The University of Texas at San Antonio

OVERVIEW

Institutions like The University of Texas at San Antonio are the cornerstone of great cities, producing the knowledge and future leaders that will find solutions to society's greatest challenges. To affirm a bold trajectory toward a bright future, UTSA has launched a comprehensive campaign to support a 10-Year Strategic Vision that will take the university to new levels of excellence. The campaign, which also extends 10 years and has a working goal of raising \$500 million, is focused on providing improved infrastructure and resources for its exceptional students and faculty. **Be Bold: A Campaign for Our Future** is the largest fundraising campaign in the history of our university and is grounded in three distinct destinations: Student Success, Research Excellence, and Strategic Growth. Our hope is that this campaign will inspire the opportunities, innovations, and partnerships that will help shape the future of UTSA, San Antonio, the State of Texas and beyond.
