|            |            | SEMINAR 3: Dr. Erick Jones  
The George and Elizabeth Pickett Endowed Professor in Industrial, Manufacturing and Systems Engineering and Associate Dean for Graduate Studies in the College of Engineering at the University of Texas at Arlington (UTA) |
|            |            | Final Presentations – Prepare a 5-minute talk, which includes lessons learned. Tell us what you did, including research, (3 mins) and provide feedback you want to impart to the students (pay it forward – 2 mins). |
| FRIDAY (4/30) | Noon – 2:00 PM | [https://utsa.zoom.us/j/96790981008](https://utsa.zoom.us/j/96790981008) |
|            |            | Graduation                                                              |
| TUESDAY (5/4) |            | LAST DAY OF CLASSES                                                    |
| WEDNESDAY (5/5) |            | STUDY DAY                                                              |
| THUR — WED (5/6 — 5/12) |            | FINAL EXAMS                                                            |

1. **Safety Training:** All new students must login to Blackboard, go into “Course Catalog,” Look at “Open Courses.” Complete TRN-SA-0401 (Hazardous Waste Generator), TRN-SA 442.01 (Hazard Communications and Lab Safety) & TRN-SA-0483 (Researcher Biological Safety and Blood borne Pathogens). Your research PI might require that you take additional training, depending on the techniques used in your laboratory. This may include additional safety training related to lasers, radiation, or animals.

2. **Absences:** PLEASE REVIEW THIS CALENDAR CAREFULLY! If you KNOW you cannot attend a certain day, you MUST email YOUR PROGRAM DIRECTORS—RISE, MARC, RISE-2, MARC-2 and WSRTP please email Dr. Taylor and Diane Elizondo ASAP). EXCUSES ARE GIVEN AT THE SOLE DISCRETION OF YOUR PROGRAM DIRECTOR(S).
