Dear Prospective Student,

Thank you so much for applying to Southwest School of Art's Teen Studio Intensive. We are excited to review your application. We believe that by creating a thorough application process we can ensure that our students are committed to dedicating time, effort, and their creativity to the Teen Studio Intensive Program. We are searching for students who are self-motivated and interested in increasing their art techniques, knowledge and skill while also sharing their talents with our community. We offer a high-quality program and have high expectation for our students. In turn, we expect to meet the high expectation that students and parents have for us.

Our goal is to provide an all-inclusive program with high quality arts experience for teens to create a well-rounded, community minded, articulate, successful, and committed generation of young artists. Our priority is to prepare the art student with the knowledge and skills necessary to be successful in the art school setting and beyond.

Teen Studio Intensive hours will be held Monday – Thursday from 4:30-7:00pm. Students will be required to attend two evenings a week either on Monday/Wednesday or Tuesday/Thursday. There will be some weekend workshops and community service hours outside of the regularly scheduled studio times. Students will be placed in a session based on their portfolio and will be responsible for maintaining a satisfactory attendance of at minimum 70% of the program. This is important since we have other students who want to be in the program too.

To be considered, please complete the following application paperwork, and submit it to kimberly.bishop@utsa.edu. **Please write "Teen Program Application," in the subject line.** Students will then be selected for an interview. At the interview we ask that students bring several art works that they are most proud of to share with us.

If selected for the program, students are committing to the full year with a required \$300 studio fee per semester (fall/spring.) There may be fee assistance available for students who qualify.

If you have any questions, please do not hesitate to contact me or Director of Young Artist Programs, Dr. Marie-Claire Valdez
