

STUDENT SUCCESS TRAJECTORY

UTSA puts students first by cultivating an environment focused on their success. As a prosperity engine graduating world-engaged civic leaders of tomorrow, UTSA has seen dramatic momentum over the last decade to retain and graduate more students.

79%

FIRST YEAR RENTENTION RATE

More than three-quarters of freshmen return for their sophomore year - an indicator of satisfaction with their first year experience. UTSA has an institutional focus on increasing retention, as indicated by the committed efforts detailed below.
