SB1414: Child Protection Training

Instructions: Senate Bill 1414 requires all who work/volunteer* in campus programs involving contact with minors complete SB1414: Child Protection Training. This training must be completed within the first five (5) days of employment (with the program). You must review the SB1414: Child Protection Training lesson and pass the SB1414: Child Protection Training-Quiz with a 70% or better. Once you have completed the quiz, you must PRINT your certificate and give it to your Program Operator/Director/Coordinator.

The Program Operator/Director/Coordinator is required to submit a verification form to the Department of State Health Services (DSHS) within five (5) days of the start of the program verifying that each employee/volunteer* of the campus program has complied with the training requirement.

*Note: UTSA expanded the training requirement to include those in unpaid positions (e.g., volunteers)

More information regarding SB1414 and the training requirement can be found on the Office of Institutional Compliance & Risk Services website: http://www.utsa.edu/acrs/Training/sb1414_training.html
