Job Attribute Change Job Aid

The **Job Attribute Change** eForm is used to update an existing employee’s job information. This may include updating their pay rate, FTE, standard hours, etc.

**Modify an Employee’s Job Information (Pay Rate, Correction Pay Rate)**

Navigation: *Main Menu > HRMS > UTZ Customizations > eForms for HR/Payroll Actions > Action Request*

1. Navigate to the **eForms Action Request** page and click on the **Add a New Value** tab.
2. The **Initiate New eForms Request** page is displayed. Select the **Job Data Attribute Change** option from the “Action” drop down menu.
3. The **Job Attribute Change** eForm is displayed. Use the **Justification** text box to explain or “justify” the reason for the new eForm action requested.
4. Enter the Empl ID of the employee that needs a job update, or click the magnifying glass to search for the Empl ID number.
   a. The Employee Information section will display all of the current job information. If the employee has multiple job records, you will need to select the job record you would like to change.
5. Enter the **Effective Date** of the proposed change.
6. From the **Reason** dropdown boxes, select the appropriate action and reason for the change.

7. Based on the Empl ID previously entered, the **Current Job Information** will display. Use the **Proposed Job Information** to make any changes such as Monthly Rate/Hourly Rate.

8. Based on the Position number previously entered, the **Current Position Information** will display. Use the **Proposed Position Information** to make **Reports To** changes. (Use the lookup icon to look up the “Reports To” by Name, Empl ID or Position Number.)
9. The **Current Funding** for the position will display and the **Proposed Funding** section can be used to make any changes to the existing funding source(s) or distribution(s).

Funding may be split between different Cost Centers or Projects but the total distribution percentage must equal 100%. Use the plus or minus sign to add/remove an additional funding source.
