I. POLICY STATEMENT

The University of Texas at San Antonio (the University) is committed to maintaining a learning and working environment that is free from discrimination based on sex in accordance with Title IX of the Higher Education Amendments of 1972 (Title IX), which prohibits discrimination on the basis of sex in education programs or activities; Title VII of the Civil Rights Act of 1964 (Title VII), which prohibits sex discrimination in employment; and the Campus Sexual Violence Elimination Act (SaVE Act), Violence Against Women Act (VAWA), and Clery Act. Sexual Misconduct, Retaliation, and other conduct prohibited under this Policy will not be tolerated and will be subject to disciplinary action.

The University will strive to promptly begin the complaint resolution process, adjudicate the complaint, as appropriate, and discipline any individuals or organizations within its control who violate this Policy. The University encourages prompt reporting of incidents that could constitute violations of this Policy to the Title IX Coordinator (as outlined in Section IX of this Policy)

Free Speech. Freedom of speech and principles of academic freedom are central to the mission of institutions of higher education. Constitutionally protected expression cannot be considered Sexual Misconduct under this Policy.

It also applies regardless of the gender, gender identity or sexual orientation of the parties.

Prohibited Conduct under this Policy: Sexual Misconduct (which includes Sex Discrimination, Sexual Harassment, Sexual Assault, Domestic Violence, Dating Violence, Stalking, and Other Inappropriate Sexual Conduct); Sexual Exploitation; Retaliation; Failure to Report (for a Responsible Employee); and False Information and False Complaints. VII. DEFINITIONS¹

- A) **Coercion** – The use of pressure to compel another individual to initiate or continue sexual activity against an individual's will. Coercion can include a wide range of behaviors, including psychological or emotional pressure, physical or emotional threats, intimidation, manipulation, or blackmail that causes the person to engage in unwelcome sexual activity. A person's words or conduct are sufficient to constitute coercion if they eliminate a reasonable person's freedom of will and ability to choose whether or not to engage in sexual activity. Examples of coercion include, but are not limited to, threatening to "out" someone based on sexual orientation, gender identity, or gender expression; threatening to harm oneself if the other party does not engage in the sexual activity; threatening to disclose someone's highly personal images; threatening to disclose sensitive details about one's sexual preferences, habits, and/or experiences; and threatening to expose someone's prior sexual activity to another person.
- B) **Complainant** – The individual who is alleged to be the victim of any prohibited conduct under this Policy.

¹ The definitions provided in the main body of the Policy are the definitions adopted by the University. When applicable, the state law definitions have been included. In any criminal action brought by law enforcement, the state law definition will apply.

C) Confidential Employees – Confidential Employees include counselors in Counseling and Mental Health Services,² a health care provider at Wellness 360 (UTSA’s student health services), or clergypersons. Additionally, employees who receive information regarding an incident of Sexual Misconduct under circumstances that render the employee’s communications confidential or privileged under other law (such as attorneys) are also considered “Confidential Employees.” The University has designated the Counseling and Mental Health Services, Wellness 360, PEACE Center (Campus Advocate) and Student and University Ombudspersons as confidential employees. However, all employees designated as Campus Security Authorities (CSAs) under the Clery Act must follow Clery reporting processes as well.

1. Note: Under state law, Confidential Employees who receive information regarding incidents of sexual harassment, sexual assault, dating violence or stalking committed by or against a student or an employee of the University, are required to report the **type of incident** to the Title IX Coordinator (or Deputy Coordinator(s)). Confidential Employees may not include any information that would violate a student’s expectation of privacy. The Confidential Employee’s duty to report an incident under any other law also applies. At the University, Confidential Employees report the type of incident to the Title IX Coordinator on a monthly basis using a reporting form.

D) Consent – A voluntary, mutually understandable agreement that clearly indicates a willingness to engage in each instance of sexual activity. Consent to one act does not imply consent to another act. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another person. Consent can be withdrawn at any time. Any expression of an unwillingness to engage in any instance of sexual activity establishes a presumptive lack of consent.

1. Consent is not effective if it results from:
 - 1.1 the use of physical force;
 - 1.2 a threat of physical force;
 - 1.3 intimidation;
 - 1.4 coercion;
 - 1.5 incapacitation; or
 - 1.6 any other factor that would eliminate an individual’s ability to exercise the individual’s own free will to choose whether or not to have sexual activity.
2. A current or previous dating or sexual relationship, by itself, is not sufficient to constitute consent. Even in the context of a relationship, there must be a voluntary, mutually understandable agreement that clearly indicates a willingness to engage in each instance of sexual activity.
3. The definition of consent for the crime of sexual assault in Texas can be found in Section 22.011(b) of the Texas Penal Code.³

² The University’s Counseling and Mental Health Services anticipates changing its name to Wellness 360 as of January 1, 2022.

³ Texas Penal Code, Section 22.011(b) states that a sexual assault is without consent if: (1) the actor compels the other person to submit or participate by the use of physical force or violence; (2) the actor compels the other person to submit or participate by threatening to use force or violence against the other person, and the other person believes that the actor has the present ability to execute the threat; (3) the other person has not consented and the actor knows the other person is unconscious or physically unable to resist; (4) the actor knows that as a result of

E) Dating Violence⁴ – Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

1. The existence of such a relationship shall be determined based on the consideration of the following factors:
 - 1.1 The length of the relationship;
 - 1.2 The type of relationship; and
 - 1.3 The frequency of interaction between the persons involved in the relationship.
2. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. It does not include acts covered under the definition of domestic violence.

F) Domestic (Family) Violence⁵ – includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the State

mental disease or defect the other person is at the time of the sexual assault incapable either of appraising the nature of the act or of resisting it; (5) the other person has not consented and the actor knows the other person is unaware that the sexual assault is occurring; (6) the actor has intentionally impaired the other person's power to appraise or control the other person's conduct by administering any substance without the other person's knowledge; (7) the actor compels the other person to submit or participate by threatening to use force or violence against any person, and the other person believes that the actor has the ability to execute the threat.

⁴ Dating Violence is defined by the Texas Family Code, Section 71.0021 as:

- (a) an act, other than a defensive measure to protect oneself, by an actor that:
 - (1) is committed against a victim:
 - (A) with whom the actor has or has had a dating relationship; or
 - (B) because of the victim's marriage to or dating relationship with an individual with whom the actor is or has been in a dating relationship or marriage; and
 - (2) is intended to result in physical harm, bodily injury, assault, or sexual assault or that is a threat that reasonably places the victim in fear of imminent physical harm, bodily injury, assault, or sexual assault.
- (b) For purposes of this title, "dating relationship" means a relationship between individuals who have or have had a continuing relationship of a romantic or intimate nature. The existence of such a relationship shall be determined based on consideration of:
 - (1) the length of the relationship;
 - (2) the nature of the relationship; and
 - (3) the frequency and type of interaction between the persons involved in the relationship.
- (c) A casual acquaintanceship or ordinary fraternization in a business or social context does not constitute a "dating relationship" under Subsection (b).

Texas Penal Code, Section 22.01 provides the criminal penalties associated with Dating Violence.

⁵ Family Violence is defined by the Texas Family Code Section 71.004 as:

- (1) an act by a member of a family or household against another member of the family or household that is intended to result in physical harm, bodily injury, assault, or sexual assault or that is a threat that reasonably places the member in fear of imminent physical harm, bodily injury, assault, or sexual assault, but does not include defensive measures to protect oneself;
- (2) abuse, as that term is defined by Sections [261.001](#)(1)(C), (E), and (G), by a member of a family or household toward a child of the family or household; or
- (3) dating violence, as that term is defined by Section [71.0021](#).

Texas Penal Code Section 22.01 provides the criminal penalties associated with Domestic (Family) Violence.

of Texas, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the State of Texas.

G) Hostile Environment – exists when Sexual Misconduct is sufficiently severe or pervasive to deny or limit the individual's ability to participate in or benefit from an education program or activity or an employee's terms and conditions of employment.⁶ A hostile environment can be created by anyone (e.g., administrators, faculty members, employees, students, and University visitors) involved in an education program or activity or work environment.

1. In determining whether Sexual Misconduct has created a hostile environment, the University considers the conduct in question from both a subjective and objective perspective. To determine that such conduct created or contributed to a hostile environment, the University must also find that a reasonable person in the individual's position would have perceived the conduct as undesirable or offensive.
2. To ultimately determine whether a hostile environment exists for an individual or individuals, the University may consider a variety of factors related to the severity, persistence, or pervasiveness of the Sexual Misconduct, including:
 - 2.1 the type, frequency, and duration of the conduct;
 - 2.2 the identity and relationships of the persons involved;
 - 2.3 the number of individuals involved;
 - 2.4 the location of the conduct;
 - 2.5 the context in which the conduct occurred; and
 - 2.6 the degree to which the conduct affected an individual's education or employment.
3. The more severe the Sexual Misconduct, the less need there is to show a repetitive series of incidents to find a hostile environment. Indeed, a single instance of sexual assault may be sufficient to create a hostile environment. Likewise, a series of incidents may be sufficient even if the Sexual Misconduct is not particularly severe.

H) Incapacitation – Incapacitation is the inability, temporarily or permanently, to give consent because the individual is mentally and/or physically helpless, either voluntarily or involuntarily, or the individual is unconscious, asleep, or otherwise unaware that the sexual activity is occurring. An individual may be incapacitated if they are unaware at the time of the incident of where they are, how they got there, or why or how they became engaged in a sexual interaction.

1. When alcohol is involved, incapacitation is a state beyond drunkenness or intoxication. When drug use is involved, incapacitation is a state beyond being under the influence or impaired by use of the drug. Alcohol and other drugs impact each individual differently, and determining whether an individual is incapacitated requires an individualized determination.

⁶ Depending on the facts of a particular case, the University may investigate claims of hostile work environment under this Policy or another applicable policy.

2. After establishing that a person is in fact incapacitated, the University asks two questions:
 - 2.1 Did the person initiating sexual activity know that the other party was incapacitated? And if not,
 - 2.2 Should a sober, reasonable person in the same situation have known that the other party was incapacitated?
3. If the answer to either of these questions is “YES,” consent was absent and the conduct is likely a violation of this Policy.
4. A Respondent will be found to have violated policy only if the Respondent knew or should have known that the person was incapacitated.

I) Intimidation – Unlawfully placing another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

J) Other Inappropriate Sexual Conduct – Conduct on the basis of sex that does not meet the definition of “sexual harassment” under this Policy, but is

1. If verbal conduct (including through electronic means), unwanted statements of a sexual nature intentionally stated to a person or group of people, that are objectively offensive to a reasonable person and also so severe or pervasive that they created a Hostile Environment, as defined in this Policy. The type of verbal conduct (if all other elements are met) may include, but is not limited to:

- 1.1 Unwelcome romantic, flirtatious, or sexual advances (including explicit or implicit proposition(s) of sexual contact or activity);
- 1.2 Requests for sexual favors (including overt or subtle pressure);
- 1.3 Gratuitous comments about an individual’s sexual activities or speculation about an individual’s sexual experiences;
- 1.4 Gratuitous comments, jokes, questions, anecdotes or remarks of a sexual nature about clothing or bodies;
- 1.5 Persistent, unwanted sexual or romantic attention;
- 1.6 Exposure to sexually suggestive visual displays, such as photographs, graffiti, posters, calendars or other materials; or
- 1.7 Deliberate, repeated humiliation or intimidation.

2. If physical conduct, either:

- 2.1 Sexual exploitation, as defined in this Policy;
- 2.2 Unwelcome intentional touching of a sexual nature;
- 2.3 Deliberate physical interference with or restriction of movement; or
- 2.4 Sexual violence as defined in this Policy.

- K) Participants** – The term “participants” includes the University representative, Complainant, Respondent, and any witnesses.
- L) Parties** – The term “parties” refers to the “Complainant” and the “Respondent” under this Policy.
- M) Preponderance of the Evidence** – The greater weight of the credible evidence. Preponderance of the evidence is the standard for determining allegations of prohibited conduct under this Policy. This standard is satisfied if the action is deemed more likely to have occurred than not.
- N) Respondent** – The individual who has been reported to be the perpetrator of prohibited conduct under this Policy. (For UT-affiliated K-12 schools (e.g., charter schools), a parent or legal guardian of a Respondent may act on behalf of the Respondent.)
- O) Responsible Employee** – A University employee who has the duty to report incidents of, and information reasonably believed to be, Sexual Misconduct to the Title IX Coordinator. All employees are Responsible Employees except Confidential Employees or police officers when a victim uses a pseudonym form (as outlined Section IX(B)-(C) of this Policy). Responsible Employees include all administrators, faculty, staff, resident life directors and advisors, and graduate teaching assistants. Responsible Employees must report all known information concerning the incident to the EOS/Title IX Office, and may include whether a Complainant has expressed a desire for confidentiality in reporting the incident.
- P) Retaliation** – Any adverse action (including, but not limited to, intimidation, threats, coercion, harassment, or discrimination) taken against someone *because* the individual has made a report or filed a Formal Complaint; or who has supported or provided information in connection with a report or a Formal Complaint; participated or refused to participate in a Grievance Process under this Policy; or engaged in other legally protected activities.
- Q) Sex Discrimination** – Occurs when an individual is treated less favorably on the basis of that person’s sex (including gender), which may also include on the basis of sexual orientation, gender identity, or expression, pregnancy or pregnancy-related condition, or a sex stereotype. Sexual harassment, as defined in this Policy, is a form of sex discrimination.
- R) Sexual Assault⁷** – An offense that meets the definition of rape, fondling, incest, or statutory rape:

⁷ Sexual Assault is defined by Texas Penal Code, Section 22.011 as intentionally or knowingly:

- a) Causing the penetration of the anus or sexual organ of another person by any means, without that person’s consent; or
- b) Causing the penetration of the mouth of another person by the sexual organ of the actor, without that person’s consent; or
- c) Causing the sexual organ of another person, without that person’s consent, to contact or penetrate the mouth, anus, or sexual organ of another person, including the actor.

1. *Rape*: The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.
2. *Fondling*: The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of the individual's age or because of the individual's temporary or permanent mental incapacity.
3. *Incest*: Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
4. *Statutory Rape*: Sexual intercourse with a person who is under the statutory age of consent.

S) Sexual Exploitation – Conduct where an individual takes non-consensual or abusive sexual advantage of another for their own benefit, or to benefit anyone other than the one being exploited. Examples of sexual exploitation include, but are not limited to, engaging in voyeurism; forwarding of pornographic or other sexually inappropriate material by email, text, or other channels to non-consenting students/groups/other individuals; the intentional removal of a condom or other contraceptive barrier during sexual activity without the consent of a sexual partner; and any activity that goes beyond the boundaries of consent, such as recording the sexual activity, letting others watch consensual sex, or knowingly transmitting a sexually transmitted infection (STI) or sexually transmitted disease (STD) to another.

T) Sexual Harassment – Conduct on the basis of sex that satisfies one or more of the following:

1. Quid pro quo: An employee of the institution conditioning the provision of an aid, benefit, or service of the University on an individual's participation in unwelcome sexual conduct;
 2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University's education program or activity; or
 3. "Sexual assault," "dating violence," "domestic violence," or "stalking" as defined in this Policy.
 - 3.1 Subsections (1) and (3) in this definition are not evaluated for severity, pervasiveness, offensiveness, or denial of equal educational access, because such conduct is sufficiently serious to deprive a person of equal access. Therefore, any instance of quid pro quo sexual harassment and any instance of sexual assault, dating violence, domestic violence, and stalking are considered sexual harassment under this Policy.
-

- U) **Sexual Misconduct** – This term is broadly defined to encompass sex discrimination, sexual harassment, sexual assault, domestic violence, dating violence, stalking, and other inappropriate sexual conduct.
- V) **Sexual Violence** – Physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent. The term includes, but is not limited to, rape, sexual assault, sexual battery, sexual coercion, sexual abuse, indecency with a child, and/or aggravated sexual assault.
- W) **Stalking**⁸ - Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his, her or their safety or the safety of others, or suffer substantial emotional distress. For the purposes of this definition--
- 1) *Course of conduct* means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.
 - 2) *Reasonable person* means a reasonable person under similar circumstances and with similar identities to the victim.
 - 3) *Substantial emotional distress* means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

IX. PROCEDURES

A. Reporting Incidents

1. General Statement Empowering Community. This policy distinguishes between *reporting* Sexual Misconduct incidents and *filing Formal Complaints*. Reporting Sexual Misconduct incidents informs the University of the incident(s), which allows the institution to provide Supportive Measures (as outlined in Procedure IX(C)1.5 of this Policy) to the Complainant, Respondent and any other individuals related to the incident(s) as appropriate and does not necessarily result in the initiation of the Grievance Process (as outlined in Procedure IX(D) of this Policy). All Complainants who report incidents of Sexual Misconduct will be offered individualized Supportive Measures. If Complainants wish to initiate the Grievance Process, they should file a Formal Complaint. As explained in more detail below (including exceptions and details as to applicability), generally speaking, the Grievance Process may involve an investigation into the incident and a hearing to determine the responsibility of the Respondent.
2. Any person may report Sexual Misconduct, Retaliation related to an EOS matter, or other conduct prohibited under this Policy to the Title IX Coordinator. Any person may report an incident, whether or not the person reporting is the person alleged to be the Complainant of the incident, and it can be a verbal or written report to the Title IX Coordinator. Responsible Employees must report Sexual Misconduct to the Title IX Coordinator. All reports must be made to the Title IX Coordinator and this can be

done by: filing a report with the Equal Opportunity Services and Title IX Office (EOS/Title IX Office) by filling out a form online at <https://www.utsa.edu/eos/report-an-incident/>, contacting the EOS/Title IX Office, or reporting it directly to the Title IX Coordinator or a Deputy Title Coordinator. The EOS/Title IX Office and the Title IX Coordinator's contact information is below and the Deputy Title IX Coordinators' contact information is available online at <https://www.utsa.edu/eos/contact.html>. Additionally, reports can be made through the Compliance Hotline at <https://www.utsa.edu/compliance/hotline.html>.

- 2.1 Filing a Formal Complaint. The Complainant may file a Formal Complaint with the Title IX Coordinator, as outlined above and in Procedure IX(D)(2) of this Policy.
- 2.2 Anonymity. You may make an anonymous report by telephone, in writing or electronically with the EOS/Title IX Office at <https://www.utsa.edu/eos/report-an-incident/> or through the Compliance Hotline at https://cm.maxient.com/reportingform.php?UTSanAntonioEE&layout_id=5. The decision to remain anonymous, however, may greatly limit the University's ability to stop the alleged conduct, collect evidence, or take action against parties accused of violating this Policy because Federal regulations mandate that a notice of allegations of sexual harassment include, among other items, "sufficient details known at the time," included, but not limited to the identities of the parties involved in the incident(s), if known. Only students and complainants may remain anonymous. Responsible Employees may not remain anonymous and must report pursuant to State law.
- 2.3 Confidentiality. You can discuss an incident in strict confidence by using the confidential resources outlined in Procedure IX(A)(5) of this Policy.
- 2.4 Timeliness of Reporting. Responsible Employees are required to report known alleged incidents and information of Sexual Misconduct promptly to the Title IX Coordinator. For others in the University community, you are strongly encouraged to report Sexual Misconduct, Retaliation, and any other conduct prohibited under this Policy as soon as the individual becomes aware of such conduct.

3. Reporting to Law Enforcement. You may also file a police report with: The University of Texas at San Antonio Police Department (UTSA PD) at (210) 458-4242 (non-emergency) or (210) 458-4911 (emergency) and Hearing Impaired/TDD at (210) 458-4243 (emergency); or to the City of San Antonio Police Department at (210) 207-7273 (non-emergency) or 911 (emergency); or other local law enforcement authorities. The EOS/Title IX Office, and other University offices, such as the PEACE Center (Campus Advocate), can help individuals contact these law enforcement agencies. Employees and students with protective or restraining orders relevant to a complaint are encouraged to provide a copy to the University Police Department. A protective or restraining order can be submitted to UTSA PD at police.communications@utsa.edu.

5. Confidential Support and Resources.

5.1 Students may discuss an incident with Confidential Employees or an off-campus resource (e.g., rape crisis center, doctor, psychologist, clergyperson, etc.) without concern that the person's identity will be reported to the EOS/Title IX Office. Employees may also seek assistance from the Employee Assistance Program (EAP), their own personal health care provider, the clergyperson of their choice, or an off-campus rape crisis resource without concern that the person's identity will be reported to the EOS/Title IX Office.

5.2 The University and community resources that provide confidential services are:

- 5.2.1 Student and University Ombudspersons;
- 5.2.2 PEACE Center (Campus Advocate);
- 5.2.3 Wellness 360 (i.e., student health services; and
- 5.2.4 Counseling and Mental Health Services.

5.3 Confidential Employees who are also deemed Campus Security Authorities (CSA) under the Clery Act must meet Clery reporting responsibilities as well.

6. Immunity. In an effort to encourage reporting of Sexual Misconduct, the University may grant immunity from student and/or employee disciplinary action to a person who acts in good faith in reporting an incident, filing a Formal Complaint, or participating in a Grievance Process and Alternative Grievance Process (e.g., investigation, hearing, appeal). This immunity does not extend to the person's own violations of this Policy.

B. Parties' Rights Regarding Confidentiality, Request to Not Investigate, and Requests to Dismiss Formal Complaints

1. The University has great respect for the privacy of the parties identified in a report or Formal Complaint. Under state law, however, Responsible Employees who receive

information of alleged Sexual Misconduct must share that information with the Title IX Coordinator. As such, the University may need to act to maintain campus safety and must determine whether to investigate further, regardless of the Complainant's request for confidentiality or request to not investigate a report received by the Title IX Coordinator.

2. In making determinations regarding requests for confidentiality, Complainants' requests to not investigate, Complainants' requests to dismiss Formal Complaints, and/or requests to not disclose identifying information to Respondents, the Title IX Coordinator must deliberately weigh the rights, interests, and safety of the Complainant, Respondent, and campus community. Factors the University must consider when determining whether to investigate an alleged incident of Sexual Misconduct include, but are not limited to:
 - 2.1 The seriousness of the alleged incident;
 - 2.2 Whether the University has received other reports of alleged Sexual Misconduct by the alleged Respondent;
 - 2.3 Whether the alleged incident poses a risk of harm to others; and
 - 2.4 Any other factors the University determines relevant.
3. Under state law, if the Complainant requests in writing that the University not investigate a report, the University must inform the Complainant of the decision whether or not to investigate.
4. The Federal Regulations state that the University may dismiss the Formal Complaint or any allegations if at any time during the investigation or hearing: A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegation(s) therein; the Respondent is no longer enrolled or employed by the University; or specific circumstances prevent the University from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegation(s). Upon dismissal, the University must promptly send written notice of the dismissal and reason(s) simultaneously to the parties.
5. If the University dismisses a Formal Complaint (as outlined in Procedure IX(D)(2.3) of this Policy), the University must provide the Complainant and Respondent a written notice of the dismissal and the reason(s) for the dismissal simultaneously. Additionally, the University reserves the right to initiate a complaint under this Policy that follows the Alternative Grievance Process (Appendix A) in the event that the complaint is dismissed under the Federal Title IX Regulations.
6. In the course of the Grievance Process, the University may share information only as necessary with people who need to know in compliance with the law, which may include, but is not limited to, the investigators, witnesses, Complainant, Respondent, parties' advisors, hearing officer(s), and the appellate officer(s), if applicable. The University will take all reasonable steps to ensure there is no retaliation against the parties, or any other participants in the investigation, or in any other part of the

Grievance Process.

C. Resources and Assistance

1. Immediate Assistance.

1.1 The UTSA Title IX C.A.R.E.S. document contains information on resources and is available online at <https://www.utsa.edu/eos/docs/Title-IX-C.A.R.E.S.pdf>

1.2 Healthcare.

1.2.1 If you experience sexual violence, you are encouraged to seek immediate medical care. Also, preserving DNA evidence can be key to identifying the Respondent in a sexual violence case. Complainants can undergo a medical exam to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, individuals who have experienced a sexual assault may have a Sexual Assault Forensic Exam (SAFE) performed by a Sexual Assault Nurse Examiner (SANE) within 5 days (120 hours) of the incident. With the examinee's consent, the physical evidence collected during this medical exam can be used in a criminal investigation; however, a person may undergo a SAFE even without contacting, or intending to contact, the police. To undergo a SAFE, go directly to the emergency department of Methodist Specialty and Transplant Hospital or the nearest hospital that provides SAFE services.

Methodist Specialty and Transplant Hospital
8026 Floyd Curl Drive
San Antonio, Texas 78229
Phone: (210) 575-8110

1.2.2 For more information about the SAFE, see https://www.texasattorneygeneral.gov/files/cvs/sexual_assault_examnation.pdf. The cost of the forensic portion of the exam is covered by the law enforcement agency that is investigating the assault or, in cases where a report will not be made to the police, the Texas Department of Public Safety. This does not include fees related to medical treatment that are not a part of the SAFE.

1.3 Police Assistance.

1.3.1 If you experienced or witnessed Sexual Misconduct, the University encourages you to make a report to the police. The police may, in turn, share your report with the EOS/Title IX Office with the exception of when a person files a pseudonym form under the Code of Criminal Procedure with a police department for incidents

of sexual assault, stalking, family violence, and human trafficking. In those instances, where a pseudonym form is filed, the police will only report the type of incident to the Title IX Coordinator, but not any personally identifiable information of the Complainant.

- 1.3.2 A police department's geographic jurisdiction depends on where the incident occurred. Thus, if the incident(s) occurred on the University campus, you may file a report with the UTSA PD by: calling (210) 458-4242 (non-emergency) or (210) 458-4911 (emergency); calling Hearing Impaired/TDD at (210) 458-4243, or in person at the UTSA PD headquarters on UTSA's Main Campus in the Bosque Street Building, Room 1.400 and on the Downtown Campus in the Frio Building, Room 1.528, even if time has passed since the incident(s) occurred.
- 1.3.3 UTSA PD can also assist with applying for any protective orders. Reporting an incident to law enforcement does not mean the case will automatically go to criminal trial or go through an adjudication process. If the University police are called, a police officer will be sent to the scene to take a detailed statement. A police officer or victim services coordinator may also provide the individual with a ride to the hospital. An individual may also file a report with the University police even if the assailant was not a University student or employee. If the incident occurred in the City of San Antonio, and off campus, an individual may also file a report with the San Antonio Police Department, even if time has passed since the incident(s) occurred. If a report is made to the police, a police officer will usually be dispatched to the location to take a written report. A sexual assault Complainant will also have an opportunity to have a crime victim liaison, counselor, advocate, or police officer with specialized training be present with the Complainant during police investigative interviews.

Students, faculty and staff desiring a crime victim liaison, , advocate, or police officer with specialized training should contact: Community Affairs Section of the UTSA Police Department at (210) 458-6250

1.4 Counseling and Other Services.

- 1.4.1 If you experience Sexual Misconduct, you are strongly encouraged to seek counseling or medical and psychological care even if you do not plan to request a SAFE or report the incident to the police. You may be prescribed medications to prevent sexually transmitted infections and/or pregnancy even if the police are not contacted or if a SAFE is not performed. Similarly, other individuals impacted or affected by an incident are encouraged to seek counseling or psychological care.

- 1.4.2 You may receive medical care at the University Health Services (for students only), at a local emergency room, or by a private physician.
- 1.4.3 You may also be provided with psychological support by the University Counseling and Psychological Services (students), Employee Assistance Program (employees), a referral through the Employee Assistance Program, or a care provider of your choosing.
- 1.4.4 Students seeking medical care from Student Health Services should contact:

1.5 Supportive Measures

- 1.5.1 The University will offer reasonably available individualized services, without any fee or charge, to the parties involved in a reported incident of Sexual Misconduct with or without the filing of a Formal Complaint, when applicable.
- 1.5.2 Supportive Measures may include, but are not limited to, housing reassignment, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, withdrawal from or retake of a class without penalty, campus escort services, mutual restrictions on contact between the parties,

change in work or housing locations, leaves of absences, increased security and monitoring of certain areas of campus, or other similar measures tailored to the individualized needs of the parties.

1.5.3 Supportive Measures are non-disciplinary and non-punitive measures that do not unreasonably burden the other party. Any disciplinary or punitive measures may only be implemented following the conclusion of the Grievance Process, unless an emergency removal (as outlined in Procedure IX(E)) is appropriate.

1.5.4 The University will maintain the confidentiality of Supportive Measures provided to the parties, to the extent that maintaining such confidentiality complies with governing regulations, rules and policies, and does not impair the ability of the University to provide the Supportive Measures.

D. The Grievance Process

1. Key Officials in the Grievance Process

1.1 Title IX Coordinator

1.1.1 The Title IX Coordinator is the senior University administrator who oversees the University's compliance with Title IX. The Title IX Coordinator is responsible for administrative response to reports and Formal Complaints of Sexual Misconduct, Retaliation, and other conduct prohibited under this Policy. The Title IX Coordinator is available to discuss the Grievance Process, coordinate Supportive Measures, explain University policies and procedures, and provide education on relevant issues. The Title IX Coordinator may designate one or more Deputy Title IX Coordinators to facilitate these responsibilities.

1.1.2 The Title IX Coordinator has designated the Director of Student Conduct and Community Standards and the Associate Dean of Students to facilitate responsibilities for Title IX hearings for faculty, students, and staff. The Title IX Coordinator may designate the Assistant Vice President of Talent Cultivation or a designee to facilitate faculty and staff hearings in conjunction with the Director of Student Conduct and Community Standards and the Associate Dean of Students.

1.1.3 Any member of the University community may contact the Title IX Coordinator with questions.

1.2 Investigator(s). The University will ensure that Formal Complaints are properly investigated under this Policy by investigators assigned to the Formal Complaint. The investigators are neutral and impartial fact-finders, and gather evidence during the investigation. The investigators are responsible for

completing an investigation report at the conclusion of the investigation. The EOS/Title IX Office Assistant Director/Deputy Title IX Coordinator may supervise and advise the Title IX investigators when conducting investigations and update the Title IX Coordinator as necessary to ensure compliance with Title IX

- 1.3 Hearing Officer. The hearing officer is responsible for conducting the hearing in an orderly manner, controlling the conduct of all participants and attendees of the hearing, and rendering a written determination regarding responsibility of the Respondent's alleged conduct charges in an impartial, neutral, and objective manner.

2. Formal Complaints Against Students and Employees⁹

2.1 Applicability of the Grievance Process. The Grievance Process in this Policy applies to the following situations:

- 2.1.1 (a) Students. The Grievance Process in Procedure IX(D)2-11 of this Policy applies in the instances where the Respondent is a student (including student employees)¹⁰ at the University at the time of the alleged conduct and
 - i. The conduct alleged includes Sexual Harassment;
 - ii. The alleged conduct occurred in or as part of the University's education program or activity; and,
 - iii. The alleged conduct occurred against a person in the United States.

The Alternative Grievance Process, referenced in Procedure IX(D)(14) and discussed in Appendix A of this Policy, applies in instances where the Respondent is a student at the time of the alleged conduct and where the conduct alleged includes Prohibited Conduct under this policy and where any of (i)-(iii) above are not met.

- 2.1.2 (b) Employees: Faculty and Staff. For employees, the Grievance Process in this Policy only applies where all of the following conditions are met; in all other instances, allegations of Sexual Misconduct will be handled in accordance with the Alternative Grievance Process laid out in Appendix A.
 - a) The Respondent is an employee at the University at the time of the alleged conduct;
 - b) The conduct alleged includes Sexual Harassment under this Policy;

⁹ For Formal Complaints against third parties, such as contracted workers, volunteers, or visitors, the University will apply the analysis in Section IX(D)(2) with regard to employees and may apply other institutional policies to those Respondents if the Grievance Process (outlined in this Policy) does not apply.

¹⁰ Respondents who are both students and employees are treated as students under this Policy.

- c) The alleged conduct occurred against a person in the United States; and
- d) Where the Complainant was participating or attempting to participate in an education program or activity at the University. This element is met if the conduct occurred in any of the following: on any University property; during any University activity; in a building owned or controlled by a student organization that is officially recognized by the University; or in instances where the University exercised substantial control over the Respondent and the context in which the alleged conduct occurred.

2.2 To begin the Grievance Process, the Complainant must sign a Formal Complaint (requesting an investigation) and submit it to the Title IX Coordinator. The Complainant must submit a written statement setting out the known details of the alleged conduct that is the subject of the Formal Complaint, including the following:

- 2.2.1 Complainant's name and contact information;
- 2.2.2 Respondent's name and contact information, if available;
- 2.2.3 Detailed description of the alleged conduct or event(s) that is the basis of the alleged violation under this Policy;
- 2.2.4 Date(s) and location(s) of the alleged occurrence(s);
- 2.2.5 Names of any witnesses to the alleged occurrence(s); and
- 2.2.6 the resolution sought.

In lieu of a written statement, the Complainant may ask the investigator to prepare a statement of what the investigator understands the complaint to be, and ask the Complainant to verify that statement. The Complainant may also submit any documents or information that is relevant to the Formal Complaint.

The Title IX Coordinator may also sign a Formal Complaint against a Respondent (requesting an investigation) and in doing so will initiate the Grievance Process. If the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator does not become the Complainant. The individual who experienced the alleged prohibited conduct will be treated and listed as the Complainant for the Grievance Process and in the formal hearing process.

2.3 Mandatory and Discretionary Formal Complaint Dismissals

- 2.3.1 Under Title IX regulations, universities are required to distinguish between prohibited conduct that is "under Title IX" and prohibited conduct that is a violation of university policy. Under Title IX, the University must dismiss a Formal Complaint, or the part of the allegations in a Formal Complaint, if applicable, where:

- a) Sexual Harassment is alleged and where:
 - i. The conduct alleged does not meet the definition of Sexual Harassment;
 - ii. The alleged conduct did not occur in or as part of the University's education program or activity; or,
 - iii. The alleged conduct did not occur against a person in the United States

A dismissal under this provision only applies to allegations of Sexual Harassment under Title IX. In such an instance, the University may still investigate a Formal Complaint for allegations of Sexual Harassment or other Prohibited Conduct under this Policy. These allegations that fall outside the requirements of Title IX will be handled through the Alternative Grievance Process in Appendix A.

2.3.2 The University may dismiss a Formal Complaint, at its discretion, under this Policy's Grievance Process for any of the following circumstances:

- a) If the Complainant sends to the Title IX Coordinator a request in writing to dismiss a Formal Complaint (e.g., withdraws the Formal Complaint or any allegations therein), as outlined in Procedure IX(B) of this Policy;
- b) If the Respondent is an employee and no longer employed by the University at the time the Formal Complaint is filed;
- c) Any specific circumstances that prevent the University from gathering evidence sufficient to reach a determination as to the Formal Complaint or any allegations therein; or
- d) The conduct alleged does not meet the definition of any prohibited conduct under this Policy.

2.3.3 If the University dismisses a Formal Complaint, the University must promptly and simultaneously provide both parties a written notice of the dismissal and the reason(s) for the dismissal.

2.4 Concurrent Criminal or Civil Proceedings. The University will not, as a matter of course, wait for the outcome of a concurrent criminal or civil justice proceeding to take action on a Formal Complaint in a University Grievance Process. The University has an independent duty to respond to Formal Complaints of Sexual Misconduct. At the University's discretion, the University may delay the investigation or Grievance Process for a brief period due to concurrent criminal or civil proceedings on a case-by-case basis.

3. Written Notice of the Formal Complaint, and Notification of University Offices Offering Assistance

3.1 After receiving a Formal Complaint, the EOS/Title IX Office will provide a written notice to the parties of the Formal Complaint of available University resources and assistance. The written notice of the Formal Complaint will include the following:

- 3.1.1 A notice of the Grievance Process, as outlined in this Policy;
- 3.1.2 A notice of the allegations that potentially constitute prohibited conduct under this Policy, including sufficient details about the alleged conduct, including the identity of the parties, if known, and the date(s), time(s), and location(s) of alleged conduct known by the University at the time of the Formal Complaint;
- 3.1.3 A statement of the potential policy violations being investigated;
- 3.1.4 A statement that the Respondent is presumed not responsible for the alleged conduct and that the determination regarding responsibility will be made at the conclusion of the Grievance Process;
- 3.1.5 Both parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review all evidence;
- 3.1.6 A statement that the parties may review evidence gathered as part of any investigation;
- 3.1.7 Provision of this Policy that knowingly making false statements or knowingly submitting false information during the Grievance Process is prohibited and subject to disciplinary action; and
- 3.1.8 Any other relevant information for the written notice.

4. Informal Resolution Option of Certain Formal Complaints.

4.1 After the parties have been provided a copy of the written notice of a Formal Complaint, both parties may, in writing, voluntarily agree to use the Informal Resolution option, if applicable, at any point prior to reaching a determination regarding responsibility, but the parties are not required to do so. The Informal Resolution entails the parties forgoing the Grievance Process (including the investigation and hearing, depending on when the parties agree to engage in an Informal Resolution). The Informal Resolution may include a mediation process, for example.

4.2 At any point prior to agreeing to an Informal Resolution, each party has a right to withdraw from the Informal Resolution process and resume the Grievance Process with respect to the Formal Complaint.

- 4.2.1 Informal Resolution Availability. The Informal Resolution process is not permitted in cases where Sexual Harassment is alleged in the Formal Complaint. Informal Resolution is also not available where the Respondent has previously participated in the Informal

Resolution process and where that process resulted in a mutual agreement.

4.2.2 Informal Resolution Timeframe. Informal Resolutions of a Formal Complaint will be concluded within 45 days of notice to the University that both parties wish to proceed with the Informal Resolution process, except as may be extended by good cause shown. Such notice that the parties wish to proceed with an Informal Resolution process will “pause” the counting of the timeframe to conclude the Grievance Process in Procedure IX(D) of this Policy, should the Informal Resolution process fail and the parties continue with the Grievance Process.

4.2.3 Informal Resolution Documentation. Any final resolution pursuant to the Informal Resolution process will be documented and kept for seven years as required by law (and see Procedure IX(D)12 of this Policy for additional information on Grievance Process Documentation). However, no audio or video recording of the Informal Resolution process will be made. All statements made during the Informal Resolution process cannot be used for or against either party (and the Hearing Officer and Appellate Officer may not consider any such statement(s) made during Informal Resolution) should the parties resume the Grievance Process. Failure to comply with an Informal Resolution agreement may result in disciplinary action.

5. Investigation of the Formal Complaint – Gathering of Evidence

5.1 After the University provides written notice of a Formal Complaint to the parties, the Respondent will be allowed no more than 10 business days to respond in writing and through an interview with the investigator.

5.2 The University will provide written notice to a party whose participation is invited or expected of the date, time, location, participants, and purpose of all meetings, investigative interviews, or other proceedings in the Grievance Process.

5.3 Evidence. The parties in the investigation may present any information and evidence that may be relevant to the Formal Complaint, and may have an advisor of their choice attend any related interview, meeting, or proceeding in the Grievance Process. Advisors are not permitted to actively participate in meetings or proceedings in the Grievance Process, except as explicitly outlined in Procedure IX(D)(7.10) of this Policy. The parties may present the names of any fact or expert witnesses who may provide relevant information, and how the witnesses may be relevant to the Formal Complaint. The parties may specify to the investigator any questions or topics they would like asked of any known potential witnesses or parties.

5.4 Witness Interviews. The investigators will interview relevant and available witnesses. Neither the Complainant nor the Respondent will normally attend these interviews; however, if either party is permitted to attend, the other party shall have the same right.

5.5 Investigation Timeframe. The investigation of a Formal Complaint will be concluded within 90 calendar days of the filing of a Formal Complaint, except as may be extended by good cause shown. The parties should be provided updates on the progress of the investigation, as needed.

5.6 Access to Evidence. Prior to the completion of the investigation report, the investigators will provide access to all evidence obtained (whether relevant or not) as part of the investigation to all parties (and each party's advisor, if any, upon a party's signed information release for their advisor of choice, if applicable). Both parties will have at least 10 days to inspect, review, and respond to the evidence. All responses to the evidence must be submitted by the party in writing to the investigator and will be considered prior to the investigator completing the investigative report. Advisors are not permitted to submit written responses to the evidence on their own or on behalf of the party they are advising. The investigators will consider all timely responses submitted by the parties.

5.7 Completed Investigation Report. The completed investigation report will outline each of the allegations that potentially constitutes prohibited conduct under this Policy, provide the timeline (e.g., procedural steps) of the investigation, and fairly summarize relevant evidence, participant statements, and responses to questions. The EOS/Title IX Office will provide a completed investigation report concurrently to both parties and each party's advisor, if any, upon a party's signed information release for their advisor of choice, if applicable, at least 10 days prior to the date of the scheduled hearing to review and provide a written response at the hearing. A copy of the completed investigation report will be issued to the Title IX Coordinator, and to the hearing officer assigned for the hearing.

6. Standard of Evidence & Presumption of Not Responsible. All Grievance Processes will use the preponderance of the evidence standard, as defined in this Policy. By law, it is presumed that the Respondent is not responsible for the alleged conduct unless that determination regarding responsibility is made at the conclusion of the Grievance Process.

7. Live Hearing – Determination of Responsibility

7.1 Absent a Formal Complaint dismissal or the parties' decision to reach an Informal Resolution agreement (if applicable), the University will provide a live hearing for all Formal Complaints subject to the Grievance Process as outlined in this Policy. The University representative will present information

regarding the case at the hearing and will have the ability to present information and witnesses, question witnesses, and provide opening and closing statements at the hearing.

- 7.2 Written Notice of the Hearing. The University will provide at least 10 days written notice of the hearing to the parties (and the parties' advisors, if any, upon a party's signed information release for their advisor of choice if applicable), including the date, time, location, names of all participants of the hearing (including the hearing officer, and all parties and participants in the investigation report), purpose of the hearing, a statement of the alleged conduct charges, and a summary statement of the evidence gathered. The hearing notice may also provide a deadline by which the University representative and the parties have an opportunity to disclose (1) the names of any witnesses they intend to call to testify at the hearing, if any, and (2) a copy of any documents they intend to use as exhibits at the hearing, not already included in the investigation report, if any.
- 7.3 Challenges to the Hearing Officer. Either party may challenge the fairness, impartiality or objectivity of a hearing officer. The challenge must be submitted in writing to the hearing officer through the office coordinating the hearing within 4 days after notice of the identity of the hearing officer, and must state the reasons for the challenge. The hearing officer will be the sole judge of whether the hearing officer can serve with fairness, impartiality, and objectivity. In the event that the hearing officer recuses themselves, an alternative hearing officer will be assigned in accordance with the institution's procedures.
- 7.4 Hearing Officer Duties at the Hearing. The hearing officer will rule on all procedural matters and on objections regarding exhibits and testimony of participants at the hearing, may question participants who testify at the hearing, and is entitled to have the advice and assistance of legal counsel from the Office of General Counsel of the U.T. System.
- 7.5 Access to Evidence. Each party will have access to all of the evidence from the investigation, including a copy of the completed investigation report, as outlined in Procedure IX(D)(5.6) of this Policy.
- 7.6 Separate Rooms and Virtual Participation. At the request of either party, the University will provide the hearing to occur with the parties located in separate rooms with technology enabling the hearing officer and the parties to simultaneously see and hear the participants answering questions. Participants may appear at the hearing virtually, and are not required to be physically present at the same physical location of the hearing.
- 7.7 Each party may make opening and closing statements. Advisors for the parties may not deliver these opening or closing statements.

7.8 Privileged Information Excluded. No person will be required to disclose information protected under a legally recognized privilege. The hearing officer must not allow into evidence or rely upon any questions or evidence that may require or seek disclosure of such information, unless the person holding the privilege has waived the privilege. This includes information protected by the attorney-client privilege.

7.9 Advisor of Choice. Each party may have an advisor of their choice at the hearing. If a party does not have an advisor, the University will provide one. Advisors are not permitted to actively participate in the hearing, except for asking questions of the other party and any other witnesses. In addition, witnesses may have an advisor of their choice at the hearing.

7.10 Questioning of the of the participants in the hearing: The hearing officer may, at the hearing officer's discretion, ask questions during the hearing of any party or witness and may be the first person to ask questions of any party or witness. Each party's advisor will have an opportunity to ask relevant questions and follow-up questions of the other party and of any witnesses that participate in the hearing, including questions that challenge credibility. Each advisor has the ability to ask questions directly, orally, and in real time at the hearing. The parties will not be permitted to personally ask questions of the other party or any witnesses that participate in the hearing. The University representative and the advisors may ask questions under the following procedure:

7.10.1 The questioner will ask a question of the applicable participant.

7.10.2 Before the participant answers a question, the hearing officer will rule as to whether the advisor's question is relevant to the alleged conduct charges.

7.10.3 If the hearing officer rules that the question is not relevant, then the hearing officer must explain any decision to exclude a question as not relevant. If the hearing officer allows the question as relevant, the participant will answer it.

7.11 Prior Sexual History: A Complainant's sexual predisposition or prior sexual behavior are not relevant except where questions and evidence about a Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the alleged conduct charged by the Complainant or if the questions or evidence concern specific incidents of the Complainant's prior sexual behavior with the Respondent and are offered to prove the Complainant's consent of the alleged conduct.

8. Hearing Officer Determination. The hearing officer will issue a written determination, which must include the following:

- 8.1.1 The allegations that potentially constitutes prohibited conduct under this Policy;
- 8.1.2 A description of all of the procedural steps of the Grievance Process under this Policy (from receipt of a Formal Complaint to the determination regarding responsibility of the Respondent, including any notifications of the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held);
- 8.1.3 The findings of fact supporting the hearing officer's determination;
- 8.1.4 The conclusion(s) and a rationale as to whether the Respondent is responsible for each allegation;
- 8.1.5 The disciplinary sanctions, if applicable;
- 8.1.6 Whether additional remedies designed to restore or preserve equal access to the education program or activity will be provided to the Complainant; and
- 8.1.7 The institution's procedures and permissible bases for the parties to appeal, if applicable.

8.2 The hearing officer will send a copy of the written determination concurrently to the parties, in addition to the Dean (for student Respondents) or appropriate administrator (for employee Respondents), and the Title IX Coordinator.

9. The hearing will be recorded in audio or audiovisual format and may be transcribed at the discretion of the University. The recording or transcript, if applicable, will be available for the parties to inspect and review, upon request.

11. Appeals and Additional Processes Provided to Students and Employees.

11.1 Appeals. Either party may appeal in writing to a hearing officer's determination regarding a Respondent's responsibility under the Grievance Process or from the University's dismissal of a Formal Complaint (or any allegations in the Formal Complaint) within ten (10) calendar days of notification of such a determination, on the following bases:

- 11.1.1 A procedural irregularity that affected the outcome of the matter;
- 11.1.2 There is new evidence that was not reasonably available at the time of the determination regarding responsibility or dismissal was made that could affect the outcome of the matter; or
- 11.1.3 The Title IX Coordinator, investigator(s), or hearing officer had a conflict of interest or bias for or against the parties (generally, or specifically in this matter) that affected the outcome of the matter.

11.2 The appellate officer must not be the same person as the Title IX Coordinator, investigator(s), or hearing officer in the Grievance Process. Both parties will be notified in writing when an appeal is filed and the appeal procedures will apply equally for both parties.

11.3 Any non-appealing party (or the University) will have seven (7) calendar days from the notification of an appeal to submit a written statement in support of the outcome. The decision-maker on the appeal will release a written decision within 21 calendar days from the date of the appeal.

11.4 The appellate officer will release a written decision within 21 calendar days from the date of the appeal to:

- 11.4.1 Affirm the hearing officer's determination regarding the Respondent's responsibility and affirm the disciplinary sanctions and remedies, if applicable;

- 11.4.2 Affirm the hearing officer's determination regarding the Respondent's responsibility and amend the disciplinary sanctions and remedies, if applicable;

12. **Grievance Process Documentation.** The University (through the appropriate office) will retain all of the documentation included in the Grievance Process (outlined in Procedure IX(D) of this Policy) for seven years, in accordance with state and Federal records laws and University policy. All documentation of records are private and confidential to the extent possible under law. Student records of the Grievance Process are disciplinary records under FERPA. Employee records of the Grievance Process are subject to the Freedom of Information Act (FOIA) and the Texas Public Information Act (TPIA), and included in the employee's official employment record.

13. **Grievance Process Timeframe.** The entire Grievance Process (outlined in Procedure IX(D) of this Policy, including any appeal) will be completed in no more than 150 business days from the filing of the Formal Complaint. However, the circumstances may require a temporary delay in this timeframe and the University may extend this timeframe for good cause. In such an instance, the University will provide written notice to the parties of the delay or extension and the reason(s) for the action. Good cause may include, but is not limited to, considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; the need for language assistance; or accommodation of disabilities. The time period in this section does not include the period the parties attempted, but failed, to reach an agreement in the Informal Resolution Process, if applicable, and in such a case, the Grievance Process timeframe will be extended by the period the parties attempted to reach an Informal Resolution (outlined in Procedure IX(D)4 of this Policy).

14. **Alternative Grievance Process— Applicable Exceptions for Non-Federal Title IX Formal Complaints.** Please see Appendix A.

E. **Emergency Removal and Employee Administrative Leave.**

1. **Emergency Removal.** A Respondent may be removed from the University's education program or activity on an emergency basis if, after an individualized safety and risk analysis, it is determined that such a removal is justified because the Respondent poses an immediate threat to the physical health or safety of an individual

arising from the allegations of Sexual Misconduct. Under these circumstances, the Respondent will be notified in writing of the emergency removal from the University's education program and/or activity, and the Respondent will have an opportunity to immediately challenge the decision following the emergency removal. Within 5 business days of the notification for emergency removal, the Respondent must submit an appeal to the Emergency Appeal Official(s). After receipt of an appeal for emergency removal, the Emergency Appeal Official(s) will have 5 business days to provide Respondent a written determination regarding the appeal.

2. Employee Administrative Leave. An employee Respondent may be placed on administrative leave, in accordance with the University's policy and procedures on employee administrative leave, during the pendency of a Grievance Process, as outlined in this Policy.

F. Dissemination of Policy and Educational Program.

1. This Policy will be made available to all University administrators, faculty, staff, and students online at <https://www.utsa.edu/hop/chapter9/9-24.html> and in University student catalog(s) and any employee handbook of operating procedures, as necessary. Periodic notices will be sent to University administrators, faculty, staff and students about the University's Sexual Misconduct Policy, including but not limited to, at the beginning of each fall and spring semester. The notice will include information about Sexual Misconduct, Retaliation, and other conduct prohibited under this Policy, including the Formal Complaint procedure, the University Grievance Process, and available resources, such as support services, health, and mental health services. The notice will specify the right to file a Formal Complaint under this Policy, the right to file a police report to law enforcement, the Title IX Coordinator's contact information, and it will refer individuals to designated offices or officials for additional information.
2. Ongoing Sexual Misconduct Training. The University's commitment to raising awareness of the dangers of Sexual Misconduct includes providing ongoing education through annual training and lectures by faculty, staff, mental health professionals, and/or trained University personnel. Preventive education and training programs will be provided to University administrators, faculty, staff, and students and will include information about primary prevention, risk reduction, and bystander intervention. For additional information about the training University personnel have attended, please visit https://www.utsa.edu/Compliance/TitleIX/TitleIX_Training.html.
3. Training of Title IX Coordinators, Investigators, Hearing Officers and Appellate Authorities. All Title IX Coordinators, Deputy Coordinators, investigators, and those with authority over University Grievance Processes, and appeals shall receive training each academic year about applicable prohibited conduct, Grievance Processes, due process, and University policies related to Sexual Misconduct. All training materials used to train Title IX-related personnel (e.g., Title IX Coordinators, deputies, investigators, hearing officers, and appellate officers (among others)) will be made

available on the University's website:

https://www.utsa.edu/Compliance/TitleIX/TitleIX_Training.html.

4. Annual Reporting and Notice. The University's Title IX General Policy Statement will be made available to all students, faculty, and employees online (<https://www.utsa.edu/hop/chapter9/9-24.html>), in required publications and in specified departments.

G. Additional Conduct Violations under this Policy.

1. Retaliation. Any person who retaliates against (a) anyone filing a report of Sexual Misconduct or Formal Complaint, (b) the parties or any other participants (including any witnesses or any University employees) in a Grievance Process relating to a Formal Complaint, (c) any person who refuses to participate in a Grievance Process, or (d) any person who under this Policy opposed any unlawful practice, is subject to disciplinary action up to and including dismissal or separation from the University. If any participant in a Grievance Process believes they have been subject to Retaliation (as defined in this Policy), they should immediately report the alleged retaliatory conduct to the Title IX Coordinator.
2. False Information and False Complaints. Any person, who in bad faith, knowingly files a false complaint under this Policy or provides materially false information is subject to disciplinary action up to and including dismissal or separation from the University. A determination that a Respondent is not responsible for allegations of Sexual Misconduct does not imply a report, Formal Complaint, or information provided was false. Similarly, a determination that a Respondent is responsible for a policy violation does not imply that a Respondent's statements disclaiming responsibility were false.
3. Interference with the Grievance Process. Any person who interferes with the Grievance Process (outlined in Procedure IX(D) of this Policy) is subject to disciplinary action up to and including dismissal or separation from the University. Interference with a Grievance Process may include, but is not limited to:
 - 3.1 Attempting to coerce, compel, or prevent an individual from providing testimony or relevant information;
 - 3.2 Removing, destroying, or altering documentation relevant to the Grievance Process; or
 - 3.3 Knowingly providing false or misleading information to the Title IX Coordinator, investigator(s) or hearing officer, or encouraging others to do so.
4. Failure to Report for Responsible Employees. If a Responsible Employee knowingly fails to report all information concerning an incident the employee reasonably believes constitutes stalking, dating violence, sexual assault, or sexual harassment committed by or against a student or employee at the time of the incident, the employee is subject to disciplinary action, including termination.

4.1 For purposes of Failure to Report, the definition of sexual harassment, as defined under state law, is broader than the definition of sexual harassment under this Policy and is defined as: Unwelcome, sex-based verbal or physical conduct that:

4.1.1 in the employment context, unreasonably interferes with a person's work performance or creates an intimidating, hostile, or offensive work environment; or

4.1.2 in the education context, is sufficiently severe, persistent, or pervasive that the conduct interferes with a student's ability to participate in or benefit from educational programs or activities at a postsecondary institution.

5. No Effect on Pending Personnel or Academic Actions Unrelated to the Complaint. The filing of a Formal Complaint under this Policy will not stop or delay any action unrelated to the Formal Complaint, including: (1) any evaluation or disciplinary action relating to a Complainant who is not performing up to acceptable standards or who has violated University rules or policies; (2) any evaluation or grading of students participating in a class, or the ability of a student to add/drop a class, change academic programs, or receive financial reimbursement for a class; or (3) any job-related functions of a University employee. Nothing in this section shall limit the University's ability to take interim action or execute an emergency removal.

XII. APPENDIX A

A) Alternative Grievance Process

1. Informal Resolution of Certain Complaints

1.1 Both parties may voluntarily agree to use this option instead of or before the formal resolution process but are not required to do so. Also, this option is not permitted for sexual violence cases. Anyone who believes that they have been subjected to Sexual Misconduct may immediately file a Formal Complaint. Anyone interested in the Informal Resolution process, should contact the Title IX Coordinator. Before beginning the Informal Resolution process, the Title IX Coordinator must provide both parties full disclosure of the allegations and their options for formal resolution. At any time during the Informal Resolution process, the Complainant may elect to discontinue to Informal Resolution process and file a Formal Complaint.

1.1.1 Informal Assistance. If informal assistance is appropriate, the individual will be provided assistance in informally resolving the alleged Sexual Misconduct. Assistance may include providing the complainant with strategies for communicating with the offending party that the behavior is unwelcomed and should cease, directing a University official to inform the offending party to stop the unwelcomed conduct, or initiating mediation. However, the University may take more formal action, including disciplinary action, to ensure an environment that is free of sexual harassment or Sexual Misconduct.

1.1.2 Timeframe. Informal resolutions of a complaint will be concluded as soon as possible.

1.1.3 Documentation. The University will document and record informal resolutions. The Title IX Coordinator will retain the documentation.

B) Formal Complaint and Investigation

1. Formal Complaint

1.1 To begin the investigation process, a statement setting out the details of the conduct that is the subject of the complaint must be submitted including the following:

1.1.1 Complainant's name and contact information;

1.1.2 Name of the person directly responsible for the alleged violation;

1.1.3 Detailed description of the conduct or event that is the basis of the alleged violation;

1.1.4 Date(s) and location(s) of the alleged occurrence(s);

1.1.5 Names of any witnesses to the alleged occurrence(s);

1.1.6 The resolution sought; and

1.1.7 Any documents or information that is relevant to the complaint.

1.2 The University may initiate an investigation regardless of the manner in which a complaint is received or whether a complaint is received at all. However, the Complainant is strongly encouraged to file a written complaint. If the complaint is not in writing, the investigator(s) should prepare a statement of what the investigator(s) understands the complaint to be and ask the Complainant to verify that statement. If a complaint is received by an individual other than the Title IX Coordinator or a Deputy Title IX Coordinator, the individual receiving the complaint should refer the complaint to the Title IX Coordinator or a Deputy Title IX Coordinator

2. Investigation

2.1 After an investigator is assigned, the Respondent will be provided notice of the complaint and be allowed a reasonable time to respond in writing. The Respondent may provide their response orally and the investigator will draft the Respondent's response in writing based on the Respondent's oral statement. The Respondent will have an opportunity to review the statement.

2.2. The parties may present any information and evidence that may be relevant to the complaint, including the names of any witnesses who may provide relevant information.

- 2.3. The investigator will interview relevant and available witnesses. Neither the Complainant nor the Respondent will normally attend these interviews or the gathering of evidence; however, if either one is permitted to attend, the other shall have the same right.
- 2.4. The investigation of a complaint will be investigated as soon as possible after receipt of the complaint. The parties should be provided updates on the progress of the investigation.
- 2.5. After the investigation is complete, a written report will be issued to the appropriate administrator. The report shall include factual findings and a preliminary conclusion regarding each allegation of whether a violation occurred (based on a “preponderance of the evidence” standard).
- 2.6. For cases with student Respondents, and in accordance with the Family Educational Rights and Privacy Act (FERPA) and the Texas Education Code, Section 51.971, the Complainant and the Respondent will receive an appropriately redacted copy of the report where applicable. The Complainant and Respondent have seven (7) business days from the date of the report to submit comments regarding the report to the Dean of Students (DOS).
 - 2.6.1. In cases with employee Respondents, a copy of the report will be provided to the Complainant, Respondent, and the Vice President or Dean who has authority over the Respondent. The Vice President or Dean may delegate the responsibility for reviewing the EOS/Title IX report, reviewing any submitted comments, and taking appropriate actions. The Complainant and Respondent have seven (7) business days from the date of the report to submit comments regarding the report to the appropriate Vice President or Dean.
- 2.7. Within seven (7) business days after the deadline for receipt of comments from the parties, the appropriate office or department will:
 - 2.7.1. request further investigation into the complaint;
 - 2.7.2. dismiss the complaint if it is determined that there was no violation or inappropriate conduct occurred; or
 - 2.7.3. find that the Respondent committed Prohibited Conduct under this Policy.
- 2.8. If it is determined that the Respondent committed Prohibited Conduct under this Policy, the matter will be referred for disciplinary action in accordance with Section 8 below.

- 2.9. The parties shall be informed concurrently in writing of the decision in accordance with the Formal Complaint and Investigation section of this Alternative Grievance Process.
 - 2.10. If disciplinary action and/or sanction(s) are warranted, it will be imposed in accordance with the applicable policies and procedures.
3. Standard of Proof. All investigations will use the preponderance of the evidence standard, as defined in by this Policy.
4. Timelines. Best efforts will be made to complete the complaint process in a timely manner by balancing principles of thoroughness and fundamental fairness with promptness.
 - 4.1 At the request of law enforcement, the University may defer its fact-gathering until after the initial stages of a criminal investigation. In such an instance, the University will promptly resume its fact-gathering as soon as law enforcement has completed its initial investigation, or if the fact-gathering is not completed in a reasonable time, the University will move forward.
 - 4.2 The filing of a complaint under this Alternative Grievance Process does not excuse the Complainant from meeting time limits imposed by outside agencies. Likewise, the applicable civil or criminal statute of limitations will not affect the University's investigation of the complaint.
 - 4.3 At the request of law enforcement, the University may defer its fact-gathering until after the initial stages of a criminal investigation. The University will nevertheless communicate with the Complainant regarding the Complainant's rights, procedural options, the status of the investigation, and the implementation of supportive measures to ensure the Complainant's safety and well-being. The University will also communicate with the Respondent regarding the Respondent's rights, procedural options and information regarding the status of the investigation. The University will promptly resume its fact-gathering as soon as law enforcement has completed its initial investigation, or if the fact-gathering is not completed in a reasonable time.
5. The filing of a complaint under the Alternative Grievance Process does not excuse the Complainant from meeting time limits imposed by outside agencies. Likewise, the applicable civil or criminal statute of limitations will not affect the University's investigation of the complaint.
6. Due Process and Privacy Rights.
 - 6.1 The University will strive to ensure that the steps it takes to provide due process to the Respondent will not restrict or delay the protections provided by the EOS/Title IX office to the Complainant.

- 6.2 FERPA does not override Federally protected due process rights of a Respondent.
7. Remedies. In addition to disciplinary actions and/or sanctions that may be imposed pursuant to the appropriate disciplinary policy, the University will take appropriate action(s), including but not limited to those below to resolve complaints of Sexual Misconduct, prevent any recurrence and, as appropriate, remedy any effects:
 - 7.1 Imposing sanctions against the Respondent, including attending training, suspension, termination or expulsion;
 - 7.2 Ensuring the parties do not share classes, working environments or extracurricular activities;
 - 7.3 Making modifications to on-campus living arrangements of the parties
 - 7.4 Providing comprehensive services to the parties including medical, counseling and academic support services, such as tutoring;
 - 7.5 Providing the parties with adjustments as appropriate to complete or re-take a class or withdraw from a class without an academic or financial penalty;
 - 7.6 Determining whether Sexual Misconduct adversely affected the Complainant's University standing;
 - 7.7 Designating an individual specifically trained in providing trauma-informed comprehensive services;
 - 7.8 Conducting a University climate check to assess the effectiveness of Sexual Misconduct prevention measures;
 - 7.9 Providing targeted training for a group of students, including bystander intervention and Sexual Misconduct prevention programs;
 - 7.10 Issuing policy statements regarding the University's intolerance of Sexual Misconduct.
8. Sanctions and Discipline. Disciplinary action will be handled under the appropriate disciplinary policy depending on the status of the Respondent, including but not limited to the policies below.
 - 8.1 [Regents' Rules and Regulations, Rule 3.1008 Termination of a Faculty Member](#)

- 8.2 [UTSA Handbook of Operating Procedures \(HOP\) 2.13, Termination and Nonreappointment of a Tenured or Tenure-Track Faculty Member](#)
- 8.3 [UTSA HOP 3.03, Discipline and Dismissal of Classified Employees](#)
- 8.4 [UTSA Faculty Code of Ethics](#)
- 8.5 [UTSA Student Code of Conduct](#)

9. Provisions Applicable to the Investigation.

- 9.1 Assistance. During the investigation process, parties may be assisted by an advisor as long as the parties have signed the appropriate information release, as applicable. The advisor may be an attorney but does not have to be an attorney. However, the advisor may not actively participate in a meeting or interview. The University reserves the right to remove or dismiss advisors who violate restrictions on participation. Additionally, the University is not required to reschedule a proceeding or meeting if the advisor cannot attend a proceeding or meeting. An individual named by either party as a witness or potential witness should not serve in the role of advisor to either party.
- 9.2 Time Limitations. Time limitations in these procedures may be modified by the Title IX Coordinator or appropriate administrator based on a written showing of good cause by the parties or the University.
- 9.3 Concurrent Criminal or Civil Proceedings. The University will not wait for the outcome of a concurrent criminal or civil justice proceeding to take action. The University has an independent duty to investigate complaints of Sexual Misconduct.
- 9.4 Documentation. The University shall document complaints and their resolution and retain copies of all materials in accordance with state and Federal records laws and University policy.
- 9.5 You may not record any meetings pursuant to this process. No recording devices are allowed during EOS/Title IX Office interviews or meetings. The EOS/Title IX Office personnel will take notes during all interviews with parties, as well as with all witnesses interviewed.

10. Additional Conduct Violations.

- 10.1 Retaliation. Any person who retaliates against the parties or any other participants in an investigation or disciplinary process relating to an EOS/Title IX complaint, or any person who under the Alternative Grievance Process opposed any unlawful practice, is subject to disciplinary action up to and including dismissal or separation from the University. If any participant in an investigation believes they have been subject to retaliation, they should immediately report the alleged retaliatory conduct to the Title IX Coordinator or Deputy Title IX Coordinator.
- 10.2 False Complaints. Any person who knowingly files a false complaint under the Alternative Grievance Process is subject to disciplinary action up to and including dismissal or separation from the University. A finding that a Respondent is not responsible for the Sexual Misconduct alleged does not imply a report was false.
- 10.3 Interference with an Investigation. Any person who interferes with an investigation conducted under the Alternative Grievance Process is subject to disciplinary action up to and including dismissal or separation from the University. Interference with an ongoing investigation may include, but is not limited to:
 - 10.3.1 Attempting to coerce, compel, or prevent an individual from providing testimony or relevant information;
 - 10.3.2 Knowingly removing, destroying, or altering documentation relevant to the investigation; or
 - 10.3.3 Knowingly providing false or misleading information to the investigator or other personnel with the EOS/Title IX Office, or encouraging others to do so
