Registration open to all eligible continuing and new students.	April 26, 7am – August 13, 5pm

\* Priority registration will be granted for all [eligible veterans and service members](#) who are currently utilizing GI Bill benefits.

## Registration Instructions

### 1. Review the chart above to find your designated registration date and time.

Registration timeframes are based on student classification (your total earned credit hours).

- Each timeframe is a window of time students can register. It has a start date/time and close date/time for the indicated classifications.
- If you miss your first designated registration time period, there will be a second designated period for all students within your classification.
- If you miss the second designated registration time period, registration opens for all students on April 26.
- Waitlisting will be available starting April 5 at 7am. During early registration, April 5 - 25, students will be allowed to add themselves to the waitlist, but notifications will NOT be sent out.
- Waitlist notifications will be sent out beginning April 26 at 7am. While it may seem there are open seats in courses when students drop, if there is a waitlist, those seats will be reserved for the students on the waitlist. Other students will not be able to register for those open seats. Once open registration begins, notifications will be sent out and the waitlist will resume as in previous semesters.

# Fall 2021 Registration Schedule

## 2. Prepare ahead of time prior to registration.

- **Check your registration status** → Log into [ASAP](#) to check your current classification and earned credit hours (*click on “Student Services”, then “Registration”, then “Select Term”, then “Check Registration Status”, then look under “Earned Credit” and add “transfer hours” and “institutional hours” to get your total earned credit hours*).
- **Check your holds and prerequisites** → Certain holds and prerequisites can prevent registration, so it is highly recommended that students address any holds or prerequisite overrides they have or need prior to their registration timeframe.

## 3. Register during your designated timeframe.

- **Login to ASAP** → Students must log onto their ASAP student portal to register for, add or drop up to 19 semester credit hours. Please note students on probation or academic warning are limited to 13 credits.

Additionally, please note classroom (location) assignments will not be available during registration. Classrooms are assigned approximately two weeks before the scheduled start of the semester. Check out the [Fall 2021 Academic Calendar](#) for Payment Deadlines, Refund Deadlines, Drop & Withdrawal Deadlines, and other important dates! Lastly, this registration schedule is subject to change.

**HELP** → If you have questions about your classification (i.e., freshman, senior, etc.) or registration contact One Stop Enrollment at (210) 458-8000 or 1-800-669-0919. Students with Texas Success Initiative (TSI) holds are advised and registered by TSI Programs. TSI programs can be contacted at [TexasSuccessInitiative@utsa.edu](mailto:TexasSuccessInitiative@utsa.edu) or 210-458-4498.
