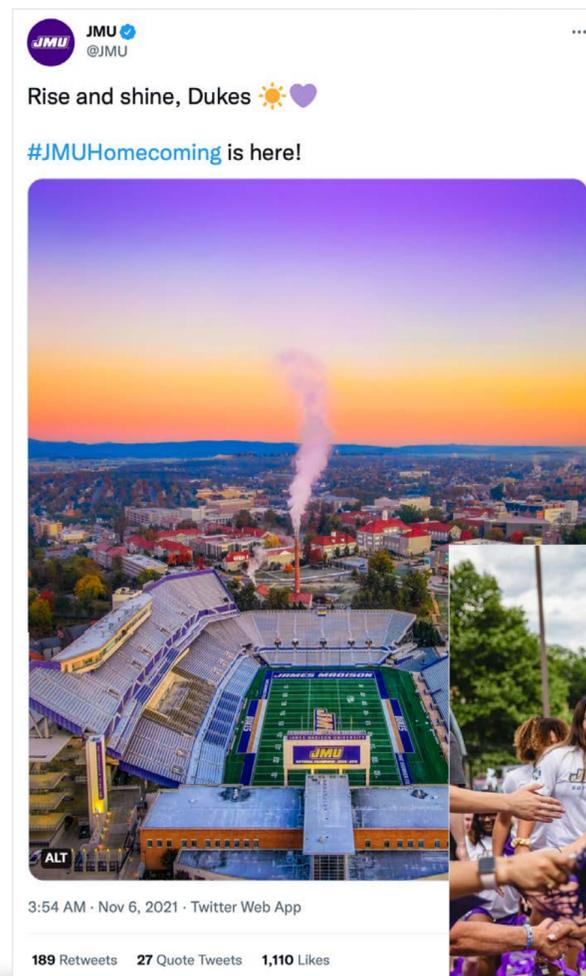

Facebook #4

Twitter #9

TikTok #44

James Madison University clinched the overall silver and the Instagram gold this year, proving once again that the Dukes are a force to be reckoned with on social.

We loved seeing women's sports help the Virginia university stand out on social this year alongside tons of campus glamour shots. Leaning into TikTok helped JMU show off traditions and slices of life like the infamous campus train, which fans and followers ate up.

#3

Utah State University

Instagram #20

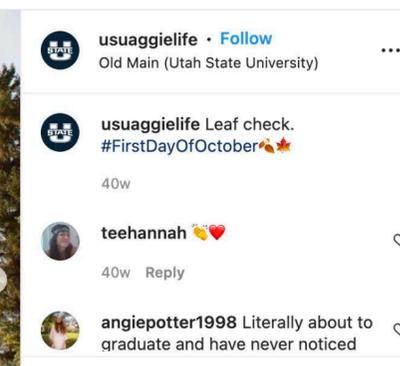

Facebook #22

Twitter #12

TikTok #24

Utah State University's small but mighty following helps them stay at the top of the social pack year over year. How do the Aggies manage top scores with a smaller-than-average follower count? Killer engagement rates, meaning a significant percentage of their fans are interacting with their posts.

Gorgeous snow-covered shots of campus landmarks and a healthy dose of humor had fans racing to smash the like, comment, and share buttons on all four channels.

#4

Georgia Tech

Instagram #5

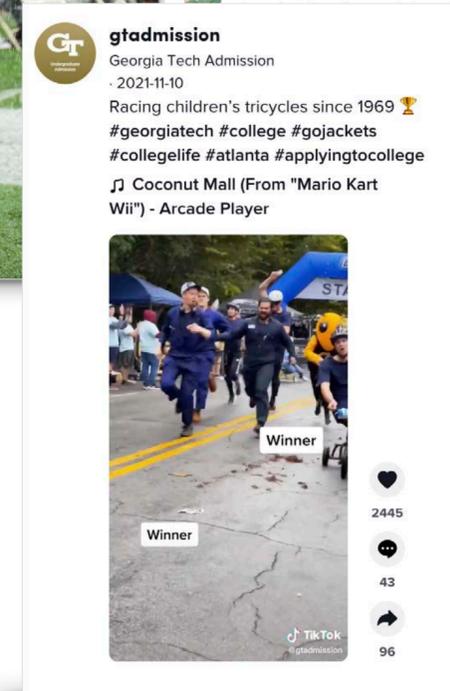

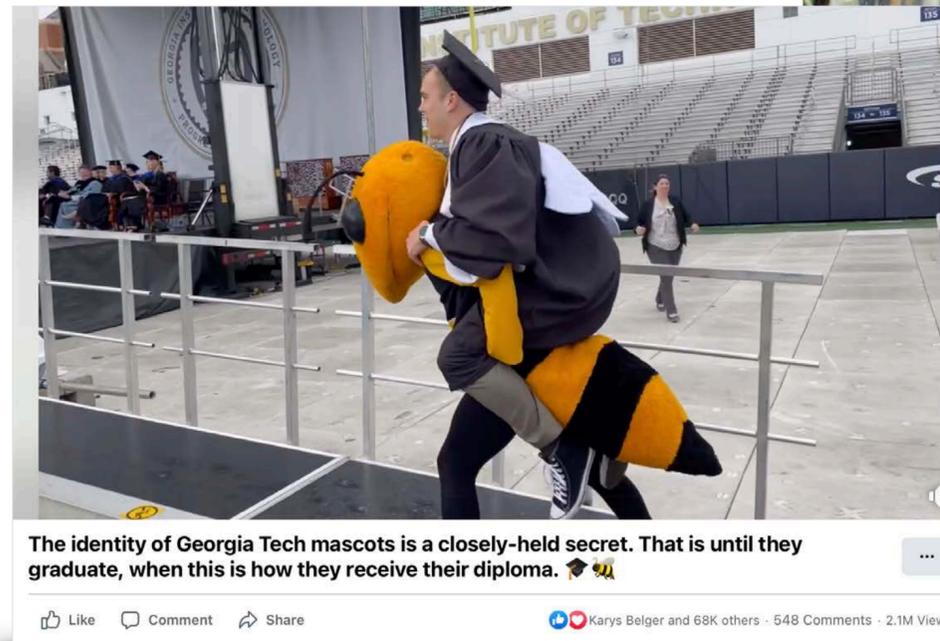

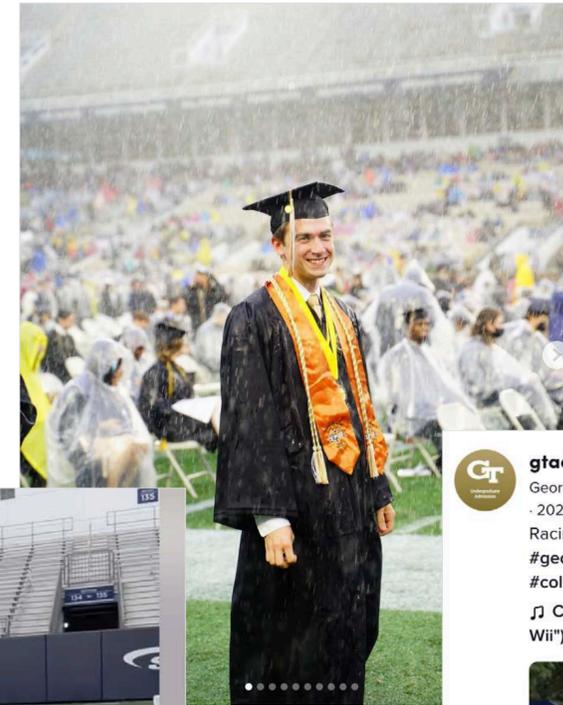

Facebook #2

Twitter #58

TikTok #17

Georgia Tech was all about showing off students and alumni this year on social, which led the university to a fourth place finish overall and top 10 finishes on Instagram and Facebook. From one-of-a-kind campus shots by current students to bragging about recent grads, Georgia Tech was all about the student experience on social, and it paid off.

The university leaned into humor more on Twitter and TikTok, which earned engagements by making fun of rival schools and poking fun at the admissions team.

#5

Ohio University

Instagram #48

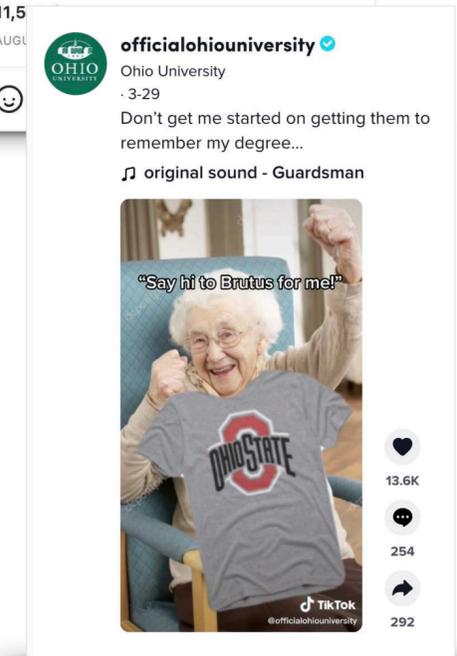

Facebook #21

Twitter #6

TikTok #37

Aerial shots and classic views of Ohio University's iconic Athens campus and surroundings brought about tons of nostalgia-themed engagements, and helped the school grab sixth place overall this year. Fans and followers ate up the chance to reminisce about good times spent in the classic college town and to wish current students luck with their own Ohio University career.

The university shook it up on TikTok by handing the account over to current students, who brought a fresh and funny perspective to the university's social.

#6

University of South Carolina

Instagram #65

Facebook #19

Twitter #14

TikTok #22

Commencement was a huge hit for University of South Carolina on social this year, topping the charts across Facebook, Instagram, and Twitter. Fans were especially delighted to cheer on graduating student mascots, who wore the traditional Gamecock feet to walk to their diploma.

When not leaning full force into graduating Gamecocks, USC took to TikTok to provide tips and behind-the-scenes looks at life on campus to current students.

#7

University of Georgia

Instagram #9

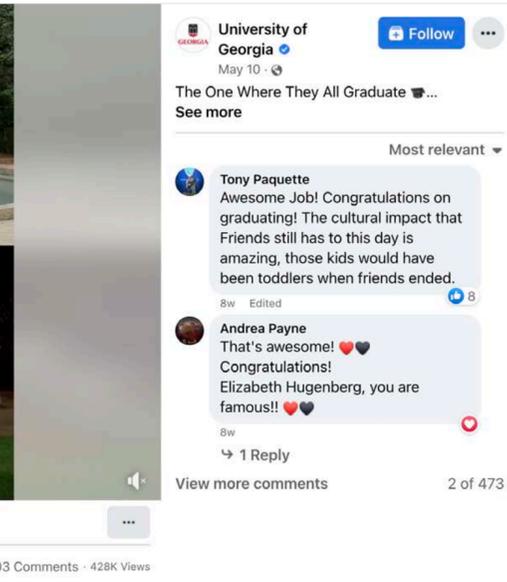

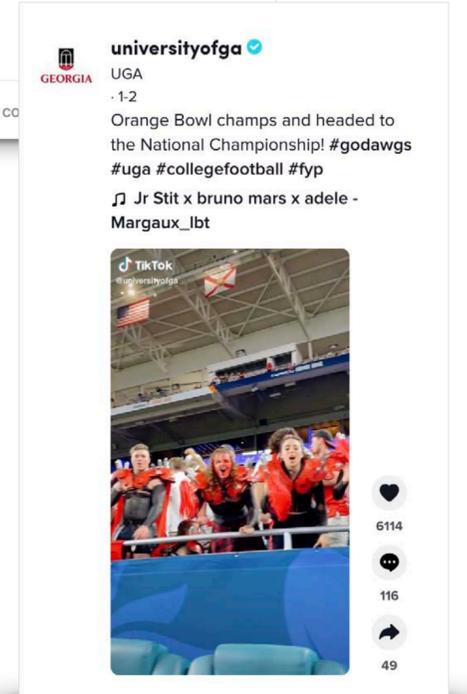

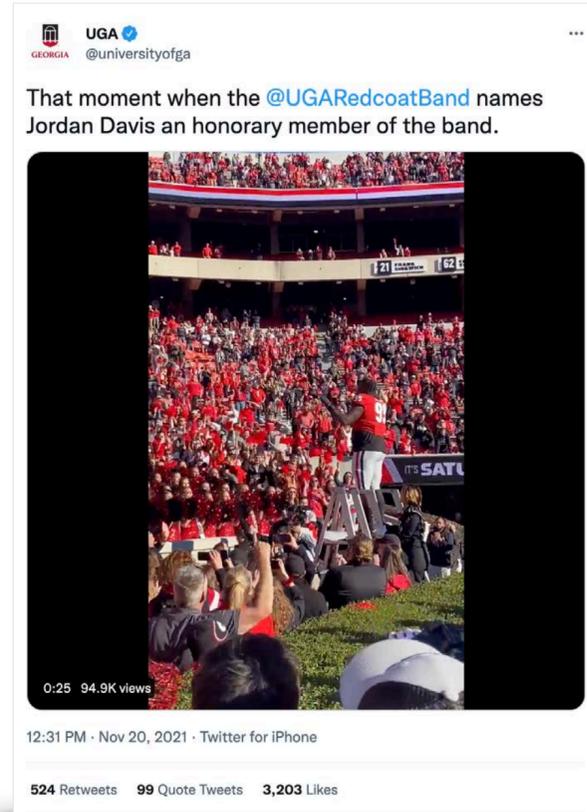

Facebook #59

Twitter #38

TikTok #15

Many D1 schools find what's working well on one channel and then try to replicate that success with similar media or strategies on others, but University of Georgia is all about tailoring content for each channel, and it's paying off. UGA focused more on student stories and compelling photography on Facebook and Instagram, while it was all about sports wins and campus pride on Twitter and TikTok.

Gorgeous carousels with stunning close-ups helped UGA clinch 9th on Instagram and 7th overall.

#8

Baylor University

Instagram #63

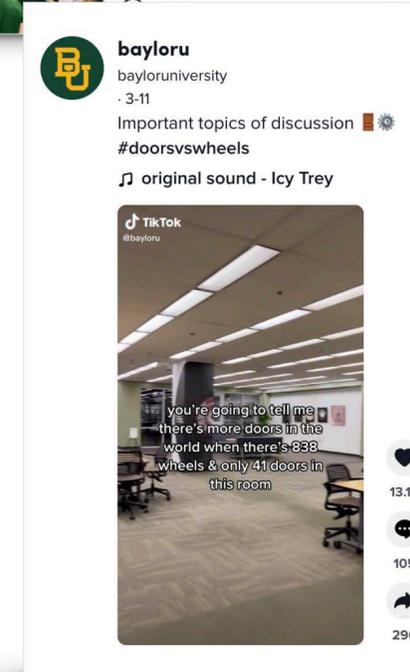

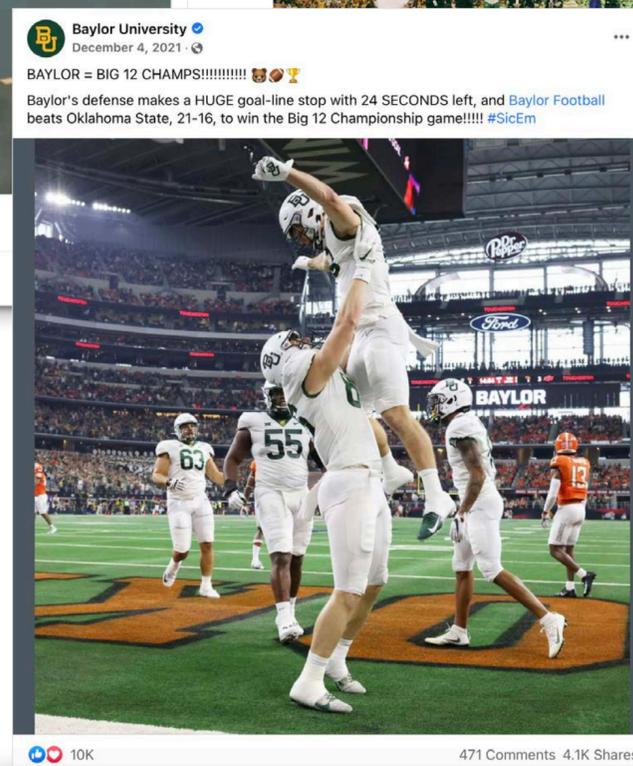

Facebook #45

Twitter #16

TikTok #3

If you know anything about Baylor University, it's that they dominate on the field, court, and wherever else sports are played. Baylor leaned into these wins in a big way on social this year, and fans loved having a chance to celebrate big wins even if they couldn't be on campus.

The university also excelled on TikTok, beating out many other schools with fun and sassy videos that showed life on campus from the perspective of current students which helped Baylor earn hundreds of thousands of likes, comments, and shares.

#8

Tarleton State University

Instagram #21

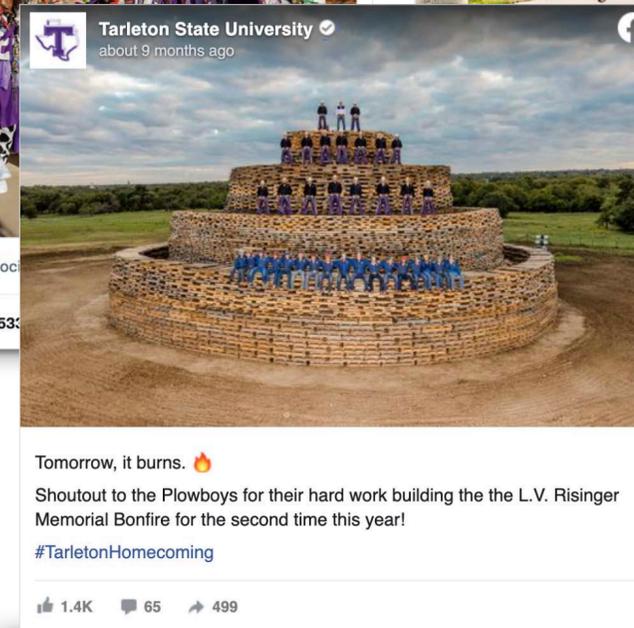

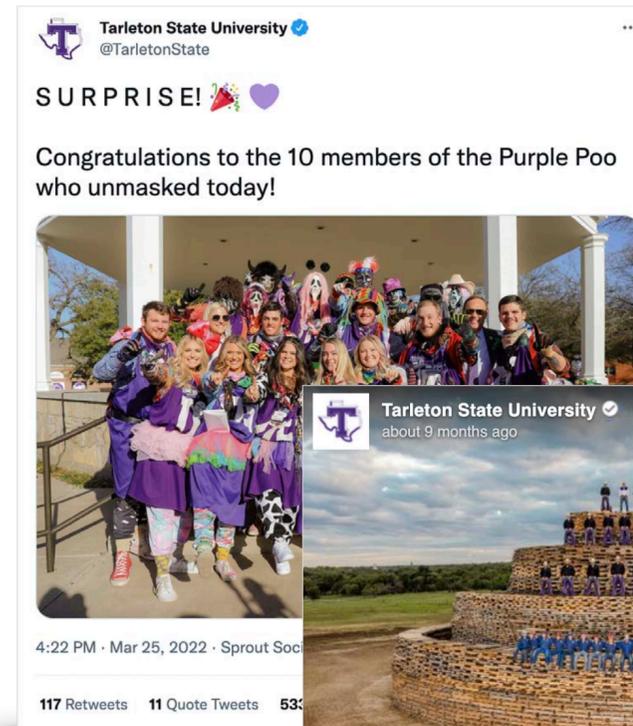

Facebook #13

Twitter #19

TikTok #74

Campus glamour shots dominate all of Tarleton State University's social handles this year, evoking epic nostalgia for alums of this Texas university. From snow days to corn mazes to the new campus Chick-fil-A, there's something for every Texan in the Tarleton feed.

When not posting photos of their drool-worthy campus, Tarleton's most engaging posts of the year featured not-so-humble brags about current students making the university proud.

#10

Clemson University

Instagram #86

Facebook #30

Twitter #23

TikTok #16

Clemson excelled on TikTok when many other universities struggled, which helped the Tigers land a coveted spot in the overall top 10. The university leaned into sporting wins and other chances for far-away alums to celebrate on TikTok to grab 16th place there.

Of course, sports were a winning strategy on other channels as well. Clemson had lots for followers to celebrate, from a huge soccer victory to a current junior vying for the win on the Jeopardy National College Championship.

The collage features four social media posts:

- Twitter:** A tweet from @ClemsonUniv celebrating the 2021 National Champions soccer team. The text reads: "2021 NATIONAL CHAMPIONS !! Congratulations, @clemsonmsoccer! 🏆🏆❤️ #ClemsonUnited". It includes a photo of the team celebrating with a trophy and a photo of a player in a red jersey.
- Facebook:** A post from Clemson University dated February 9, announcing that Pauline Bisaccio, a junior in biochemistry and psychology, will represent Clemson on the Jeopardy! National College Championship. It includes a photo of Pauline at the Jeopardy! podium.
- Instagram:** A post from clemsonuniversity celebrating the soccer team. The text reads: "clemsonuniversity proud to be Tigers." It includes a photo of the soccer team in orange jerseys.
- TikTok:** A post from clemsonuniv showing a student holding a megaphone. The text reads: "clemsonuniv · 2021-12-12 Welcoming home our National Champions 🏆@clemsonmsoccer #clemsonunited". It includes a photo of a student in a white shirt and orange hat.

About Rival IQ

Rival IQ is a social media analytics toolkit that helps you:

Supercharge your social landscape

Track results across all social profiles, including engagement, influencers, social bios, and sentiment—for you and your competitors.

Stay ahead of your competition

Conduct competitive analysis in minutes. Monitor your industry, create benchmarks, and evaluate competitor activity in time to respond before the market shifts direction.

Do more with your social data

Dive deeper into your social media analytics for Facebook, Instagram, Twitter, LinkedIn, YouTube, TikTok, boosted post detection, hashtag analysis, and so much more.
