Thursday, March 19, 2020

Dear Roadrunner Family,

UTSA Athletics is privileged to have you as a valued member of our Roadrunners family, and family is what will help us get past these unprecedented times. The COVID-19 (coronavirus) pandemic has affected every part of our daily lives, and the sports world is no exception.

I wanted to share an update on measures that have been implemented as a result of the rapidly changing coronavirus situation:

- The NCAA has canceled all remaining championships for winter and spring sports.
- Conference USA has canceled all spring sport competition and championships.
- UTSA Athletics has suspended all team activities, including practice, for all 17 sports.

While we are disappointed for everyone involved that our spring seasons have been cut short, we understand and fully support the tough decisions that have been made over the last several days. It is heartbreaking to realize that some of our student-athletes will not get to finish their senior seasons, but we are working on plans to honor those student-athletes who will not return for another year at UTSA.

We realize that the cancellation of our home spring sports events also impacts you. Those who have purchased tickets for UTSA home events that have been canceled will be contacted directly by a UTSA Athletics Ticket Office representative for refunds.

Our staff remains hard at work preparing for the 10th season of UTSA Football this fall. We have exciting things planned for the 2020 season and will share that news with you soon.

The health, safety and wellbeing of our community is our top priority. We will keep you informed of any future news and updates. Thank you for your patience and understanding during these challenging times.

Please stay safe and healthy.

Birds Up!

Sincerely,

Lisa Campos, Ed.D  
Vice President for Intercollegiate Athletics
