PAINT GUIDELINES

- The approved color palette will be used as the standard on all new and existing building interiors.
- If an exception is requested (i.e. a custom color), it must be approved by The Office of the University Architect.
- Faculty, staff, or students are not allowed to paint their own space.
- For additional information, please contact The Office of the University Architect:
www.utsa.edu/recap/services/campus-planning/university-architect/

Using the approved interior color palette at the University of Texas at San Antonio reduces paint waste and contributes to campus sustainability.
