

FUTURE FOUNDER'S PLEDGE AGREEMENT FORM

**Future Founder's Pledge Agreement Between _____ (name)
And The University Of Texas At San Antonio**

I am pleased to formalize my intention to make a future charitable contribution to The University of Texas at San Antonio ("UTSA"), and to demonstrate my support for the advancement of UTSA's mission and encourage philanthropy amongst entrepreneurs who are engaged UTSA community members, as follows:

My Future Founder's Pledge

As a/an _____ (Founder, Director, President etc.) of _____ (name of company), which is currently a private, nonpublic company or corporation, I am pleased to express my intention to give cash or publically-traded securities equal or in excess of ____ percent (%) of my equity upon a future Liquidity Event. For the purposes of the Future Founder's Pledge, a "Liquidity Event" shall mean an initial public offering, merger, or acquisition involving my Company or my receipt of cash, publically traded securities, or options. UTSA understands that this Future Founder's Pledge is nonbinding and does not change or transfer ownership or rights of my Company.

My RSVP to the Future Founder's Society

I understand that, in recognition of my Future Founder's Pledge, I will be invited to join the Future Founder's Society, which recognizes visionary entrepreneurs and leaders. Details of the Future Founder's Society are described in a separate plan and apart from this Future Founder's Pledge, which may be modified as this initiative is piloted and expanded.
