STUDENT SUCCESS TRAJECTORY

UTSA puts students first by cultivating an environment focused on their success. As a next generation Hispanic-thriving, multicultural institution where students from all backgrounds can excel, UTSA serves as a prosperity engine graduating world-engaged civic leaders of tomorrow. UTSA has seen dramatic momentum over the last decade to retain and graduate more students.

FIRST YEAR RETENTION RATE

More than three-quarters of freshmen return for their sophomore year - an indicator of satisfaction with their first year experience. UTSA has an institutional focus on increasing retention, as indicated by the committed efforts detailed below.
