III. Comments:

9. Comments regarding significant changes from previous year's corresponding quarter.

Enrollment for FY 2019 is greater than FY 2018 and thus we are using more part-time teaching support to support the enrollment growth experienced. This includes part-time faculty and graduate teaching assistance. In addition, our graduate research assistance is increasing due to our focus on research. Student employees also is showing an increase over last year for both regular students and work-study.

FTE limitation: 2,328.4
