Dear Prospective Student,

Thank you so much for applying to the University of Texas at San Antonio's Teen Studio Intensive on the Southwest Campus. We are excited to review your application. We believe that by creating a thorough application process we can ensure that our students are committed to dedicating time, effort, and their creativity to the Teen Studio Intensive Program. We are searching for students who are self-motivated, highly ethical and interested in increasing their art techniques, knowledge and skill while also sharing their talents with our community. We offer a high-quality program with college credit and have high expectation for our students. In turn, we expect to meet the high expectation that students and parents have for us.

Our goal is to provide an all-inclusive program with high quality arts experience for teens to create a well-rounded, community minded, articulate, successful, and committed generation of young artists. Our priority is to prepare the art student with the knowledge and skills necessary to be successful in the art school setting and beyond.

Teen Studio Intensive hours will be held Monday – Thursday from 4:30-7:30pm. Students will be required to attend two evenings a week either on Monday/Wednesday or Tuesday/Thursday. There will be some weekend workshops and community service hours outside of the regularly scheduled studio times. Students will be responsible for maintaining a satisfactory attendance of no more than 3 absences per semester. This is important since we have other students who want to be in the program too and to meet the requirements for the college credit opportunity.

To be considered, please complete the following application paperwork, and submit it to kimberly.bishop@utsa.edu. **Please write "Name_TSIAPP," in the subject line of your email.** Students will then be scheduled for an interview upon receipt of your application. At the interview we ask that students bring several art works that they are most proud of to share with us. Because we are drawing heavy, drawings are best and it's best to limit digital work to one solid original piece. Sketchbooks are also count as a single work of art.

If selected for the program, students are committing to the full year with a required \$300 studio fee per semester (fall/spring.) There may be fee assistance available for students who qualify. If you have any questions, please do not hesitate to contact me.
