FROM: Taylor Eighmy, President and Chief Executive Officer

DATE: October 1, 2025

RE: Chief Executive Officer Reporting Requirement Under §51.253(c), Tex. Educ. Code for the

UT San Antonio Legacy Campus and Health Science Center

Section 51.253 (c), Tex. Educ. Code and 19 Tex. Admin. Code §3.6(c) and 3.19(a) require institutions of higher education to submit a Chief Executive Officer Report ("CEO Report") to the institution's governing body and post the report on the institution's internet website "at least once annually," by October of each year.

The CEO Report must contain (1) all reports received by employees under §51.252, Tex. Educ. Code that constitutes "sexual harassment," "sexual assault," "dating violence," or "stalking" (as defined in the §51.251, Tex. Educ. Code), and (2) any disciplinary actions taken under §51.255, Tex. Educ. Code regarding allegations of an employee's failure to report or submit a false report to the institution for alleged incidents of sexual harassment, sexual assault, dating violence, or stalking. The reports received may be applicable in multiple reporting categories, and therefore, the CEO summary data reflected in the categories may not add up to the totals of other categories.

In compliance with the Chief Executive Officer's TEC reporting requirements, the enclosed CEO Report for the UT San Antonio Legacy Campus includes all of the required reporting to the U.T. System Board of Regents for the 2024-2025 academic year (Appendix A) and status updates to the 2023-2024 academic year (Appendix B) as of **September 30, 2025.** The CEO Report is based on the reporting requirements under §51.253(c), Tex. Educ. Code, along with supplemental category breakdowns, when applicable.

In compliance with the Chief Executive Officer's TEC reporting requirements, the enclosed CEO Report for the Health Science Center includes all of the required reporting to the U.T. System Board of Regents for the 2024-2025 academic year (Appendix A) and status updates to the 2023-2024 academic year (Appendix B) as of **August 31, 2025**. The CEO Report is based on the reporting requirements under §51.253(c), Tex. Educ. Code, along with supplemental category breakdowns, when applicable.

In accordance with the law, this CEO report will be posted on the **UT San Antonio** Equal Opportunity

Services and Title IX (EOS) website, and respectively on the UT San Antonio Health Science Center Office

of Educational Support Services (OESS) website as required by §51.253(c), Tex. Educ. Code, and a copy of
this CEO report (along with an annual certification of compliance) will be submitted to the Texas Higher

<sup>1</sup> Not all reports of alleged sexual harassment, sexual assault, dating violence, and stalking against a student or employee are reflected in the CEO Report. Reports made by students and all other non-employees (including incidents under 19 Tex. Admin. Code Section 3.5(d)(3)) directly to the Title IX Coordinator are excluded. Additionally, if a Title IX Coordinator or Deputy Coordinator determines that the type of incident described in a report, as alleged, does not constitute "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the §51.251, Tex. Educ. Code the report is excluded. When identifiable, duplicate reports were consolidated and counted as one report in the summary data. For example, two employees may witness the same incident of sexual harassment and then report it to the Title IX Coordinator. If the Title IX Coordinator can identify the two reports as being the same incident, then the incident will be counted once. It is the responsibility of the Title IX Coordinator or Deputy Title IX Coordinator to assess each report received and determine whether it is properly included in this report, and if so, to correctly identify the type of incident.

<sup>&</sup>lt;sup>2</sup> A confidential report consists only of the "type of incident" from a confidential employee to the Title IX Coordinator; therefore, personally identifiable information is excluded under these circumstances. Examples of confidential employees may include victim advocates for students, student ombuds, or those who work in a counseling center.

<sup>&</sup>lt;sup>3</sup> Some investigation reports contain an investigator's preliminary determination regarding the respondent's responsibility. But in other instances, for example, those classified as "Title IX" investigations, the investigation report will not contain a preliminary determination because the Title IX regulations, effective August 14, 2020, prohibit investigator determinations regarding responsibility.

<sup>&</sup>lt;sup>4</sup> No Finding of a Policy Violation" in this section refers to instances where there is no finding of responsibility after a hearing or an appeal process; investigations completed with a preponderance of evidence not met are excluded since it would not have moved forward into a disciplinary process.
