

EPIC Mentor Contact Sheet

I would like to serve as an EPIC Mentor.

I would like to learn more before signing up.

Please fill out the contact information below for us to stay connected. Information regarding EPIC, student meeting ideas and how to instruct students to document their interactions will be included in a forthcoming letter. Please do not hesitate to contact us with any questions. Our contact information is below.

Name: _____

Title: _____

Office: _____

Preferred Email: _____

Phone: _____ Fax: _____

Campus Office Location: _____

Please indicate below possible personal (when appropriate) or professional discussion points for students (i.e. you volunteer at YMCA, you administer short terms loans at UTSA, you have knowledge of evening events for students, research how substances can affect memory.) If you are unsure of what to include please do not hesitate to contact a Student Conduct and Community Standards staff member for consultation.

Special Note: *To put the time commitment in perspective, please know that at your busiest times of the year, we understand and support that you may need to designate someone else in your office to meet with students. The students on EPIC journeys are responsible for contacting, setting up the meeting and coming prepared to ask questions. They are also responsible for submitting verification to our offices. Therefore, the time you spend in the meeting should average 15-30 minutes. Our EPIC Mentors average 5-10 student contacts per semester.*
