RULES AND REGULATIONS OF THE BOARD OF REGENTS

All students of The University of Texas at San Antonio are subject to the rules and regulations governing student conduct and discipline as set out in the *Rules and Regulations* of the Board of Regents of The University of Texas System and in the UT San Antonio *Institutional Rules on Student Services and Activities*.

The Regents' *Rules* and the *Institutional Rules on Student Services and Activities* have full force and effect as they concern all UT San Antonio students. The Regents' *Rules* may be consulted in the offices of the President, the Vice Presidents, and the Deans and in the John Peace Library.

A student at The University neither loses the rights nor escapes the responsibilities of citizenship. He or she is expected to comply with both the penal and civil statutes of the State and the federal government, the *Rules and Regulations* of the Board of Regents, and the policies and procedures of The University of Texas at San Antonio.

The *Institutional Rules on Student Services and Activities* may be obtained in the Office of the Dean of Students.

STUDENT HEALTH SERVICES

The application for admission to The University of Texas at San Antonio includes an Immunization Record Form. This form must be completed by the student's family physician and returned to The University Student Health Center before the student can register.

When The University is in session, a registered nurse is on duty during class hours, and, when needed, a referral is made to a physician for medical treatment. The University Student Health Center has only limited medical capabilities.

Students are advised to carry health and accident insurance. Out-of-town students should have documents to verify insurance coverage to avoid possible delays in obtaining medical treatment.

COUNSELING CENTER

The Counseling Center provides professional services which are designed to help meet the personal and developmental needs of students.

Services offered include individual sessions for personal, educational, and vocational concerns as well as services to couples with relationship difficulties. Group sessions are offered on a regular basis on topics such as assertion training, personal growth, and weight control.

In addition, self-help cassette tapes are available for listening in person or by phone on a variety of topics ranging from friendship-building to suicidal crisis.

Counseling psychologists in the Center deal with a variety of student concerns and utilize counseling techniques, psychological assessment, and other aids to assist students. All counseling is free, confidential, and on a voluntary basis.

TESTING CENTER

The Testing Center provides a university-wide testing service. National tests are given on national testing dates. For the student seeking a better self-understanding, interest and personality inventories, achievement tests and intelligence tests may be scheduled by appointment in the Testing Center.

Students are encouraged to satisfy degree requirements through credit by examination (covered in Section VII). A brochure on Credit by Examination at UT San Antonio is available on the various tests which are accepted for credit by The University. For

additional information students should consult the Credit by Examination section of the present catalog and the Credit by Examination brochure available from the Testing Center, as well as in the Admissions Office.

FINANCIAL AID

Scholarships, grants-in-aid, and loans are administered through the Office of Student Financial Aid. Financial aid counseling for students and/or parents is an integral part of the total financial aid function. Applicants are urged to contact the UT San Antonio Office of Student Financial Aid for guidance concerning opportunities for self-help and sources of financial aid that will assist them in making decisions about financing their education.

UT San Antonio participates in the following state and federal financial aid programs: Basic Educational Opportunity Grant, College Work Study, Supplemental Educational Opportunity Grant, Texas Public Educational Grant, Law Enforcement Education Program, Federally Insured Student Loan, Hinson-Hazlewood Student Loan, and the National Direct Student Loan. Short-term emergency loans of up to \$120 are available but must be repaid within the semester in which they are made.

Application forms and information on how to apply for each of these programs are available at the Office of Student Financial Aid.

Scholastic aptitude and financial need are important factors in determining eligibility for most programs. Financial need is determined by a need analysis received after the applicant completes and submits a financial statement to the College Scholarship Service or the American College Testing Program. Consideration for eligibility for a Basic Grant will be given automatically to all undergraduate applicants who file a financial statement; therefore, undergraduate students are encouraged to comply with this requirement early in the Spring of each year.

Each financial aid applicant must:

1. Be officially admitted to The University.
2. File a financial statement with the College Scholarship Service or the American College Testing Program.
3. File a UT San Antonio Application for Financial Aid with the Office of Student Financial Aid.
4. Meet deadlines set by the Office of Student Financial Aid.

The Texas Rehabilitation Commission offers assistance for tuition and nonrefundable fees to students who have certain disabling conditions provided their vocational objectives have been approved by a Texas Rehabilitation Commission counselor. Examples of such conditions are orthopedic deformities, emotional disorders, diabetes, epilepsy, heart conditions, etc. Other services are also available to assist the handicapped student to become employable. Application for such service should be made at the Texas Rehabilitation Commission, 1222 N. Main Avenue, San Antonio, Texas.
