A  
MESSAGE  
FROM PRESIDENT  
**TAYLOR  
EIGHMY**

With a focus on student success and research excellence, The University of Texas at San Antonio (UTSA) remains keenly focused on rising to new heights as a model, urban-serving discovery enterprise. We're committed to redefining higher education as a next-generation Hispanic-thriving university where all students excel, regardless of their background.

As the largest four-year doctoral-granting research university in San Antonio, we recognize our responsibility to educate and empower the talented workforce our city and state need to address society's grandest challenges—and, we don't take that responsibility lightly.

Every day, our incredible faculty and staff are striving to create new, accessible opportunities for all Roadrunners to learn, explore, and discover so that when they graduate, they can go out and change the world.

For these reasons and more, UTSA is a driving force for both economic and workforce development, and together—with your support—we can achieve even more. As a President's Associate, you'll have the opportunity to directly connect with and contribute to the work we're doing to remove barriers and ensure a bold future for all Roadrunners.

I invite you to join us in our mission to create upward mobility and lasting change for our students, their families, and the entire San Antonio community.

With appreciation,

Taylor Eighmy  
President

How UTSA Honors  
**YOUR COMMITMENT**

Invitations to exclusive events  
and receptions

President's Associates lapel pin

Sombrilla Magazine  
(UTSA's official publication)
